VOL. XXVIII.

RALEIGH, FRIDAY, FEBRUARY 3, 1893.

NO. 86

CITY IN BRIEF.

Stormy weather in the distance. Soon be time for night sessions. Look out for 'Jim the Westerner' next Monday night. Don't fail to see the McGibeny family at Metropolitan Hall tonight. The Governor's Guard should, by all means act as escort to Gov. Carr, if he attends the inauguration.

Lent commences February 15th, and ends with Easter Sunday, April, 4.

The Governor's Guard should get ready to accompany Gov. Carr to Washington.

Several new counties are knocking at the door of the legislature for admission.

Shall we celebrate the birthday of Geo. Washington. It occurs on the 22d inst.

All lovers of first class music should be present at Metropolitan hall tonight.

Applications for license to practice law commenced before the Supreme Court today. There are eighteen applicants so far registered.

No flowery rhetoric can tell the merit of Hood's Sarsaparilla as well as the cures accomplished by this excellent medicine.

The senate today in executive session confirmed the following appointments: John E. Brown, solicitor of the criminal court of Charlotte, and W. W. Phifer clerk of the same court.

We hope the legislature will be patriotic enough to take steps to have built the Confederate monument. Duty and gratitude require it.—Wilmington Messenger.

Ex-Governor Holt has accepted the invitation of the literary societies to deliver the annual oration at the commencement of Davidson college next June. The annual sermon will be delivered by Dr. E. H. Barnett, of Atlanta, Ga.

Most of the roads running into the city have been placed in good condition. Would it not be well to pay some little attention to the road running from the Hillsboro road to Pullen Park. With its red clay soil it is almost impossible to reach the park in bad weather.

The Chatham Record and Salisbury Herald are out in strong articles recommending the bill introduced by ladies of Confederate Monument Association. We do not see how the representatives of North Carolina can fail to appreciate the importance of the bill.

Entertainment.

Last night a most charming entertainment was given to the members of the general assembly at that well known and time honored institution, St. Mary's School. A select program of fine music and elocution was rendered which was highly enjoyed by the large audience in attendance.

Board of Charities.

The following information is given in the report of the board of charities of which our friend, Capt. Denson is Secretary.

It appears that there are 84 white adults and 3 white children, 231 colored adults and 15 colored children in jail under arrest; making 333 persons awaiting trial.

There are 71 white adults and 7 white children, all of these being in Hyde county, and 118 colored adults and 16 colored children, making a total 207, in jail under sentence.

There are 23 white and 17 colored insane in the jails, being 40 unfortunates so confined.

In the poor houses there are 784 whites and 404 colored people, making 1,188; 115 of whom are insane; and 118 are idiotic.

It is estimated that there are 473 insane persons at their homes.

Just So.

It seems that the Richmond & Danville railroad has secured the handling of the fast mail from Washington D. C. to New Orleans, for which the Government pays \$300,000. The Greensboro Record says that our fellow citizen, Col. A. B. Andrews, did much towards securing the contract. The "Colonel" is always on schedule time in whatever he undertakes.

Notice.

The regular meeting of Ruth Lodge, D. of R., I. O. O. F., will be held on to night, February 2d, 1893 at 7:30 o'clock. Every member is earnestly requested to be on hand, as business of importance will come up for transaction. Also installation officers.

E. LA BARBER, Recording Secretary.

"Jim the Westerner."

This popular comedy will be presented at Metropolitan Hall on next Monday night. It has been in our city before and elicited the warmest praise. It is a first class troupe in all respects, and our theatre going people may expect a most enjoyable time.

The McGibeny Family.

This famous troupe will hold the boards at Metropolitan Hall to night. The Nebraska City News says: "The Standard Theater was packed to suffocation last night with one of the most select audiences that has gathered in Nebraska City for many a day, to listen to the entertainment given by the famous McGibeny Family. The audience was highly entertained from the rise to the fall of the curtain, and it was with regret that they took their departure, only wishing that the entertainment would last longer."

The Railroad Commission.

The following cases were disposed of yesterday: Holland Bros. vs Raleigh & Augusta Railway Company, complaint of rate on lumber from Keyser to Charlotte. Rate adjusted; complaint dismissed. Junaluske Alliance vs. Richmond & Danville Railway Company. Petition to discontinue agency at Wilmot. It was adjudged that the Commission give their opinion to the discontinuance of the agency. I. W. Durham & Co. vs. Richmond & Danville Railroad Co. Petition for change of classification on marble or granite tombstones or monuments. Petition granted. Classification on L. O. shipments changed to fourth class where released by shipper.

Caraleigh Gingham.

The "Olimax" staples sell rapidly because of their excellent value, home made, smooth, regular and fine, they take the place of 10 and 12 cent gingham. Our solons imbued with a spirit of home pride and progression, are profuse in their praise. The ladies say what is the price? 8c, oh! nonsense, give me 10 yards of this, 5 of this, and 12 of this, and thus they go, all day.
