VOL. XXIX.

RALEIGH, TUESDAY, JUNE 20, 1893.

NO. 49

CITY IN BRIEF.

This is about the longest day in the year.

Rev. F L Reid has gone to Morehead to remain a week or ten days.

Lawn parties are getting popular; several are booked for the near future.

It is stated that positions have been found for 14 of the 19 graduates of the Agricultural and Mechanical College.

Every indication points to a very large attendance at Morehead during the session of the Teachers' Assembly.

Capt. Octavius Coke's youngest child is quite sick. He will accompany it to Morehead City this week in hope of relief.

Mr. S S Aldrich, of Salisbury, who has spent 51 years of his life as a locomotive engineer, has gone to New York to visit relatives.

The directors of the North Carolina Institution for the Deaf and Dumb and the Blind have re-elected Mr. W J Young principal and all the other officers.

The Raleigh banks are as safe as it is possible for any institution to be. The most perfect confidence prevails in Raleigh. We have the right men in the right places.

Attention is directed to the announcement of Messrs W H & R S Tucker & Co, who announce their determination to adhere as close as possible to the cash system.

Capt. T R Robertson the new postmaster of Charlotte, was in the city yesterday afternoon. He was accompanied by his little daughter who will spend some time with her aunt Mrs. Col. A B Andrews.

Although we are to have no public celebration here on the 4th of July, there will be many private picnics, excursions, &c. Fishing parties will be in order and it is expected that many will take advantage of the occasion to take short trips.

Get ready for the Asheville excursion. Buy observation car tickets at J R Ferrall & Co's, store. Positively only 16 tickets will be sold for this car. Observation car tickets \$4.50; other cars \$3.50 round trip. This train will leave Union Depot next Tuesday morning at 7 o'clock.

The improvements at the Deaf and Dumb Asylum for the present will be devoted to the exterior of the building. Next year important remodeling of the wing now occupied by deaf mutes will be made to accommodate the blind. This is done in anticipation of the completion of the asylum at Morganton.

Preparations are about completed for the concert and gymnastic exhibition, to be given at Metropolitan Hall tonight under the direction of Prof Horace F Smith, of the Richmond Y M C A. The entertainment is for the benefit of the Raleigh Y M C A. A large audience is anticipated. See program in another column. Prof Smith has his men well under control and no doubt this entertainment will be remembered some time in the future. The pyramid work on parallel bars and Roman ladders, is excellent—the effect wonderful. Prof Smith has had control of one of the largest gymnasiums in New York city, and our people should not lose this opportunity of seeing the finest athlete and all around gymnast in the U S. The musical part of the program is excellent. Don't miss this treat. Admission 25c. Reserved seats at King's drug store. Help the boys.

Officers.

The election of officers of the new Capital Cycle Club will take place tomorrow night. We hope the organization may be effective in all respects, and that Raleigh may be able to boast of the champion club of the State. We certainly have the material to make it so.
