The U. S. Senate may contain a number of criminals, but the time, place and amount of embezzlement have only been specified in one case. Let that man be convicted or acquitted. Then it will be time enough to talk about the others.

A NOVELTY IN JOURNALISM.

Greensboro Record. We see it announced by the Raleigh News and Observer that that paper has leased the Daily Chronicle, of Raleigh, and that both papers will hereafter be published by the News and Observer. This is, we suppose a preliminary step to consolidation of the two papers. In the meantime both will be published by the News and Observer. This is somewhat of a novelty in journalism as we do not recall an instance in the past where two morning dailies were run in the same town under the same management. Capt. S. A. Ashe, the veteran and scholarly editor of the News and Observer, we suppose, will now wield the editorial pen for both papers, and our talented and successful young townsman, Mr. Greek O. Andrews, who has for five or six years past held the responsible position of city editor of the News and Observer, will now doubtless have double responsibility and prominence in holding such an important position on the two leading morning dailies of the State. This places him higher in the ranks of the journalistic profession than any other editor of his tender years in the State, and his success will be gratifying to his family and many friends here at his old home in Greensboro.

AN UNWELCOME WOOER'S RIDE.

William Fritz, of Clara, Iowa, has for some time been urging attentions on the daughter of a farmer of that place. He was given to understand that his attentions were unwelcome. Fritz called one evening when the girl's parents were not at home. He had been drinking and made himself especially obnoxious. The girl ordered him out, but he refused to go. She then called her two sister to her assistance, and the three tied the young man's arms and secured a stout rail. Fritz was perched on it, and while two of the girls carried the rail one held their victim in position. He was given a free ride toward town while all that saw the strange procession applauded.

"SPIRIT" VIEW OF THE HARRIS CASE.

"The Spirits' View of Carlyle Harris" was announced as the subject of a lecture by J. W. Fletcher, a medium, in New York. Instead, as the notice seemed to indicate, transmitting the opinions of the departed concerning the convicted wife-murderer Mr. Fletcher occupied an hour giving his views, which are shared by spiritualists generally, against capital punishment. He seemed to be impressed with the idea that Harris was a greatly abused young man, and urged the two hundred persons present, most of them women, to sign the petition for a rehearing of the case by a commission to be appointed by the governor.

NO OTHER Sarsaparilla has the merit to secure the confidence of entire communities and hold it year after year, like HOOD'S Sarsaparilla.

A woman without arms has been married at Christ church, New Zealand. The ring was placed upon the fourth toe of her left foot. A similar marriage to this was performed at St. James' church, Bury St. Edmunds, in 1833. The ring was placed on one of the bride's toes, between which she grasped a pen and signed the marriage register.

Rev. Mr. A., in Felin's Grove, Pa., had just commenced his sermon one Sunday morning when a boy, some eight or nine years of age, got up and walked straight up to the minister asked in a voice loud enough to be heard by the congregation: "May I go home? I forgot to feed the pigs." Consent was given, but the effect upon the minister as well as upon the congregation was far from serious.

If the U. S. Senate wishes to convince the public that the friends of Senator Roach were right when they said "they dare not meddle with Roach because there are other Senators who have done as bad or worse", it has only to smother that resolution of investigation.

Worth \$1,000 The Good Derived from HOOD'S Sarsaparilla All Run Down With Dyspepsia

The peculiar combination of stomach tonics and alterative remedies in Hood's Sarsaparilla cannot be equalled, and this superiority explains the wonderful success of

This Great Medicine in cases of Dyspepsia, Indigestion and similar troubles. Mr. T. A. Wheelock, a well known citizen of Burlington, Vt., writes:

"Six months ago I was badly run down and unable to attend to business. The principal trouble seemed to be due to indigestion and aggravated dyspepsia. I had no appetite,

Nothing Tasted Good and what I did eat distressed me. Added to this was a nervous disturbance. Physicians that I employed failed to reach my case. I grew worse, lost flesh and almost hope. One day I ran across a testimonial for Hood's Sarsaparilla stating what it had done in what seemed to be a case similar to mine. I got a bottle and in three or four days saw that I felt better. Before I had finished the first bottle, was greatly improved. Rested better, felt better, and knew I was

Better All Over I continued with the medicine, and have taken two bottles and now feel better than at any time for the past five years. Feel as hearty as when a boy. Have regained my flesh, have good appetite, can sleep well, and my nerves are in excellent condition. I would not value a thousand dollars for what it did for me."

