VOL. XXIX.

RALEIGH, MONDAY, JULY 31. 1893.

NO. 83

## CITY IN BRIEF.

Mr. W. S. Primrose is sick at home.  
Mr. John C. Drewry has returned from Blowing Rock.

Mrs. Katie Horton is quite sick at her home on west Franklin street.  
The infant son of Mr. and Mrs. J. G. Brown is quite sick on Hillsboro St.

Colonel J. M. Heck is indisposed and is confined at home by sickness.

Rev. Dr. J. B. Bobbitt, wife and son have returned home from Mt. Airy.

Rev. J. J. Barker preached a fine sermon at Central M. E. Church yesterday morning.

Litchford Encampment, No. 1. O. O. F. meets to night. The members are requested to be present.

Miss Alma Williams, daughter of Train Master W. F. Williams, is in the city, visiting Misses Ellis, 218 East Morgan street.

Rev. G. H. Crowell, of Franklinton, preached two excellent sermons yesterday and at night at the Methodist churches of this city.

Farmers from the country say the crops in some sections of the county were badly injured by the storm last Wednesday afternoon.

Mr. W. G. Thomas has returned from Louisa and will be with McKimmon & Co., and will be glad to see his many friends and have them give him a call.

Rev. Dr. J. J. Hall preached his farewell sermon yesterday morning at 11 o'clock, a. m., at the Baptist Tabernacle to a very large congregation, the church being fairly packed.

Col. F. M. Ironmonger, of New York, General Agent of the Piedmont and Seaboard Air Line, was in the city yesterday, and gladly welcomed by his many friends. The Colonel is an old resident of Raleigh and is well remembered by the old timers.

A colored man was run over and killed by a Seaboard Air Line train, near Sanford, yesterday morning. He was literally ground to pieces. It is said that parts of his flesh and bones were strewn along the track for a hundred yards or more. We could not learn his name.

Messrs Maxwell & Thomas is the place to buy furniture. They keep a first class stock of furniture, and they cannot be undersold in low prices. Anything that a family needs can be had from them, from a nice clock up to a magnificent set of furniture. Call and examine their stock and you will be sure to buy something.

Governor Carr has granted an exchange of courts between Judges Hoke and Connor of the 7th district by which Judge Hoke will hold the fall term of Anson and Brunswick courts, beginning September the 4th and Judge Connor will hold the fall term of Martin court, beginning Sep. 4th.

Attention is called to the advertisement of the Rosenthal Clothing Co., in today's issue. The many inducements they offer in the reduction of clothing should be a guarantee that you may get cheap clothing and good bargains by calling on them. Friend "Dave" is there and will show you around with a great deal of pleasure.

## A Good Example.

Last Saturday afternoon John Pegram, who lives beyond the asylum, was arrested by Deputy Sheriff Walters upon a warrant issued by Justice Roberts. The Columbian Cycle was found in his possession and was turned over to the owner. Mr. J. W. Cuffman will receive the reward. This is good work on the part of the sheriff's forces.

## Judicious Advertising.

Creates many a new business.  
Enlarges many an old business.  
Revives many a dull business.  
Rescues many a lost business.  
Saves many a failing business.  
Preserves many a large business.  
Secures success in anything.

## The Teachers' World's Fair Train.

The handsomest vestibule train ever in the state is now at the union depot, having arrived via Richmond & Danville Railroad yesterday morning expressly for Col. Harrell's large party of teachers and their friends who will visit the world's fair. The train is one of the peerless "F. V. S." from the Chesapeake and Ohio Railroad. The cars are very long and roomy with elegant upholstery. They are painted light canary color and are lighted by incandescent electric lights, the motor power being supplied by the locomotive. Each car is furnished with every possible convenience throughout, and while they seat sixty persons the railroad officials have ordered that enough cars be used to require not more than thirty persons to each car in order that there shall be no crowding or discomfort to the party. The train will run through to Chicago and stop within two blocks of the Alhambra Hotel, and at 10 o'clock a. m., on August 10th the train will be at the same station to bring the teachers home. No party in this country has ever traveled in such first class style of elegance and independence as will this party of teachers. The train will make only three stops in North Carolina—Durham, Greensboro, and Reidsville—these being assembling points for members of the party. Several hundred people went to the depot yesterday to see this magnificent train. It will make an average of forty miles an hour between Raleigh and Chicago being only one night out each way.

The mail train going down to Goldsboro this evening broke down and had to send back for an engine before they could get away. The cylinder broke square off.

## Special Notice.

The Mechanics' and Investors' Union of Raleigh, which is a building and loan savings bank, paying a liberal interest or profit to its members, desires to extend its business and to induce ladies to become stockholders. During the past few weeks over thirty thousand dollars of stock has been sold to the business men of Raleigh. A payment of \$3.35 per month (about ten cents per day) will pay for \$500 stock, which will mature and be payable in about eight years.

It only requires small economy to enable any person to own a few shares of this stock and obtain in a short time the money with which to carry out some cherished scheme.

During the next sixty days the company will donate to the King's Daughters of Raleigh one half of the entrance fees of all members who send this notice with their application and fee to the secretary.

For further information apply to George Allen, secretary at office of the company, 107 Fayetteville street, or if notified to do so he will call at your residence or place of business.
