VOL. XXVIII.

RALEIGH, THURSDAY, FEBRUARY 9, 1893.

NO. 91

CITY IN BRIEF.

President Winston, of the University, is here.

Ex-Judge Womack, of Chatham, is in the city.

The new solicitor of the criminal court of Mecklenburg gets a salary of \$1,300.

It will soon be an easy matter to organize a full regiment of statesmen out of a job.

"The Mascot" by Raleigh amateurs tomorrow night will be the great event of the season.

Fitting square pegs into round holes is an easy job compared to Presidential cabinet making.

There will be a meeting of St. Agnes Guild tomorrow afternoon in the chapel, at 5:30 o'clock.

There will be a meeting of the Board of Public Charities at the capitol at 4 p m tomorrow afternoon.

A swindler is in the neighborhood of Durham beating folks on what he terms a genuine electric burner, which is worthless.

The prayer of the political old maids, if spoken aloud would sound something like "Oh for a government job; anything so it's a government job."

The house committee was appointed to get at the facts in the Panama canal scandal, not to suppress them by holding secret sessions. Do you hear gentlemen?

The killing of that amateur pugilist in New Orleans might be duplicated many times among both professionals and amateurs without serious detriment to the welfare of the rising generation.

Don't forget the rare musical feast at the Church of the Good Shepherd tonight. The tickets of admission are only 50 cents and the proceeds are for the benefit of the church. We hope there will be a very large crowd present.

Capt. Arthur A Spitzer, mention of whom is made in another column as having received a beautiful medal, was the 1st Adjutant General and Chief of Staff, Grand Camp C V, by appointment of Gen John R Cooke, 1st Grand Commander.

Remember that the sale of tickets for the Robert Downing company which appears at Metropolitan hall next Tuesday night, will open at MacRae's drugstore tomorrow morning. Be sure to purchase seats early and avoid the great rush.

Blow, blow, blow! That disagreeable catarrh can be cured by taking Hood's Sarsaparilla, the constitutional remedy.

The argument in the matter of taxing the Wilmin ton and Weldon railroad closed yesterday.

A proposition was made that the railroad company shall surrender all its exemptions from taxation, and all its rights to make rates free from state control and pay all back taxes for the past two years.

The committee has the matter under consideration.

The appeals from the 1st district in the Supreme Court, were disposed of yesterday.

Robert Downing, the foremost American tragedian, who will come to the Metropolitan Hall next Tuesday in a grand scenic production of one of the strongest plays in the English language, the Gladiator, has been before the public as a star in the heroic drama for some half a dozen years, and during that time has never played a losing season. That is a record that few of even the successful and popular stars can boast. This year Mr. Downing has been doing better than ever before, and he has already a snug sum in bank as the profits of his tour. His big Chicago engagement swelled this amount to over \$15,000. Mr. Downing is now reaping the reward of honest efforts and intelligent study, and the public rejoices with him in his prosperity, knowing that it is deserved.

I. O. O. F.

Attention members of Seaton Gales Lodge: Your lodge meets to night at 7 o'clock sharp. Matters of great importance will have to be attended to, which require the presence of every member. A cordial invitation to visiting brethren.

A Beauty.

We were shown today a beautiful plated gold medal received from Richmond Va., by our friend Capt. Arthur A. Spitzer Adjutant General of the camp of confederate veterans of Virginia. It is of eloquent finish and design with a carved head of General R. E Lee.

Married.

At the home of the bride in Cochran, Ga., Mr. Adolphus E. Stone, of this city, was yesterday united in marriage to Miss Berta L. Oberly. Mr. Stone is a brother of the late J. T. Stone, of Raleigh, and is well and favorably known to our people. We tender the happy couple our most sincere congratulations.

Deserved Compliment.

Maj Samuel F. Telfair, private secretary of the governor, has received a commission designating him as aide-de-camp on the staff of Gen. Martin McMahon, grand marshal of the inauguration ceremonies on the 4th of March next. This is a most deserved compliment, and our young friend will wear his "blushing honors" with credit to himself and the "Old North State."

Funeral.

The funeral services of the late Mr James McKimmon took place from Christ church at 3:30 o'clock yesterday afternoon, and were conducted by Rev Drs Marshall and Smedes. Among those in attendance were some of the surviving members of Manly's battery who thus showed their love and appreciation for their old comrade. The druggists association of this city attended in a body. The floral offerings were beautiful in quantity and design. The following gentlemen acted as pall bearers: Col Thomas S Kenan, Maj John B Neathery, Dr James McKee, Dr Fab Haywood, Peter M Wilson, N W West, G M Allen, James I Johnson, Wm Boylan, Colin M Hawkins, Alf A Thompson, Dr R H Lewis.

The ushers at the church were Will McGee, O M Rusbee, James Boylan, Frank P Haywood, Charlie Root.

Scotland County.

Last night the Senate was in session until near midnight having under consideration the bill for the creation of the county of Scotland. The bill had received the unanimous approval of the committee on counties, cities and town, but met with decided opposition from the Senators from Anson, Robeson and others. Senator McRae, of Robeson, offered an amendment, accompanied with a petition that a portion of Robeson be attached to the new county. In support of his amendment he moved that the bill be re-referred to the committee. This drew forth a long, animated, and, at times, an exciting debate. The scene was an exciting one, the galleries and lobbies being almost literally packed with spectators. At 11:15 o'clock, under a peremptory call for the previous question by Senator Jones, of Forsyth, the bill passed its second reading - ayes 27, nays 10. There were a great many ladies present who manifested the greatest interest in the proceedings.

Pretty Heavy.

Much merriment was caused in the senate last night, during the speech of Senator Little on the county bill. In a playful side thrust at the senator from Carteret Senator Little said that Carteret county was so cut up with creeks and water courses that on one occasion a judge who started for the county seat, found himself next morning in Baltimore.
