LARGE CITY CIRCULATION

RALEIGH, JULY 28, 1893

TELEGRAPHIC BREVITIES.

Ticknor & Co, publishers, Boston have made an assignment.

The Deer Creek cotton mills and the belting factory, of Henry Pearce Sons & Co, shut down indefinitely yesterday.

Wm G Taylor was electrocuted at 12:45 p. m., for the murder of Solomon Johnson in Auburn prison September 20, 1893, on yesterday and failed of success.

Chief Justice Fuller yesterday decided the case of the World's Columbian Exposition against the United States of America, which leaves the opening of the fair on Sundays as at first unsettled.

TO THE SUNDAY SCHOOL WORKERS OF NORTH CAROLINA.

The twelfth annual convention of the North Carolina State Sunday School Association will be held in Greensboro, August 29d, 30d and 24th, next.

The convention will be attended by Mr William Reynolds, superintendent of the International Sunday School Association and by the most prominent and experienced Sunday School workers of the State.

The representation will consist of ten delegates from each county, except Guilford, which is unlimited. Delegates will be provided with free entertainment by the citizens of Greensboro. The railroad fares will be equal to full fare going and one third fare returning. Tickets for the round trip will be obtainable from all depot agents.

The program will be published as soon as completed. The local committee, on behalf of the people of Greensboro, extend a hearty invitation to the convention and will cordially welcome its delegates to their homes.

At this convention delegates will be elected to the World's and International conventions to be held in St Louis, Aug 30 Sept. 6. Arrangements are being made to carry the delegates so elected in a Pullman car, as excursions to St Louis and the World's Fair at Chicago and return, for not over \$30 for the round trip.

All counties which have not held conventions during the year are earnestly requested and urged to take immediate action and hold conventions before the State convention. It is especially desired that counties, at present unorganized, should hold conventions and elect delegates to the State convention. A representation from every county in the State is greatly desired.

We appeal to the ministers, superintendents and every lover of the Sunday School cause throughout the State to bestir themselves and see that county conventions are held in counties where none have been held during the year.

Let delegates who expect to attend the convention, notify E P Wharton, Greensboro, chairman of committee on entertainment.

A profitable and pleasant time may be expected. Let no county fail to be represented.

By order of the executive committee.

GEO. W. WATTS, Chairman.  
H. N. SNOW, Secretary.

It seems a little strange that every time a wealthy man is carried into court charged with wronging a poor girl the cry of blackmail should be raised and stranger that it should be so generally accepted.

Kaiser Billy, if asked to declare, if into Siam the creter should go, Whether he would tackle the Russian bear? Would probably say: "danfloo"

McGinty is on deck again. Instead of tumbling overboard and going to the bottom of the sea, he stood on the deck—it wasn't burning, either—and by the judicious use of rope rescued two out of three drunken men who had tumbled overboard Hurrah for McGinty in his new role!

"Old Dad Gray," who died in New York the other day and who is to have engraved on his tombstone, "He never had an enemy," should be read about and his career studied by some of the young chaps who think it an evidence of sense to make enemies.

The gentlemen who are figuring on what a good thing it is to have a lot of manuf.ories shut down for a few weeks or months seem to forget the poor devils left without employment; it isn't a good thing for them.

Why not send a few baseball players over to Nicaragua and put an end to the revolutions for good and all?

The fact should not be lost sight of that more swimmers than non swimmers are drowned, and it's about the same in politics as in the water.

A justice of the peace in Sandersville, Ga., being called upon to perform a marriage ceremony, is accused of concluding with: "By the authority vested in me as an officer of the State of Georgia, which is sometimes called the Empire State of the South; by the fields of cotton that lie spread out on snowy whiteness around us; by the howl of the coon dog, and the gourd vine, whose clinging tendrils will shade the entrance to your humble dwelling place; by the red and lucious heart of the watermelon, whose sweetness fills the heart with joy; by the heavens and earth, in the presence of these witnesses, I pronounce you man and wife."

NO EXPENSES FOR NAVAL OFFICERS.

The Navy Department has followed the lead of the War Department in declining to allow mileage and expenses to naval officers who will attend the Engineering Congress at the World's Fair. The officers think this is a hardship on those officers who are not only to read professional papers, but are under engagement to look out for the comfort of distinguished foreign guests and are identified with the congress itself.

BURGLARS AND CIRCUS COINCIDENT.

There seems to be a fatality to banks at Sag Harbor, L. I., in the visit of a certain circus. Two years ago the Peconic State Bank was robbed of several thousand dollars while the president and cashier were watching the parade. The circus was there yesterday and last night the banking house of George Kiernan was entered by burglars. The safe was blown open and the contents stolen.

THROTTLED BY A VANISHED SNAKE.

George Fraleigh, of Danbury, Conn, while haying in Brookfield last week, lifted a forkful of hay to place it on the load, when he fell to the ground. A black snake was coiled about his neck. The serpent, which was killed by the haymakers, did not bite Fraleigh, but it left a black mark. Fraleigh was disabled. Each morning since, at the hour corresponding to that at which the snake wound itself around Fraleigh's neck, he has been seized by choking spasms and fits of strangulation, and is growing weaker every day. The case is being watched by local physicians, whose efforts to allay his sufferings have thus far proved futile. The snake measured 4 feet 8 inches.

## Fortune-Teller. Clairvoyant.

Now is the time—don't delay—to consult the greatest living Clairvoyant on earth. To be forewarned is to be forearmed. Come and know thy destiny at once. Remain no longer in darkness, but seek the light of knowledge, and learn what the mysterious future holds for you.

The fact that the lady is the only Clairvoyant in the State that can assist the troubled, bring happiness to the unhappy, and give help in all misfortune and trouble, either by personal interview or by letter, is only too well known by the crowds that come daily to see her from near and afar. Her mysterious powers have convinced the most skeptical that she perfectly understands the science of all the workings of love and lucky charms, which will overcome your enemies, remove all family trouble and unhappiness; brings the separated together—never fails to restore lost affections; brings speed, as if happy marriages—finds you love; removes all diseases; breaks up all bad habits, spell, conjuring, and gives luck and happiness to last a life time. She will give correct information on law suits, the most honest friends, and never failing advice to young people on love, courtship and marriage, and how to choose a partner for happiness. The business you will succeed and make money at. Gives initials of present and future wife or husband. Thousands have been made happy by her never failing help, and advice to those that have been crushed down by misfortune and unhappiness. Reader, if you have been deceived by the many cheap and unscrupulous pretenders found in every city, judge not all alike, for your own conscience tells you there is a way to overcome all evils, just the same as there is medicine for all diseases. All who are in trouble, whose fond hopes and ambitions have been blasted, who have been deceived and disappointed by false predictions of others, before giving up are invited to consult this true lady; she guarantees perfect satisfaction. Call and be convinced of the above true statements. Fee, 50c and \$1.00.

Those who cannot call on me can have their life written in full from cradle to grave by sending \$3.00, correct name, month and year of birth, sex, color of eyes and hair. Any other information cheerfully answered on receipt of stamped envelope.
