RALEIGH, MONDAY, JANUARY 30, 1893.

NO. 82

CITY IN BRIEF.

Don't forget the skating rink carnival tonight.

There will be a meeting of the governing committee at the L'Allegro club next Thursday night.

Mrs. R. W. Sandifer, wife of the senator from Gaston county, is visiting the city.

Mr. J. A. Spence, of the firm of J. A. Spence & Bro. left today for New York on business.

Dyspepsia victims find prompt and permanent relief in Hood's Sarsaparilla, which tones the stomach and creates an appetite.

There was no men's meeting of the Young Men's Christian Association yesterday afternoon on account of the funeral of Mrs. W. J. Young.

Let there be no drawback to the appropriation for the confederate monument. It is a matter of justice to our fallen heroes.

The College Association of North Carolina will hold its second annual meeting in this city February 24th, and 25th.

Mr. James S. Atkinson, General Secretary Y. M. C. A., went to Louisville today to bring our "Blue Back Speller," Capt. J. J. Allen, to the "Bee" Tuesday night.

We are requested to call attention to the bad condition of the pump near the Murphy school. It is impossible to use it in its present condition.

The joint committee on education of the general assembly have paid several official visits to the Agricultural and Mechanical College, and express themselves as most highly pleased with the condition of matters in all respects.

"In time of peace, prepare for war." Although the weather has much moderated, there is no telling when another cold spell may strike us. Therefore all who can spare of their means, should keep the poor in mind.

Messrs. Jones & Powell, the energetic fuel dealers of our city, announce fresh arrivals of different brands of coal, also wood. These gentlemen are unremitting in their efforts to keep the market well supplied at all times with the most popular kinds of fuel. Send in your orders which will be promptly attended to.

Mr. A. M. McPheeters received a telegram from St. Louis Missouri this morning announcing the death last night of his oldest brother Mr. James G. McPheeters in the eightieth year of his age. He died at the residence of his brother Dr. Wm M. McPheeters, where he has been an invalid and great sufferer for several years. The remains will be brought here for interment in the family burying ground.

Let our readers peruse the attractive advertisement of Messrs. Thomas & Maxwell in this issue. Never in the history of Raleigh have such bargains been placed at the disposal of our people, and it becomes all, strangers and citizens to give the matter serious consideration. These gentlemen present such an array of novelties in their line as cannot fail to attract attention. Let there be a general rush to their emporium on Exchange Place, South side of the market. None will go away disappointed.

The attention of the public is specially directed to the INVENTORY SALE of the Rosenthal Clothing Company. There never has been such inducements offered in Raleigh, as is now presented by this celebrated emporium. The general manager "Dave" Rosenthal is determined not to be outdone in the matter of bargains. Members of the legislature, citizens and strangers are all cordially invited to call and examine the immense stock. Remember the place is at 805 Fayetteville street opposite the postoffice.

Programme of the Spelling Bee

People in and around Orizaba, Mexico, have been extremely frightened by earthquakes, caused by a volcanic eruption near by. The volcano of Colima on the Pacific coast is belching lava 12,000 feet high.

A Good Memory.

At the last Spelling Bee Capt. J. J. Allen of Franklin county both spelled his words correctly and gave the page and line on which they could be found in the "Old Blue Back." Prof. Morson gave him one or two words that he had never heard of, but he spelled them "as they ought to be spelled."

If Your House is on Fire

You put water on the burning timbers, not on the smoke. And if you have catarrh you should attack the disease in the blood, not in your nose. Remove the impure cause, and the local effect subsides. To do this, take Hood's Sarsaparilla, the great blood purifier, which permanently cures catarrh.

Hood's Pills cure liver ills, biliousness, jaundice, sick headache, constipation. 25c
