VOL. XXVIII.

RALEIGH, THURSDAY, FEBRUARY 16, 1893.

NO. 97

CITY IN BRIEF.

Springtime in the distance.
 Mr. W. L. Holt of Burlington, is in the city.
 The robins are getting here in considerable numbers.
 Judge Roykin continues quite ill at his residence in Clinton.
 The song of the ploughman will soon be heard in the laud.
 Miss Janet Andrews who has been quite sick, is much improved.
 Mr. Geo. H. Snow has gone to New Berne on legal business.
 Let there be no lagging in the matter of the Confederate monument
 Brookside Park will soon be put in proper trim for the coming season.
 Many of the members of the Legislature they are going to attend the inaugural.
 There are now 210 students at the normal school in Greensboro, and 400 application are now on file.
 We regret to learn that our friend, Mr. Miles Goodwin, is quite ill at his residence on West Jones street.
 The sheriff of New Hanover settled his state taxes with the treasurer yesterday afternoon.
 Miss Mary M. Ruffin, of Wilson, is in the city visiting Mrs. R. B. Peebles, on Hillsboro street.
 Mrs. C. H. Beine is very sick at her residence on the Tarboro road just east of the city limits.
 Now your blood should be purified. Take Hood's Sarsaparilla, the best spring medicine and blood purifier.
 It is understood that the finance committee have agreed to a tax of 20 cents on the \$100 valuation of land in the revenue bill.
 North Carolina state bonds are still up in the figures. Sixes are quoted at 128, and the 4 per cent consols are in good demand at par.
 New bills are daily being introduced in both houses, notwithstanding only a short time remains for the legislature to be in session.
 We very much expect that it will be a difficult undertaking to get more new county bills through the legislature. The tendency seems to be against it.
 The skating carnival at Stronach's warehouse, has been postponed until tomorrow night on account of the weather.
 The Figaro cigars announced by our friend Mr. J. Hal Bobbitt are not to be excelled in this city. All lovers of the weed should give them a trial. They are "Dandies" and no mistake
 The different committees have agreed upon the appropriations for the several charitable and penal institutions. This will, no doubt, much facilitate business.
 Here's success to the noble ladies who have worked so zealously in behalf of the Confederate monument. Let every true man aid them to all the extent possible.
 There will be an adjourned meeting of the chamber of commerce to night at the mayor's office, at which very important business will be transacted. A prompt attendance is desired.
 We now have a right to expect that Pullen Park will receive due attention in the matter of improvements. It can be made a most delightful summer resort for our people at a small cost with a good road to reach it.
 There is much speculation in our city as to who will succeed the late Mr. Robison as president of the Seaboard Air Line. We have heard our fellow citizen Maj. R. S. Tucker suggested and we hope that if he can be induced to serve it may be conferred upon him. No better one could be selected.
 There is a proposition in the general assembly to give clerks of the Superior Court and register of deeds annual salaries. Such a law is totally impracticable. How could it be arranged with anything like justice. Of course, for instance, no one would say that the clerk of the Superior Court of Wake should not receive a higher salary than that of Cherokee or Clay. The law, it stands, in our opinion cannot be improved upon.

Attention members of Seaton Gales Lodge, No. 64.
 Meeting tonight at 7 1/2 o'clock, sharp. You are earnestly requested to be on hand as business of great importance demands your presence. Every Odd Fellow invited. THIRM, Sec.
Important Meeting.
 There will be a meeting of the drug clerks of the state at Greensboro on Thursday night, March 2d, for the purpose of organizing an association for social and business relations, to see the pharmaceutical laws enforced and to advance the interests of drug clerks in North Carolina generally. It is desired that a large attendance be on hand.
The Weather.
 For North Carolina: "Local rains, colder."
 Local forecast made at station for this vicinity:
 On Friday: Continued warm, threatening weather with occasional rain.
 Local data for 24 hours ending 8 a. m. today:
 Maximum temperature, 61; minimum temperature 58; rainfall, 0.50.
Exhibition.
 The exhibition at the Institution for the Deaf and Dumb and the Blind last night was largely attended by members of the legislature and citizens. The program was good and rendered in an excellent manner, reflecting great credit upon superintendent Young and the others in charge of the asylum.
Appropriations.
 As a matter of interest we give the following appropriations which have been agreed upon by the different committees: Morganton asylum for annual support of patients \$88,000—\$8,000 this year and \$6,500 next year for dining rooms with wards above. Raleigh asylum \$51,000 annually for maintenance—\$5,352 to pay outstanding debts, \$2,000 for repairs, \$8,000 this year and \$6,500 for dining rooms for female patients, &c. Goldsboro asylum \$32,000 annually for maintenance—\$6,500 this year and next for dining room with wards for male patients, \$2,000 for 100 acres of land and \$2,000 for laundry purposes.
Strange Spiritual Manifestations.
 Dr. Eddy, the celebrated medium, who gained such a notoriety in England, will give one of those seances in spiritualism that have made him famous throughout the English speaking world, at Metropolitan Hall on Friday night, February 17. The following are among the manifestations that will be produced in broad light upon the open stage. Materialism of spirit forms and faces; Eddy's London open light seance blood writing on the arms; spirit slate writing; supernatural vision; a table suspended in mid air without human agency, etc. At the theater Friday night the skeptical may be represented on the stage with the liberty to subject the gentleman to any reasonable test, and free to detect what they can. A small admission to defray expenses.
 A large delegation is here from Wilkes county, to protest against the formation of the new county of Elkin. They will be given a fair and patient hearing.
 Although there is considerable pork coming to market, there seems to be no tumble in prices. It is still held at about ten cents.
 Taking up the carpets and brushing up for spring will soon be the order of the day with housewives.
They Have no Equal.
 They stand alone. Our ladies genuine dongola kid button boots at \$1.50 has no equal in ladies footwear. For style, fit and durability they rival those at \$2.50 to \$3. Every pair warranted.
