VOL. XXVIII.

RALEIGH, MONDAY, APRIL 17, 1893.

NO. 146

CITY IN BRIEF.

Col Wharton Green, of Fayetteville was in the city last Saturday.

The revival at Caraleigh Mills still continues. Much interest is manifested.

It is estimated that the loss in Warren county by the recent fires, was at least \$15,000.

Mr. James H. Eddles left for Petersburg Va., last Saturday to attend the burial of his sister.

Col. E. Harrell has gone to Morehead to make preparations for the meeting of the Teachers Assembly.

Hon E. E. Holland, of Suffolk, Va., will deliver the annual address at Elon college before the Literary Society at commencement.

The next term of the Superior Court of Wake county for the trial of civil causes will commence next Monday the 24th inst. The docket is not a large one.

Meeting of Raleigh Council, Royal Arcanum, will be held tonight at 8 o'clock at their hall over Citizens Bank, for work in the degrees, candidates and members are requested to be present.

All correspondence in future with the North Carolina World's Fair Commission should be addressed to 195 Thirtieth street, Chicago. Mr. P. M. Wilson is now in Chicago, and Mr. T. K. Bruner will leave for that city in a day or so.

Spring medicine and Hood's Sarsaparilla are synonymous terms, so popular is this great medicine at this season.

We are authorized to state that Mr. Smith was the only one convicted on Tuesday last in the fire alarm trial. Mr. R. G. Carroll was not convicted with it.

As a matter of precaution it is best to cover up plants tonight, as the weather folks think the conditions are favorably for frost tomorrow morning. It is best to be on the safe side.

The expected frost Saturday night did not come which is a good piece of news so far as fruit and vegetables are concerned. As the full moon does not occur this month until the 26th, we can now reasonably expect to escape damage.

Miss Mary S. MacRae, daughter of Judge MacRae, who has been visiting the family of Col. Hinesdale, has returned to their home in Fayetteville.

Our friend Walter Newsom is on deck in the grocery line and no mistake. All in need of the best and freshest stock should give him a call. There is no better or cheaper place in the city or state.

The Rosenthal Clothing company tells the solid truth when they declare that lowest prices will have their effect. Their trade is steadily on the increase and will keep moving so long as our friend "Dave" Rosenthal holds the helm and makes such judicious selections. Mens, boys and childrens clothing is placed within the reach of the average pocket book. Call and make early selections.

Don't forget the fact that Messrs. Thomas & Maxwell are placing, all the time, before the public the largest stock and the greatest variety of furniture of every description ever offered in this city, and their prices are so reasonable as to defy competition. Remember also the little ones and inspect the beautiful baby carriages. No better place in the south. Exchange place, south side of market.

Masonic.

Hiram Lodge, No. 40 A F & A M., will meet in regular communication this evening at 7.45 Full attendance is desired. Work in the second degree. Brethren of other lodges cordially invited.

E. B. Thomas, Sec.

Acknowledgment.

We are under obligations to our young friend Mr. D. M. Prince for an invitation to attend the second annual field day exercises of the Wake Forest Athletic Association to take place on the 28th day of April inst.

Encampment.

Last Saturday, Adjutant General F. H. Cameron returned to the city from Wrightsville where he had been with other officers to inspect the grounds preparatory to the annual encampment the coming summer.

Trouble Feared.

A formal demand has been made upon the people of James City, opposite New Berne, to move off the property which Mr. Bryan has secured by the decision of the court. Should they fail, it is feared that force will have to be used and trouble ensue.

Our Resorts.

The time will soon be here when all whose time and money will allow them, will be seeking the seashore or mountains. To all such we most earnestly hope that due preference will be given to our home resorts. Let us reap all the money we can in North Carolina. We need it.

Our Opera House.

It is now confidently expected that the new opera house will be ready on the 26th of May. We learn that the proprietor Mr. Page, has generously tendered it for the grand entertainment proposed for the benefit of St. John's Hospital. This is a splendid idea, and we must think that on that occasion there will assemble a tremendous audience. We will allude to the matter more fully hereafter.

Lecture.

The series of monthly lectures, gotten up by the faculty of the Agricultural and Mechanical college will be continued next Friday night on which occasion Prof. W. F. Massey will deliver a lecture entitled "God's yesterday." The subject is a good one intending to show that science and theology do not by any means conflict. Let there be a large turnout. The electric cars run to the college grounds.