NOTICE OF ELECTION.

To Obtain Consent of Qualified Voters of the City of Raleigh to Issue Bonds for Public Improvements, and to Levy a Special Tax.

Notice is hereby given that at a special meeting of the Board of Aldermen of the city of Raleigh on the 2d Monday night in March, 1893, said Board ordered an election to be held on the first Monday in May, 1893, for the purpose of obtaining the consent of a majority of the qualified voters of the city of Raleigh to issue fifty thousand dollars in bonds for public improvements and to levy a special tax as authorized by an act of the General Assembly of North Carolina, ratified the 28th day of February, 1893.

The provisions of the said act of the General Assembly, to be voted upon at said election, are sections one and five, which are as follows:

Section 1. That for the purpose of paving, macadamizing and otherwise improving such of the public streets of the city of Raleigh as the Board of Aldermen of said city may determine to improve, and for making such other public improvements as the said Board of Aldermen may determine to make, the city of Raleigh is hereby authorized and empowered to issue its bonds to an amount not exceeding fifty thousand dollars, of such denominations, and in such proportions, as the Board of Aldermen may deem advisable, bearing interest from the date thereof at a rate not exceeding five per centum per annum, with interest coupons attached, payable half yearly, at such times and at such place or places as may be deemed advisable by said Board of Aldermen; said bonds to be of such form and tenor, and transferable in such way, and the principal thereof payable or redeemable at such time or times, not exceeding thirty years from the date thereof, and at such place or places, as the Board of Aldermen may determine.

That for the purpose of providing for the payment of the interest accruing on and the principal at maturity of the bonds issued under authority of this act, the Board of Aldermen of said city shall annually and at the time of levying other city taxes, levy and lay a particular tax on all persons and subjects of taxation on which the said Board of Aldermen now are or may hereafter be authorized to lay and levy taxes for any purpose whatsoever, said particular tax to be not less nor more than eight cents on every hundred dollars assessed valuation of property, and not less than eighteen nor more than twenty-four cents on each taxable poll. The taxes provided for in this section shall be collected in the manner provided at the times other city taxes are collected and shall be accounted for and kept separate from other city taxes, and shall be applied exclusively to the purposes for which they are collected, so much of said tax as may be required to pay the interest on the bonds issued by authority of this act, if it falls due and cannot be applied to the purchase or discharge of the bonds, or which said taxes are levied and collected shall be invested so as to secure the payment at maturity of the principal of the said bonds, and to insure the investment of the amounts collected from year to year in excess of that required to pay the said interest, the Board of Aldermen shall cause the said excess to be turned over to the Commissioner of the Sinking Fund of the city of Raleigh, whose duty it shall be, under such general rules and regulations as said Board of Aldermen shall from time to time prescribe, to make investments of so much of the taxes collected and turned over to him as aforesaid, as shall be applicable as aforesaid to the payment of the principal of said bonds issued under this act, and to do or perform all such other services in connection with said bonds, as said Board of Aldermen may prescribe, and such Commissioner shall give bonds and receive such compensation for his said services as said Board of Aldermen may determine.

All qualified voters approving the issue of said bonds and the levy and collection of said special tax shall deposit in a ballot box specially provided for said election, a slip containing the written or printed word, "Approved;" and those disapproving the same shall deposit a like slip containing the written or printed word, "Disapproved." The said election will be held and returns thereof made under the same rules and regulations as exist in case of elections for Aldermen of the city.
