

THE GENERAL ASSEMBLY.

SENATE.

March 4, 1893.

The senate was called to order at 10:30 o'clock by Lieut. Governor Doughton.

Prayer by Rev. Mr. Newel. Journal dispensed with. The following bills passed. To equalize the \$8,000 appropriated for colored Normal schools. To incorporate Elon college. To promote education in Wilmington.

The bill to provide for the support of the Agricultural and Mechanical college. The previous question was ordered and the bill passed for \$10,000 a year but refuses the appropriation for land.

The Wilmington quarantine bill passed its 2d reading.

Senator Pou at 12 o'clock arose and called the attention of the Senate to the fact that at this hour Grover Cleveland was being inaugurated and moved that the House resolution of congratulation be agreed to. This was done and the resolution passed unanimously amid great cheers. A dispatch was sent to President Cleveland announcing the passage of the resolution.

The Senate refused to concur in the House proposition to reduce the State Guard appropriation.

A vast number of bills were passed mostly of a private nature.

HOUSE.

The House devoted the entire morning session to the passage of a large number of private bills of mostly unimportant character. Among the resolutions was one congratulating President Cleveland. A dispatch was sent to him by telegram. At the adjournment the calendar of the House was nearly exhausted.

The General Assembly

Although the legislature will not formally adjourn until Monday next at noon the session will probably virtually end tonight. Until the laws are put in shape, it will almost be impossible to criticize with justice the acts of the body. We can say however, that, in our opinion the present legislature will compare most favorably with any that has preceded it for many years, although at times some of its enactments have been made without that cautious deliberation demanded. In the personnel of the body we think it is most favorably. There never has been in our opinion, a cleverer set of gentlemen assembled within the walls of the capitol. We speak this on authority as our business relations have been such as to be familiar with many of them. To each and all we tender our best wishes for their future welfare and hope that they may reach their homes in safety.

'SHE SECURED A BARGAIN.'

A Woman's Familiar Remark.

OVERHEARD AT THE DRY GOODS STORE.

An Interesting Incident. A Chat Full of Interest to Women. Some Things Are Told that are not Generally Known. Why so Many Ladies Feel Tired and Worn Out After Visiting the Stores.

"I secured a splendid bargain." I overheard a lady make this remark to a companion just after coming out of one of those extensive houses that conduct bargain counters. Her face was very earnest and her eyes sparkled, but I could see in the paleness, in the lines upon her face, that she had been suffering and was even then suffering. I understood that she had saved money in the purchase she had made, but I could see that she had lost the greatest of all human bargains—good health.

How many women there are today who are unhappy and suffering, and yet who do not fully realize why it is so. They feel weak, weary and often discouraged. They care little for food and less for exercise. Their sleep is disturbed, their minds are not at rest. They are unhappy. To all such the following experience will be interesting and valuable.

Mrs. M. A. Breising, who resides at No. 197 W. 127th street, New York, has passed through a most wonderful experience, which should be of interest and value to all ladies. She said: "A few years ago I was suddenly seized with an illness which I could not account for. My body was constantly in pain and very sensitive, so that I could not bear the contact of any but the lightest garments. I can scarcely tell of the agony that I suffered during that time. The physicians informed me that I could not possibly live and my friends were called in to bid me farewell. I was almost in the embrace of death when my husband sent for a remedy of which he had heard and gave me a small quantity. After taking a second dose, a peaceful, restful feeling seemed to steal over me, and for the first time in several days I slept. From that time my recovery was assured. I grew gradually better until my health was fully restored, and I thank God that my life was spared through the agency of Warner's Safe Cure. It cured me, and I know that it will cure others."

Testimony that is beyond question is given by Mrs. R. F. McMurray, of St. Paul's ave., of Staten Island, N. Y., who says: "My mother, Mrs. S. A. Vanderbilt, and myself, owe our health, and I almost feel our lives to Warner's Safe Cure. I speak from a long experience. Recently I had a most severe attack of influenza, arising from a cold, and the Safe Cure made me feel like a new person. Other members of our family, and also many friends and acquaintances, having received equal benefit, and all highly recommend it."

Mrs. J. F. Beale, residing at No. 363 Lexington ave., said: "About eight years ago I suffered from peritonitis, and general kidney troubles, and in spite of the attendance of skilled physicians, my ailments increased. Upon advice of some friends I began the use of Warner's Safe Cure and was cured entirely. I feel as well today as in early girlhood, and it is entirely due to this great remedy. Many of my friends, to whom I have recommended the Safe Cure have been cured by its use, and their lives prolonged, and their happiness assured."

Mrs. M. M. Simonon, of Buckley, Mo., says: "My daughter, who was once the perfection of health and happiness, was for years afflicted with kidney and liver disease, complicated with scrofula, the hip joint being affected. She became so bad the doctors wanted to unjoint the hip. I would not consent to it and began administering a remedy which I had heard much about, and I am happy to say she is now cured, well and healthy by the use of Warner's Safe Cure."

Order the greatest bargain known to the world is good health. Do you not wish to secure and retain it?

NO OTHER Sarsaparilla combines economy and strength like **HOOD'S**. It is the only one of which can truly be said "100 Doses \$1."

Several bills have gone to sleep in the committees never to wake again.
