The Weather Today.

For North Carolina: Rain today and tonight in eastern portion; fair weather colder Sunday.

Local forecast made at station for this vicinity:

The Baptist Convention.

This body met at 9 o'clock this morning pursuant to adjournment. At 9:30 a prayer service was commenced, after which an address was delivered by Rev. Dr. Ellis on Christianity. At 12 o'clock Dr. W. D. Powell, missionary to Mexico, addressed the convention. The committee to nominate a board of education met in the Tabernacle at 9 o'clock.

Notwithstanding the inclement morn there was a large attendance including many ladies.

Caught.

Last night the watchman at the coal and wood yard of Messrs. Jones & Powell detected two negro boys named Joe Holder and Alex Turner in the act of stealing coal. The watchman detained them and sent for a policeman who arrested and placed them in the station house. This morning they were sent on to court for trial. It would be well for such offenders to know that a strict watch is placed at the yard and any attempt to steal is almost sure to be detected and punished.

CITY IN BRIEF.

Treasurer Tate is now engaged on the preparations of his report to the coming General Assembly, which will, no doubt, as usual, be highly interesting. The Cause of Rheumatism.

The acid which exists in sour milk and cider, called lactic acid, is believed by physicians to be the cause of rheumatism. Accumulating in the blood, it attacks the fibrous tissues in the joints, and causes agonizing pains. What it needed is a remedy to neutralize the acid, and to so invigorate the kidneys and liver that all waste will be carried off. Hood's Sarsaparilla is heartily recommended by many whom it has cured of rheumatism. It possesses just the desired qualities, and so thoroughly purifies the blood as to prevent occurrence of rheumatic attacks. We suggest a trial of Hood's Sarsaparilla by all who suffer from rheumatism.

Our Gift to Every One of Our Readers.

"A YARD OF PANSIES." By special arrangement with the publishers, we are enabled to make every one of our readers a present of one of these exquisite oil pictures 36 inches long, a companion to "A Yard of Roses," which all have seen and admired. This exquisite picture, "A Yard of Pansies," was painted by the same noted artist who did the "Roses." It is the same size, and is pronounced by art critics to be far superior to the "Roses." The reproduction is equal in every respect to the original, which cost \$300, and accompanying it are full directions for framing at home at a cost of a few cents, thus forming a beautiful ornament for your parlor or a superb Christmas gift, worth at least \$5. Send your name and address to the publisher, W JENNINGS DEARBEST, 15 East 14th St., New York, with three two-cent stamps to pay for the packing, mailing, etc., and mention that you are a reader of the Raleigh Evening Visitor and you will receive by return mail one of these valuable works of art.
