We hope that the interest in the Columbian exposition will not operate to put a quietus on our energies for a first class state fair. There are many of our people of course who cannot go to the big fair but would like to take in our home show. Let us boom up the fair.

Refrigerated Watermelons.
Watermelons are very abundant and cheap but most of them inferior in quality, but we can now offer, at moderate prices, the famous Florida Grays, blood red, sugar sweet and ice cold at the Crystal Ice factory, Jones & Powell.
Terrible Calamity.
A terrible calamity has befallen the people of this country in a financial way. Large business houses have failed, banks have closed, some one has lost money, but it may be that some one will make some out of it. The failure of large dry goods houses has thrown on the market the largest lot of goods at the lowest prices ever before seen in this country.
Our buyer with the ready cash has gone to New York and will take advantage of these sales, and he will make his trip prove profitable to every one who visits our store this fall.
With unusual good crops and goods at about one half former price, the cry of hard times will be stopped and happiness will reign supreme. Swindell.
Stone ware that will not leak, fruit jars and jelly glasses at lowest cash prices at Hughes'. an2 3t
Mr C. Weikel has returned from the north with a select stock of goods which he will make known in a few days in a regular advertisement. Look out for the advertisement. au3 4t
Scarcity of Money.
Owing to the above several large houses north have failed and thrown on the market large quantities of goods at about one half price, and in many cases much less than half. We received a telegram yesterday from our New York agent stating that there would be the greatest sale this week in New York that ever occurred in this country at prices below half value. In answer to this telegram our buyer left this morning for New York to be present at this sale, and what he does will be of interest to all. Swindell.
To Make Room.
In order to make room for the stock that our buyer has now gone north for, we have instructed each salesman to sell everything in the store at about cost. Swindell.
The Largest.
We will handle the largest stock of goods this fall ever placed on this market. We have joined a syndicate and will open stores in Knoxville, Tenn., and some point in Virginia, and will handle goods in large quantities and direct from the factories, and in this way give the people goods at much less than they can possibly buy them from other retail houses. Swindell.
