VOL. XXIX.

RALEIGH, WEDNESDAY, JULY 19, 1893.

NO. 73

## CITY IN BRIEF.

Miss Laura White has returned from a trip to New Berne.

The north bound fast train was again an hour behind this morning.

We are glad to see Mr A Dughi well enough to be at his place of business.

Rev Dr Yates, of Durham, is spending his summer vacation in Wilmington.

Miss Nola Uzzell is spending a few days in the country with Miss Mary Yaney.

Mr A Dughi filled an order for ice cream, &c, for a reception at Morehead City tonight.

Mrs Rosa Mills and Master Jimmie Mills, of Durham, are in the city visiting relatives and friends.

We are informed by Mr A L Ferrell city health officer, that scarlet fever exists in only one family in the city.

Give us a report on the station house, gentlemen of the committee. The folks expect it. We will print it in short order.

Regular meeting Junior O U A M., tonight at 8:30 o'clock. Every member requested to be present. Business of importance to be transacted.

The "oldest inhabitant" fails to remember a time so early in the season, when there were so many water melons and canteloupes offered for sale as now.

Members of the Degree of Rebekah are requested to meet in their hall on Thursday, July 20th at 2 o'clock sharp. EMMA J WILLIAMS, Rec. Sec'y.

We have received a copy of "The Plaindealer," a monthly journal devoted to the interests of the wine, beer and liquor trade. It is an eight page journal, well gotten up.

It is very much in order now for everybody who knows anything about finances to come forward with their views. Congress will soon be upon us, and they will want all the advice they can get. "Rhamkatté" is full of it, so let it slide.

We hope by the fall the street car company may find it convenient to extend its line to the Union depot. It would be a great convenience to the public and we think a source of revenue to the company. Let us hope that the lines may receive such patronage this summer as to justify the extension.

## Arrested.

Yesterday afternoon Sheriff Page arrested in Swift Creek township a young man named Henry Macon who recently made his escape from jail in Fayetteville. He was brought to this city and incarcerated in jail awaiting the arrival of officers from Cumberland county, who were expected to day. Mr Macon was a former Raleigh boy and his friends are much mortified at his misfortune.

## The Weather.

For North Carolina: Local showers followed by fair Thursday slightly cooler Thursday a.m.

Local forecast for Raleigh and vicinity

On Thursday: Cloudy cooler weather, north to northeast winds, occasional light sprinkles.

Local data for 24 hours ending at 8 a.m. today:

Maximum temperature, 94 minimum temperature 72; rainfall Trace.

## Death of Mrs. Pittinger.

A telegram was received this morning conveying the sad intelligence of the death of Mrs I McK Pittinger, wife of the rector of the Church of the Good Shepherd. This sad news will be received with the deepest sorrow by the many friends in this city to whom she had endeared herself by her many estimable qualities. The funeral services will be held at Glen Cove, Long Island at five p.m. tomorrow—at which hour services will also be held in the Church of the Good Shepherd. A meeting of the vestry will be held at conclusion of the services.

**Directors.**  
Messrs N Y Gulley, H O Kearney, J A Thomas, B W Ballard and John H Williamson have been appointed as directors of the new state normal school at Franklinton.

**Crop Reports.**  
The reports of correspondents of the weekly crop bulletin for the week ending Monday, 17th inst, show that the weather has been very warm and dry, and in many cases drought prevails. The rainfall has been badly distributed and nowhere to the normal of 1.38 inches.

**Not True.**  
A rumor has gained circulation that scarlet fever prevails in the neighborhood of Brookside Park. We are authorized, after diligent enquiry, to state that there is no foundation whatever in the report. There is not only no scarlet fever in the vicinity, but no unusual sickness. This can be relied upon.

The Berkley News says: Mr W M Brown, who has been visiting relatives here for several days, left Saturday for his home in Raleigh, N C. His wife will remain several weeks and is now visiting her sister, Mrs Culpepper, at Deep Creek, Norfolk county.

**Dress Goods.**  
We keep all the new things to be had in ladies dress goods, both foreign and American productions. And as we buy these goods direct from importers and pay cash for all goods, we get them at the lowest possible price, and we endeavor to sell to our customers at a smaller price than any other house in the dry goods business.
