**CITY IN BRIEF.**

It begins to feel like oysters. Beautiful moonlight nights. Cotton is still on the up grade. Rev. Thomas Dixon is again on a tour lecturing on "backbone" Don't fail to see Geo. Wilson's minstrels at Metropolitan Hall tonight. The race track at the fair grounds is being put in good condition. Two convicts receive at the penitentiary yesterday afternoon. During the first week in October the privileges of the fair grounds will be rented at auction. Hazing has been abolished at Davidson College and the attendance is larger than ever before. Bulletins concerning the State Fair and Centennial are being sent out in large numbers. There will be a pleasant occasion at Brookside Park tonight. The boats will be lighted and decorated with fancy lights. The Chick Medicine Company propose to give a performance in Metropolitan Hall next Friday in aid of St. John's Hospital. Delegates to the National Convention of clubs in New York were appointed by the Cleveland and Carr Club last night. The Wilmington Star has just concluded its 25th year. It is one of the best dailies in the South and we wish it a very long lease in the favor of the people. There is still a big lot of dogs running at large in the city without collars. Let all interested take notice that this is contrary to law and they should call upon Chief of Police Heartt and see about it. It is now understood there will be no joint canvass in this county between the candidates of the different parties. Each will "go it" on their own hook. Mariah Simmons, the mother of the well known colored singer, Matthew Simmons, died last night at 9 o'clock at her home on West street aged 67. Her remains were taken to Kinston today for interment. The fall business is opened. You cannot expect however to successfully compete with your opponents without a judicious system of advertising. It is the best kind of investment. Just try it. The State Fair bulletin of Raleigh Centennial Herald has been issued by Secretary Ayer, and, as it gives a full programme of all the various items composing the program to be carried out, it will be distributed widely throughout North Carolina and other States. We are pleased to learn that Master Claude Denson, for the first time since his sickness, on yesterday resumed complete consciousness and spoke to his father and others. It has been seventy-nine days since he has spoken. The senior class of Wake Forest College has selected the following officers. President—David M. Prince. Secretary—E. B. Lattimore. Orator—Stephen McIntyre. Prophet—Josiah C. Kettrell. Historian—J. Will Bailey. Post—Claude W. Wilson. We invite the attention of our readers to the advertisement of Miss Maggie Reese who announces the latest novelties in the millinery line. There is no emporium of fashion in the millinery department where a better selection of goods can be obtained at more reasonable prices. We call upon our lady friends to inspect the splendid assortment. They will find it superior in all respects and cannot fail to be pleased.

Lovely autumnal weather. Miss Lury Young, who has been quite ill with fever, is better. The condition of Chief Justice Merrimon is somewhat improved. The weather is unusually sultry for the season. A welcome banner across Fayetteville street is to be one of the features of the Centennial. Rev. B F Long has retired from the editorship of the Rocky Mount Argonaut. The business of the Western Union Telegraph Company has vastly increased recently. The cotton receipts today were quite large. Prices still looking upward. Rev G L Stith a colored preacher of Shiloh church Wilmington, has been arrested for embezzling \$93 from a member of his church. The "Deshon" opera troupe will be here next week. It will be the greatest musical sensation of the season. Every testimonial regarding Hood's Sarsaparilla is an honest, unpurchased statement of what this medicine has actually done. Gymnasium class at the Y. M. C. A. rooms tonight at 8:30 o'clock. Let all be present who intend to join this class. Let our Raleigh merchants be on the alert and secure space at the fair grounds, and, thus avoid inconvenience. Don't forget that gymnasium at the Y M C A rooms will open at 8:30 o'clock tonight with a dumbbell drill. It will be an interesting time. We can assure our readers on authority that Pawnee Bill's Wild West show will be free to everybody who visits the fair grounds during the exhibition. We are pleased to learn on good authority that there has only been one case of recent sickness at the Agricultural and Mechanical College, which was a student who arrived sick. He is now much better. **Manteo Lodge No. 8.** Meets in regular session tonight at 7 1/2 o'clock. Matters of importance are to be considered as well as the conferring of the second degree. My friend, did you read our advertisements? Yes, but I did not believe them as there is so much falsehoods advertised. Now, the idea of any one coming down town to trade; do all your trading, then go to Swindell's to see if his advertisements are true. We think this is the most foolish thing we have ever had the misfortune to know of. Do you think we would advertise something at a price when we did not have the goods advertised. None but an idiot would be so foolish. Whatever we advertise we have. Now we are selling every line of goods cheaper than any other store. Respectfully, D. T. SWINDELL.
