

**THE GENERAL ASSEMBLY.**

**SENATE.**

January 20, 1893.

The Senate was called to order at 10 o'clock by Lieut. Governor Dougherton.

Prayer by Rev. Mr. Newell, of the Senate.

The journals of yesterday read and approved.

An unusual number of bills was reported from committees.

Following bills were introduced:

To incorporate the Wilmington fair association.

To pay the chairman of county commissioners extra compensation.

**CA' ENDAR.**

The bill to incorporate Rocky Mount Mill in Nash county passed its 8d reading.

The bill to give justices of the peace jurisdiction in cases of cruelty to animals passed 3d reading.

The bill to pay justices of the peace for attending annual June meetings was tabled.

The bill to provide water supply for the different institutions of the state, passed its 3d reading.

The bill to prevent bodies of men known as detectives from going armed in this state, after considerable discussion, passed its 3d reading.

The bill allowing real-estate of deeds fees for registering orders of commissioners, was tabled.

The bill to regulate matters in relation to rental or leased lands for agricultural purposes, was tabled.

The bill relative to running trains on railroads, passed its second reading. The bill provides that the railroads shall be required to run at least one fast train daily which shall stop at all local stations, and that they be allowed to run other trains which shall stop only at such stations as the railways may fix.

Bill to amend the charter of the Rockfish and Aberdeen railroad (with the amendments by the committee), passed its 3d reading.

Bill to allow judgment for damages on injunction bonds, passed its 3d reading.

Bill to require clerks of the Superior Courts to keep a record of justices of the peace, passed 8d reading.

**HOUSE.**

Speaker Overman called the House to order and Rev. J. N. Cole offered prayer.

The chief bills introduced were:

To repeal the act regarding the collection of agricultural statistics.

To reduce to \$1 the tax on marriage licenses.

To require water furnished by water companies for drinking purposes, to be filtered.

To prohibit the sale of liquor in Lincoln county.

To prohibit justices of the peace from holding office more than two terms.

To make six per cent the legal rate of interest.

To abolish the home-lead.

To make the defilement of a church a misdemeanor.

The Warren county election contest; W. W. Long, democrat, against J. H. Wright, republican, was taken up and after considerable discussion was again made a special order for next Wednesday. The reports of the majority of the committee in favor of Long and of the minority in favor of Wright were ordered printed, as well as the petition of the contestant. The entire matter appears to hinge upon the vote of Warrenton township.

A motion was lodged to reconsider the vote by which the substitute for the bill to make more perfect the collection of agricultural statistics.

A bill to allow the sale of liquor in the town of Monroe was passed.

A bill to exempt Vance county from the provisions of the law making a "close season" for possums passed. After a magnificent speech by Mr. Watson of Forsyth, who declared that it was the privilege of the negro to hunt possums, a sort of common law right.

A bill passed repealing the act allowing surveyors fees for laying off a homestead.

No flowery rhetoric can tell the merit of Hood's Sarsaparilla as well as the cures accomplished by this excellent medicine.

**INDOOR AMUSEMENTS.**

Older heads enjoy quiet games of whist, cribbage or euchre, where science is brought to bear to such an extent that in reality there is more of work than play in their so-called recreation. A little rainy night club, composed of only members of the family, could be made a source of delight as well as profit. Shakespeare, Scott or Dickens could be taken up in this way, assigning to each a character that they shall feel their own until the book or play were completed.

Vary this with an occasional candy pull, a popcorn party or any other noisy frolic that will be a direct contrast to the more intelligent pursuits, and it will be surprising how often will be heard the wish for a stormy day, which will necessitate the staying at home and indoor amusements.

If you are so blessed as to own a wide hall, battledore and shuttlecock is a lively and healthy exercise that can be indulged in there with no fear of breaking or damaging anything.

**That Tired Feeling**

Which is so specially overpowering when the seasons change, and that prostration following severe attacks of illness, are overcome by Hood's Sarsaparilla, which imparts the strength and appetite so much desired. Hood's Sarsaparilla has accomplished wonders for people who were "all run down." Hood's Pills have won high praise for their easy yet efficient action. Try them.

**BANANAS.**

The banana has very decided possibilities as a desert or an addition to luncheon or informal meals. Banana fritters are simply delicious, but very, very rich. Make a batter with one egg, a cup of sweet milk, a heaping teaspoonful of baking powder, a pinch of salt, and flour enough to make it rather stiff. In this dip slices of banana, then drop them into very hot fat. Be careful that they are thoroughly cooked through. Drain them on sheets of absorbent and serve with maple syrup. Peaches and bananas with oranges, make a delicious salad when sliced very thin and set away for some time in sugar.

**NO OTHER** Sarsaparilla has effected such remarkable cures as **HOOD'S** Sarsaparilla, of Scrofula, Salt Rheum, and other blood diseases.

We would suggest to Mr. Wana-maker that a change be made in the flavoring of the mucilage used on the Columbian stamps. Give us something more appetizing.
