VOL. XXIX.

RALEIGH, MONDAY, JULY 10, 1893.

NO. 65

CITY IN BRIEF.

The mayors court was barren of news today.

The storm yesterday afternoon interfered with the running of the electric cars.

We hear that considerable hail fell in the northern section of the county last evening.

The controller of the currency has decided to organize the Winston Bank at once.

Manager Heartt informs us that he has several entertainments booked for September.

How about another graded school building. There should be one in the western part of the city.

About 500 persons left on the Norfolk excursion this morning. There were 8 coaches all well loaded.

A meeting of the State Board of Pharmacy will be held in Greensboro on Tuesday, August 8th, at 9 o'clock a. m.

On July 24th the Winston Leaders will play the Raleigh Nationals a game of baseball at Athletic Park at 4 p. m.

Mrs Carr, wife of Gov Carr, and her two daughters are visiting Mrs Murray, on Greenville sound. They will remain for some time.

Regular meeting of Wm. G. Hill Lodge, No. 218, this evening at 1:15 o'clock sharp. Work in the second degree. All Masons in good standing invited.

The local ministers conference will meet at Trinity Park, Durham, July 20th to 23d. The annual address will be delivered by Dr B L Abernethy. Rev Levi Branson is secretary.

Messrs. Royal & Borden the champion furniture dealers East Martin street, opposite the Postal Telegraph Company, are offering splendid inducements. Give them a call.

Persons owning dogs should not fail to list them in accordance with law. The chief of police has an advertisement to which the notice of all parties concerned is called.

The docket for the September term of the Superior Court, so far made up, is not large. We suppose, however, there will be many returns yet from the justices of the peace.

We hope that all parties to whom circulars of equity have been addressed by the commissioner of labor statistics will answer promptly. It is absolutely necessary to the proper make up of his report.

We are glad to hear the Confederate monument fund is steadily growing. The president has received most encouraging reports in past week—and returns thanks for a check from Mrs M T Scott of Onslow county.

The Rosenthal Clothing Co. has again come to the front today in a most inviting announcement. Just think of prices being reduced one half. Remember Dave is determined to meet the public wants. Call at once.

The lightning yesterday afternoon played several pranks in this vicinity, but no material damage was done. As we can learn, a chimney of a house on the site of the old cotta hotel was struck and badly shattered. The telephone wires suffered some usual.

Don't forget in your rounds for furniture to call at the well known establishment of Messrs Thomas & Maxwell. This firm is fully up to the times in everything relating to their line of business. Call and see them on Exchange Place, south side of market.

Mr W. G. Thomas, of Louisburg, who for a long time was in the employ of Messrs Williams & Haywood in this city, has accepted a position with the McKimmon drug store, where he will be glad to see his many friends. He is a first class pharmacist and he will be welcomed back to the city.

At Last.

Friday night last at the meeting of the Board of Aldermen, the police committee, through its chairman, Alderman O R Lee, made a start in the direction of humanitarianism and secured an order to discontinue the use of that terrible nuisance, the station house. But whether that order will be observed or respected is to be seen. The following was submitted and adopted:

"WHEREAS, it is apparent to every member of this Board that there is danger of suits for damages being brought against the city if it continues the use of its present station house, particularly as the hot season is now upon us; and

"Whereas, the police committee is informed that Dr P E Bines, a reputable physician of Raleigh, has attributed the sickness of officer P O Hardie to the impure and poisonous air of the station house, which sickness assumed very nearly the symptoms of diphtheria; and

Whereas, we are informed Dr J W McGee, Sr, another reputable physician of Raleigh, has expressed himself to believe the station house was in part, and very largely so, the cause of the sickness of the late officer, I N Dupree; and

Whereas, we are informed Dr P E Hines advised Mr Miles Goodwin, late a turnkey in the station house to resign his position on account of its unhealthy and dangerous condition; and

Whereas, it is talked upon the streets that the friends and relations of the late officer, C H Lewellen, feel and believe that the unhealthy condition of the station house hastened his death; and

Whereas, Dr James McKee, superintendent of health, has pronounced the station house an unhealthy and dangerous nuisance which should at once be abated; and

Whereas, the general public is pronounced in its condemnation of this station house as a place of confinement of human beings;

Therefore, be it resolved, that the further use of the station house shall be suspended and the police committee is instructed and empowered to at once make arrangements with the keeper of the jail of Wake county for the proper detention of such city prisoners as are required to be kept in custody until said committee can secure another suitable station house.

It is to be hoped that Alderman Lee will proceed promptly to carry out the board's instructions to his committee and not allow this very humane and long looked for action to lie dormant or die upon the paper on which it was written.

Bank Doors Closed.

The banks of the city had closed doors yesterday. It being Sunday, but today they are open as usual, and so are we. They are well supplied with funds and we are well supplied with goods. This morning we placed on sale a large line gents half hose, seamless, at 6c per pair; a large lot ribbon from 1 inch to 8 inches wide, at 8c per yard. This is the greatest bargain ever placed before the people. Some of this ribbon is fall silk. A nice line of summer weight coats and vests that we will sell at cost and millinery at cost. In fact, we have marked the entire stock to suit the times and made our store a money saving place for you. D T Swindell.
