## GETS IN ITS DEADLY WORK

### The Distressing and Fatal Accident that Happened to 9 Year Old Johnnie Haynes.

A most heartrending accident took place in the northern section of the city about 7 o'clock this morning. A little boy, named John W. Haynes, son of Z. W. Haynes aged 9 years, was in the company of an elder brother, who was on his rounds as a carrier of one of our morning papers. Passing the corner of Blount and North streets the little fellow noticed a large coil of wire lying on the sidewalk in front of the residence of Dr. Hawkins on the North street side. He stooped down and took hold of the wire, probably for the purpose of endeavoring to remove the obstruction when he received a terrible shock from which he fell back and almost immediately expired. The elder brother in attempting to release him also received a slight shock. The unfortunate little boy was taken to the residence of his parents on North Person street and every effort made to resuscitate him with no effect.

There are of course, conflicting statements as to the cause of the accident. It appears that the wire of the electric company had become entangled with the feed wire of the street car company, and, in that condition, had fallen to the sidewalk during the latter part of last night. As to the matter of responsibility, this must be left to future comment. It was a most distressing affair and the bereaved parents have the sympathy of our entire community in their sad affliction. The deceased was a bright, intelligent little fellow and a special favorite with his comrades. The funeral will take place from the First Baptist church tomorrow afternoon at 3 o'clock.

#### ADDITIONAL.

Since the above was in type we have received the following additional particulars. The deceased had picked up a guy wire of the Electric Light and Gas Company which was broken down by the storm last night. This guy wire was connected at the pole with another guy wire of the same company, which during the storm had come in contact with a feed wire of the Street Railway Company, and the little boy standing on the ground received a shock which proved fatal.

#### "Tit for Tat."

A most highly appreciative audience witnessed the performance of this admirable comedy at Metropolitan hall last night, and never have our theatre goers enjoyed a better treat. Mr. Wilfred Clarke proved himself to be a comedian of the highest merit, and in the role of Paul Roach sustained such a reputation as entitles him to be classed with the foremost actors of the day. His support is excellent. Let all who wish to enjoy an evening of solid fun be on hand tonight. "My Wife's Husband" is the attraction. Secure seats at once at MacRae's drug store.

#### Council of State.

At a meeting of the Council of State held at the Executive Office yesterday afternoon the following resolution was adopted:

Resolved, that in the death of Chief Justice Merrimon, the state has lost an eminent citizen, a statesman and justice, and that the sympathies of the Governor and council be extended to the family of the deceased.

Dr. W. C. Ramsey, a prominent physician of Monroe, died at his residence last week, of consumption.

Rec. Sec.

Let our dramatic loving friends remember to be at Metropolitan hall tonight. It will be specially an occasion to delight the ladies. The great comedian, Wilfred Clarke, will drive away the blues by his splendid role of drollery and fun. The play is "My Wife's Husband" which is a roaring comedy, full of wit, fun and situations. Let the house be crowded to its utmost capacity. Seats at MacRae's drug store.

We invite attention to the advertisement of our friend, Mr. L. C. Bagwell, who has accepted the agency of a northern house for enlarging pictures. Mr. Bagwell has samples of the work at his place of business, corner of Blount and Martin streets. He also has canvassers throughout the city, and we can assure our friends that any business entrusted to him will be most carefully and promptly executed. He ensures the most complete satisfaction.

#### Where Are You Going?

The answer is plain. People have read with a great deal of interest the advertisement of Messrs. Thomas & Maxwell in this paper and they are rushing to the great emporium for the purpose of replenishing their parlors and bedrooms at the remarkably low prices offered. Never has there been a more tempting array of first class goods in that line spread before the people of Raleigh, and they are fast finding it out. In fact Messrs. Thomas & Maxwell are now finding it hard to keep up with the demand, and they are every day getting in new lines that will astonish all. Call and see for yourselves.
