THE DEATH OF SUMMER.

MONTGOMERY M FOLSOM.

Low in the west the hectic flush
The doom of day implying,
Across the skies the storm wrecks
rush
And swiftly fades the last faint
blush—

Around King Summer's couch of pain,
September gales are sighing,
While sadly falls the mournful rain
Like one who weeps and weeps in
vain,
Dying, dying, dying!

And weird and wild there comes a
wail—
A night bird shrilly crying—
And shivering in her widow's veil
The rayless moon sits wan and pale,
Dying, dying, dying!

The shuddering maples cast their
leaves;
Grim death takes no denying;
Though Nature's troubled spirit
grieves
While gathering up her harvest
sheaves—
Dying, dying, dying!

No more through purpling shadows
come
The blithesome echoes flying,
Drear autumn taps the muffled drum
Through desolate woodlands dark
and dumb—
Dying, dying, dying!

Out of the silences of the night
To one whose form is lying
Beneath the withering rind and all
The sound that pierces night dark
pall—
Dying, dying, dying!

AMERICAN CORN ABBRIBAD

A special representative of the Agricultural Department at Washington writes from Berlin to our Consul in London to the effect that an Italian corn mill is to be opened in Hamburg this month which will grind American corn exclusively. This will make the second mill of the kind in that city, and as the first has worked night and day, and still behind with its orders, there cannot be a question of the commercial success of the venture, especially as the new cereal—new at least to the German palate—is being widely advertised by the sample method.

Another evidence of the increasing favor which our corn is gaining in Germany is found in the fact that a bakery to utilize this meal especially is soon to be opened in Berlin. These ventures are in advance of the report of the German Government Commission upon the merits of corn meal for food. Concerning this, however, it is inconceivable that there can be divergent opinions. For winter use especially corn flour is an ideal food staple, being rich alike in the fat-making and heat producing elements. It is also especially palatable when used in combination with wheat flour.

All the great institutions of learning in this country are entering the new academic year with largely increased freshman classes. This "boom" in the higher education business may be fairly regarded as a natural sequence of the intense and universal interest excited by the Sullivan Corbett fight, and the growing fondness of young men for such physical culture as will best fit them for a sporting life.

A Prize Picture Puzzle.

EXPLANATION.—The following picture contains four faces, a man and his three daughters. Any one can find the man's face, but it is not so easy to distinguish the faces of the three young ladies. The picture was published in a few newspapers some time ago, and attracted considerable attention to our standard remedies. We now offer a new prize competition in connection with it. As the sole object is to introduce our medicines into new homes, those who entered the former competition are requested not to compete in this one. As to the reliability of "The Ford Pill Co.," and the estimation in which their medicines are held in Toronto, Canada, where they are best known, patrons are referred to the daily newspapers, wholesale druggists and leading business houses generally of Toronto.

The proprietors of "The Ford Pill Co." will give an elegant pair of **Shetland Ponies, Carriage and Harness**, valued at \$500, (delivered free in any part of the United States, to the first person who can make out the three daughters' faces. To the second will be given an elegant **Lady's Cold Watch**, set in sapphires and diamonds. To the third will be given a pair of genuine **Diamond Ear-rings**. To the fourth will be given a handsome **China Dinner Service**. To the fifth will be given a **Kodak Camera**. To the sixth, a **Swiss Music Box**. To the seventh, a **French Mantel Clock**. To the eighth, an elegant **Banquet Lamp**. To the ninth, a pair of **Crown Derby Vases**. To the tenth, a complete **Lawn Tennis Set**, and many other prizes in order of merit. Every competitor must cut out the above "Puzzle Picture," distinguish the three girls' faces by marking a cross with a lead pencil on each, and enclose same with 15 U. S. two-cent stamps for one of the following "Prize Remedies:—

"Ford's Prize Pills," "Ford's Prize Catarrh Remedy," or "Ford's Prize Cough Cure." Select any one of the above remedies you desire. Address "The Ford Pill Co.," Cor. Wellington & Bay Sts., Toronto, Canada. The person whose envelope is postmarked first will be awarded the first prize, and the others in order of merit. As this advertisement appears simultaneously throughout the United States, every one has an equal opportunity. To the person sending the last correct answer will be given an elegant **Upright Concert Grand Piano**, valued at \$500.00. To the first person from the last sending a correct answer will be given a gentleman's fine Gold "Sandox" Watch, which strikes the hours and quarter hours on small cathedral gong at pleasure, and valued at \$300.00. To the second from the last, a first-class **Safety Bicycle**, pneumatic tire. To the third from the last, a first-class English **Shot-gun**. To the fourth from the last, a suite of **Parlor Furniture**. To the fifth from the last, a handsome **Silver Tea Service**. To the sixth from the last, an elegant **Piano Lamp**. To the seventh from the last, a handsome pair of **Portieres**. To the eighth from the last, a genuine English leather travelling **Trunk**. To the ninth from the last, two pieces of genuine **French Statuary**, and many other prizes in order of merit.

SPECIAL PRIZES FOR EACH STATE.

A special prize of a **Silk Dress Pattern** (sixteen yards, any color), or a first-class **Sewing Machine** (any make desired) will be given to the first person in each State in the U. S. who can make out the three daughters' faces. We shall give away 200 valuable prizes, besides special prizes (if there should be so many sending correct answers). No charge is made for posting and packing of prizes. The names of the leading prize winners will be published in connection with our advertisement in leading newspapers next month. Extra premiums will be given to only those who are willing to assist in introducing our medicines. Nothing is charged for the prizes in any way. They are absolutely given away to introduce and advertise "Ford's Prize Remedies," which are standard medicines, and will be used in every family for years where they have been once introduced. All prizes will be awarded strictly in order of merit, and with perfect satisfaction to the public. The remedies will be sent by mail, postpaid, and prizes free of duty.

A WATCH FOR EVERY CORRECT ANSWER.

An extra premium of a genuine "Fearless" Watch, (stem winder,) will be awarded to every person who sends a correct answer within 30 days after this advertisement appears, in case they should not be fortunate enough to secure one of the larger prizes. That is, if any one can find the three faces and enclose them within 30 days from the time this advertisement appears in the newspaper, they are guaranteed either one of the leading prizes, or an extra premium of a watch on conditions stated. No answer will be noted that does not contain 25 cents for one of Ford's Prize Remedies. Address THE FORD PILL CO., "37," Cor. Wellington & Bay Sts., Toronto, Canada.
