

The Daily Evening Visitor.

VOL. XXIX.

RALEIGH, THURSDAY, AUGUST 10, 1893.

NO. 92

Crop Reports.

The report of the agricultural bureau for the week ending August 7th, reports that much needed rains have fallen in all sections of the state. The prospects of cotton have very materially improved in every respect. Very little rust is reported in any part of the state.

Re-Union.

A reunion of members of the 27th N C Regiment took place last Friday at La Grange. It was attended by hundreds of people from the surrounding counties. There were 55 of the surviving members present all of whom enjoyed themselves. A barbecue was furnished by the citizens of La Grange.

The Weather.

Local forecast for Raleigh and vicinity.

On Friday: Threatening weather with thunderstorms and rain in afternoon. Thunderstorms also probable Saturday.

Local data for 24 hours ending at 8 a. m. today:

Maximum temperature, 84; minimum temperature 64; rainfall 0.0.

Arrested.

An application was recently made before the United States Supreme Court at Greenville, S. C., for a writ of habeas corpus to the sheriff of Edgefield county for the production of an agent of the Richmond & Danville Railroad arrested for violating the dispensary law. The claim is made that the agent was arrested while engaged in interstate commerce and under protection of that law. This will bring the question squarely before the United States Court.

The Druggists.

The pharmaceutical convention in Greensboro, was opened yesterday by an address from Mr A M Scales, which was responded to in a most happy style by Mr J Hal Bobbitt, of Raleigh. Eleven new members were received into the association. The report of the president and treasurer were read and proved highly satisfactory. President Winston, of the State University, delivered an address on the subject of establishing a chair of pharmacy at the institution. The banquet at the Benbow house last night was well attended and highly enjoyed.

Our University.

It is refreshing in these times of pecuniary difficulties to note that the cause of education is not languishing. Our University has promise of a most important increase at the coming session, which proves that the tightness of the money market does not materially impair all efforts for education. Since the vacation set in some most important improvements have been made on the premises, and applications from many of the other States of the Union are being made. In a word, the outlook for the University was never better.

Election.

The State Grand Lodge, Knights of Honor, met at Statesville last week. The following officers were elected: C M Brown, Washington, dictator; N Jacobi, Wilmington, assistant dictator; Rev W H Call, Washington, grand chaplain; K R Jones, Newbern, grand guide; S C Schofield, Davidson College, grand treasurer; P C Carlton, Statesville, grand reporter; F Boyette, Clinton, grand sentinel.

Special Notice.

The Mechanics' and Investors' Union of Raleigh, which is a building and loan savings bank, paying a liberal interest or profit to its members, desires to extend its business and to induce ladies to become stockholders. During the past few weeks over thirty thousand dollars of stock has been sold to the business men of Raleigh. A payment of \$3.35 per month (about ten cents per day) will pay for \$500 stock, which will mature and be payable in about eight years. It only requires small economy to enable any person to own a few shares of this stock and obtain in a short time the money with which to carry out some cherished scheme.

During the next sixty days the company will donate to the King's Daughters of Raleigh one half of the entrance fees of all members who send this notice with their application and fee to the secretary.

For further information apply to George Allen secretary at office of the company, 107 Fayetteville street, or if notified to do so he will call at your residence or place of business.
