## CITY IN BRIEF.

Very little sickness now in the city of a dangerous type.  
A few bales of new cotton are arriving and business at the Exchange is looming up a little.  
Another trip to Cuba is on the tapis under the management of our friend Maj. Eugene Harrell.  
Charles H. Smith, Wake county, has administered on the estate of the late Larkin Smith.  
North Carolina 6 per cent bonds are selling at 127. Four per cent consols are held at 98 1/2.  
Mr. Templeton the prohibition candidate for Governor, was in the city last Saturday.  
The merit of Hood's Sarsaparilla is not accidental but is the result of careful study and experiment by educated pharmacists.  
It is earnestly requested that the committee having in charge the decoration of Stronach's warehouse, will meet in the building tomorrow morning at 9 o'clock. Prompt attendance of all the members is desired.  
We learn that there is considerable improvement in the condition of State Treasurer Bain. We sincerely hope that he may soon be able to resume his official duties.  
Travel on all the railroads is good. Large numbers are returning home from the different watering places, and this, added to students going to school, makes things lively.  
Let every business man or others who write letters get paper with centennial or fair heading. In this way the occasion will be known far and wide.  
The work of preparation for the State Fair goes bravely on and Secretary Ayer is full of business. All signs point to the grandest occasion of the kind ever seen in Raleigh.  
The finishing arrangements for the reception of our distinguished guests will be made tonight at the mass meeting. Let there be a tremendous turn out. Let the ladies remember that their presence will add largely to the occasion.  
The Durham Club, one hundred and fifty strong will be here next Friday. They will bring with them the Durham band, which, together with the Pythian band, engaged by the club of Raleigh, will furnish first class music. Clubs from several other towns will also be here.

Maj. C. D. Heartt, is confined at home today with sickness.

A tremendous crowd is looked for in the city next Friday.

"The Colonel" tomorrow night at Metropolitan Hall.

Mass meeting of citizens at Metropolitan Hall tonight.

The Commissioner of Agriculture is sending out circulars warning farmers against fraud in fertilizers.

Interesting revival services are being held in Central M. E. Church this week. Everybody cordially invited.

Prof. Massey of the Experiment Station, has returned from Thomasville where he has been holding a farmers institute.

A prohibition club was organized last Saturday afternoon, at the conclusion of Col R. S. Cheves speech in Metropolitan Hall.

The boating carnival at Brookside Park will be held tonight. Boats and lake illuminated with fancy lights.

Regular communication of Wm. G. Hill Lodge, No 219, A. F. and A. M., tonight at 8 o'clock. Visiting brethren invited.

Be sure to attend the mass meeting tonight. Remember the ladies are expected and the galleries are set apart for them.

On September 16th to 19th the district convention of the Young Men's Christian Association will be held in Goldsboro.

Regular meeting Centre Lodge, No. 3, Knights of Pythias, tonight. Work in first rank. Full attendance expected. Visiting brethren invited.

It is suggested that the old soldiers at the Home in this city be given one free admission at the fair and Pawnee Bills, Wild West Show. Of course. Why not?

The ladies of the parsonage aid committee of Edenton Street Church will have a lunch counter in the empty store in the Miller building, opposite postoffice Friday Sept. 16th. All meals, salads and hot coffee will be served at all hours. Don't forget the time and place.

Arrangements are on foot looking to an extension of the corporate limits of Raleigh a quarter of a mile in each direction. This will, we believe, have to be sanctioned by the General Assembly. It would seem to be a necessary measure in view of the rapid growth of the suburbs.

A colored man named Abram Kennedy was run over and killed by a train on the R. & P. Railroad early yesterday morning, a short distance this side of Durham. It was evident that the man had been under the influence of liquor and had laid down on the track. No blame can be attached to the engineer under the circumstances.

For the remainder of the season dancing parties wishing the exclusive use for any one night of the pavilion at Brookside Park, can procure it free of charge by applying at the office of the Street Railway Co. A reduced rate will also be made upon boats to persons wishing to get up an exclusive boarding party.

A regular meeting of the Board of Aldermen was held Friday night last. Among other business transacted was the adoption of the report of the street committee recommending the payment to Mr. Forest Hatch of the sum of \$300 for injury sustained by a fall into an open drain, in the northern part of the city recently M. N. Amis, Esq., who had charge of the interests of Mr. Hatch, contended that the city was liable, and that a much larger sum could be recovered in a suit at law, but in consideration of the "law's delay," and the expense incident thereto, a compromise was effected.

Mr. Albert Johnson is now engaged in having prepared a full sized model made of wood of the "Tornado," the first locomotive that entered Raleigh over the Raleigh and Gaston Railroad. The model is intended for the centennial celebration next month.
