ODD FELLOW'S COLUMN.

Seaton Gales Lodge conferred the first degree last Thursday evening. S. veral visitors present.

We were glad to have with us this week, V G. Bro. John Bell and Secretary Dr. R. A. Moore of Moncure Lodge No. 154 recently instituted.

We trust that the brethren who are members of the legislature, and who are so soon to leave us, will carry home with them, pleasant recelledtions of our city and especially of Odd Fellowship.

We say that a man is a small potato because he refuses to hop into our half bushel Here is an opportunity for a moment's reflection.

In Ohio all Lodge members are required to pay their dues in advance in order to be in good standing and entitled to benefits.

Never speak of Lodge matters in unseemly or improper places, as oftentimes there are eavesdroppers around who should know nothing of such subjects.

signs and passwords may be used to prove membership in the Order, but the hest sign is unblemished character and an abundance of good

With profund sorrow we are com pelled to announce the death of Grand Scribe, Bro. T. E. Phillips, of Cross Creek Lodge, No. 4. After a lingering illness of nearly four months he peacefully passed away on the morning of February the 28th at his home ir Fayetteville.

Bro. Phillips was an ardent lover of Odd Fellowship. He never let an pportunity pass to take part in the work of Loige or Camp. His was a love that did not quail at obstacles, but would sacrifice if necessary for the good of the cause. He displayed great zeal in the Encampment work during his incumbency of the Grand Patriarchs chair in 1890 and 1891, and to his energy, more than any other may be credited the increase in the Encampment branch of the Order.

To his family and loved ones we tender our heartfelt sympathy in the sad hour of their bereavement and would point them, for consolation, to that source which is never failing. approached in the proper way. May He who is a father to the fatherless protect and care for the widow and orphan children of our beloved Grand

The place for us to begin work is in our home Rebekah Lodges. Let us strive to build them up into strong helpful organizations. In order to do this, we must lay aside all prejudices, all selfish ambition, and all jealousy toward our sisters and brothers, and labor together for everything that shall advance the work in the vicinity of our own lodges. I believe that every brother in this great fraternity of Odd Fellows will agree with me in the assertion that all the troubles, dissensions, ruptures and drawbacks that have ever arisen in the Order, can be traced to jealousy among the local members. When we go out from our regular convocations and mingle with the world, we expect rebuffs and unkindness, but in our own noble fraternity, whose corner stone is Friendship, Love and Fruth, and upon whose banners are inscribed the emblems of Peace, Charity Harmlessness, we should exercise a loving and unselfish spirit toward each other, and be indeed a family of sisters and brothers. "in go out from our regular convocations family of sisters and brothers, "in honor preferring one another."— Alice Bellany.

Hood's Sarsaparilla Rescued Their Child from Scrofula.

For Scrofula, Salt Rheum, and all other foul humors in the blood of children or adults, Hood's Sarsaparilla is an unequalled remedy. Read this:

"We are so thankful to Hood's Sarsaparilla for what it did for our little girl that we make this statement for the benefit of other anxious parents and

Suffering Children

Our girl was a beautiful baby, fair and plump and healthy. But when she was two years old, sores broke out behind her ears and spread rapidly over her head and forehead down to her eyes, and into her neck. We consulted one of the best physicians in Brooklyn, but nothing did her any good. The doctors said it was caused by a scrofula humor in the blood. Her head became

One Complete Sore

offensive to the smell and dreadful to look at. Her general health waned and she would lay in a large chair all day without any life or energy. The sores caused great itching and burning, so that at times we had to restrain her hands to prevent scratching. For 3 years

She Suffered Fearfully

with this terrible humor. Being urged to try Hood's Sarsaparilla we did so. We soon noticed that she had more life and appetite. The medicine seemed to drive out more of the humor for a short time, but it soon began to subside, the itching and burning ceased, and in a few months her head became entirely clear of the sore. She is now perfectly well, has no evidence of the humor, and her skin is clear and healthy. She seems like an en-tirely different child, in health and general appearance, from what she was before taking
