

The Daily Evening Visitor.

VOL. XXIX.

RALEIGH, MONDAY, MAY 15, 1893.

NO. 19

CITY IN BRIEF.

The iron for the connecting road to Pullen Park has arrived.

The religious interest at Central M E Church continues.

Capt. Octavius Coke, who has been quite ill, is improving.

How about the new graded school for the West End?

The street cars did a thriving business yesterday.

Yesterday was a delightful day and the turnout at the churches was very large.

The sanitary officers are on the lookout. Let all the back yards be thoroughly cleaned.

Ex Auditor Sanderlin is in Washington City. It is said he has been offered a position in the Treasury Department.

The school girls are looking forward with delight to the approaching commencements.

The Southern Baptist Convention at Nashville, Tenn., opened last Saturday by Dr. W S Pickard, of Louisville Ky.

Mr. Josephus Daniels, of the Interior Department, Washington D C, is in the city. We presume he is here in connection with business pertaining to the State Chronicle.

Although the electric cars were crowded during the day yesterday under the skillful management of Mr Huff and his excellent force all were handled properly.

Read the advertisement of Messrs. C A Sherwood & Co. He announces "May Hummers." No better emporium in the State for splendid goods at the lowest prices.

A most enjoyable picnic was indulged in by the young folks at the Brookside park last Saturday. There is no more delightful place for such recreation. The street cars now run directly to the park.

The good will of the Chronicle was sold to day to J. N. Holding for the sum of \$1,425, the subscription list and accounts brought \$350 and was purchased by the same gentleman.

A meeting of the Executive Committee of the N. C. State Horticultural Society was held recently in Greensboro at which the time and place of holding the next show was discussed. We hope it may come to Raleigh.

All in want of groceries should call on W R Newsom on South Wilmington street. He keeps regularly on hand a most complete assortment which he is offering at such prices as must commend a ready sale. Call and see him.

Mr. Chas Bretsch has a neat, nicely arranged ice cream saloon where ladies and gentlemen can find at all times the most delicious cream, accompanied by the finest cakes from his own bakery. All kinds confectioneries, fruits &c. Fayetteville street, east side first square this side of Capitol.

The Rosenthal clothing company comes again to the front to day in an announcement of popular clothing. This establishment never tires in its catering process for the benefit of the public in the clothing line. Under the management of our friend 'Dave' Rosenthal who is a real hustler in his line, it continuously presents to the people such an array of tempting bargains as are perfectly irresistible. Call at once.

If you have not rearranged your house for spring and summer, in the furniture line, it would be well for you to call upon Messrs. Thomas & Maxwell at once. These gentlemen can be sure to please you as their stock is unsurpassed by that of any house in the state. Don't fail to look out for the little ones in the way of carriages, a most beautiful and select stock of which the establishment has. Remember the locality, South of Market, Exchange Place.

Interest ng Exercises.

The religious exercises at Metropolitan Hall yesterday afternoon were deeply impressive and of the most interesting character. The services were conducted by C M Busbee, Esq. and addresses were delivered by Messrs. R H Battle and W S Primross. There was a large attendance.

Napoleon

The lecture of Prof. Downie at Metropolitan Hall, on Napoleon to take place on the night of the 22d will be for the benefit of St. Johns' Hospital. It will be illustrated with fine scenes from the life of the great soldier, and as a matter of history will be very interesting.

The Davis Hotel.

It seems to be now settled that a new hotel will be built on the site of the one recently destroyed at Kirtrell. The estimated cost of the structure will be \$40,000, of which the sum of \$3,000 has been furnished by a partnership syndicate. This is good news and will be hailed with delight by hundreds who resort thither in the summer months for pleasure, and in the winter for hunting purposes. We hope the time is not distant when a similar retreat will be built at, or near Raleigh. Some few years since we heard it intimated that the suburb known as "Spring Hill" southwest of Raleigh was in contemplation for the erection of a hotel mainly as a health resort for invalids. It would be a most admirable place, and we hope yet to see the scheme carried out.

A Card.

My friend, if you will allow me a space through the columns of your newspaper, it will afford me great pleasure to announce to my friends and the public, especially those suffering from toothache and neuralgia, that Williams & King's famous toothache and neuralgia remedy is the best medicine I ever used. I have been a great sufferer of toothache and neuralgia and could get nothing that would affect a permanent cure until after using one bottle of the above remedy, which completely cured me. Take my advice; you won't have to try it twice; it costs you only 10 cents.
