CITY CIRCULATION.

RALEIGH, JAN. 10, 1893.

CITY IN BRIEF.

The docket in the Superior Court is not large.
The mails are sadly out of joint in all directions.
The telephone which was destroyed by fire at the capital club, has been replaced.
Bills are being introduced very freely in the two houses of the general assembly.
It has been decided by the railroad commission that the Cheroke and Salisbury road is liable to tax.
The new Columbian half dollars are beginning to make their appearance.
The list of state senators does not go below the letter "T" which is unusual.
The Governor has been officially notified that August 18th, 1893 has been set apart as North Carolina day at the world's fair.

All the presidential electors met yesterday and cast their votes, and Cleveland is now elected president sure enough.
The additional taxes from railroads should operate to lessen the state taxes, the present year. Legislators should make a note of this.

The warm wave seems to have hung fire on the route somewhere. It is badly needed in this locality just now.

"I was deaf for a year, caused by catarrh in the head, but was perfectly cured by Hood's Sarsaparilla."
H. HICKS, Rochester, N. Y.

Prof. C. D. McIver delivered an interesting address before the educational committee of both houses of the General Assembly this afternoon at 4 o'clock.

Col. Al Fairbrother of the Durham Globe is in the city. The Colonel is preparing for a biographical sketch of the members of the General Assembly. It goes without saying that the work will be well and faithfully done.

There was a short session of the board of county commissioners yesterday at which the matter of settling the state taxes with the sheriff was gone into. License to sell liquor was refused Al Upchurch, at his place near the fair grounds.

On the north side of Hillsboro St., just as you leave the railroad bridge going west there is a steep declivity in the side walk, which was left in that condition when the street was recently worked. Of late this place has become quite dangerous, owing to the slippery condition of the sidewalk. We hear that there have been several severe falls at that place. Surely the walk might be properly graded, and it should be done at once.

If Your House is on Fire
You put water on the burning timbers, not on the smoke. And if you have catarrh you should attack the disease in the blood, not in your nose. Remove the impure cause, and the local effect subsides. To do this, take Hood's Sarsaparilla, the great blood purifier, which permanently cures catarrh.
Hood's Pills cure liver ills, biliousness, jaundice, sick headache, constipation. 25c

Begin to think about the issue of bonds for city improvements and the extension of the corporate limits of Raleigh. Both are important measures not to be lightly gone into. The cost and consequences on both sides should be considered calmly.

HIS DAY FOR FIGHTING WAS ABOUT DUE.

"Say," he began, as he button-holed me in the corridor, "you don't believe in filibustering, do you?"
"No."
"Wouldn't be led into a riot and fight it out on that line, because a woman insinuated that you was a coward?"
"That depends."
"Wouldn't strike a woman either?"
"I should say not."
"But suppose she hit you a clip on the ear with a stove lifter?"
"I should keep out of her way."
"And if she followed you out with a rolling pin and made you see stars in the middle of the day, you would not lay a finger on her?"
"But you have no right to—"
"That's what she says. No rights at all, not even to breathe the same air she does. See that bump on my head?"
"Yes."
"Does that look like a coward's bump? No, sir; it is the principle of my life to do the square thing. I've lived up to my motto. Here it is:
He who fights and runs away,
May live to fight another day.

Tomorrow's my day. I've stood all a brave man can to defend his honor, but tomorrow I shall sweep everything before me with a remorseless hand. Ouch! that bump hurts."
—Detroit Free Press.

On Wednesday next Gov. Holt will vacate the executive mansion and place it at the disposal of Gov. Carr. From then until he leaves Raleigh Gov. Holt will be at the house of Mr. A. W. Haywood, corner of Newberne Avenue and Person streets, where he will be pleased to see his friends and others wishing to transact business.

Mr. and Mrs. Frederick Rejoice Because

Hood's Sarsaparilla Rescued Their Child from Scrofula.

For Scrofula, Salt Rheum, and all other foul humors in the blood of children or adults, Hood's Sarsaparilla is an unequalled remedy. Read this:

"We are so thankful to Hood's Sarsaparilla for what it did for our little girl that we make this statement for the benefit of other anxious parents and

Suffering Children

Our girl was a beautiful baby, fair and plump and healthy. But when she was two years old, sores broke out behind her ears and spread rapidly over her head and forehead down to her eyes, and into her neck. We consulted one of the best physicians in Brooklyn, but nothing did her any good. The doctors said it was caused by a scrofula humor in the blood. Her head became

One Complete Sore

offensive to the smell and dreadful to look at. Her general health waned and she would lay in a large chair all day without any life or energy. The sores caused great itching and burning, so that at times we had to restrain her hands to prevent scratching. For 3 years

She Suffered Fearfully

with this terrible humor. Being urged to try Hood's Sarsaparilla we did so. We soon noticed that she had more life and appetite. The medicine seemed to drive out more of the humor for a short time, but it soon began to subside, the itching and burning ceased, and in a few months her head became entirely clear of the sore. She is now perfectly well, has no evidence of the humor, and her skin is clear and healthy. She seems like an entirely different child, in health and general appearance, from what she was before taking

This Testimonial

Is an illustration of what Hood's Sarsaparilla is doing for the sick and suffering every day, from Maine to California. In the light of these facts who can say that the work of an immense concern like ours is not beneficent?

The two men who are said to be the most difficult of access by interviewers are Colonel Ingersoll and Archbishop Corrigan. While there is a great divergence of opinion upon certain religious questions, both agree in keeping from within the pencil reach of reporters.

A WOMAN FOOTPAD.

Cor. Memphis Appeal.

A mysterious female highway robber is causing much excitement around Bowling Green. Thus far she has disguised herself in such a manner as to keep her identity unknown, and has eluded capture—Some declare that she is a negro, while others claim that her skin is white. She quietly approaches a person and exchanges a few remarks with her intended victim. Suddenly she draws a large revolver and demands his valuables. She has been successful in obtaining much money and jewelry. While trying to hold up a railroad man a night or so ago she was foiled and when making her escape was struck on the head with a stone.

WOODWORTH CITY lies about 80 miles north of Chattanooga, within a few miles of Dalton, the county seat of Bradley county, and between Tracey City and the celebrated Beersheba Springs, the Saratoga of the South. It is in the centre of the rapidly developing coal and iron district of Tennessee, and within its borders are found coal, iron, zinc, marble and asbestos, with various hard woods, such as oak, chestnut, maple, beech, locust, hickory, ash, pine, cherry and black walnut in abundance. The village of Crutwell, with several hundred inhabitants, contains churches, schools, stores, post office and telegraph station, and a number of manufacturing industries, all of which are located on the property and form part of Woodworth City.

The proceeds of the sale of these lots will be used to develop the mineral resources of the property and build up a large and thriving city. Quick application for these lots should be made, as the right is reserved to advance the price without notice.
