VOL. XXIX.

RALEIGH, SATURDAY, AUGUST 19, 1893.

NO. 99

CITY IN BRIEF.

Locals Picked Up Here and There and Boiled Down.

The weather continues sultry.

Judge Spler Whitaker has returned home.

Mr John M Rosa, of Fayetteville, is in the city.

The usual crowd of country people are in the city today.

The finest lot of horses ever seen in Raleigh will be here next week.

The Atlantic hotel at Morehead will close for the season in a day or so.

It is said that Nero fiddled while Rome was on fire. What is Congress doing?

Dr W H Bobbitt has returned to the city from a visit to Connolly Springs.

The scuppernong grape will be next in order. The crop is said to be very abundant.

It is reported here today that all the tobacco factories in Durham have shut down.

Messrs James McKimmon & Co, make an announcement in this issue. Read it carefully.

Several families are expected to return home from the different summer resorts next week.

Notwithstanding the pressure in money affairs, many new enterprises are starting in the state.

Large quantities of watermelons and canteloupes still come to market. Prices are a little advanced.

The opening of the Academy of Music and the races will give us a grand gala time next week.

The Charlotte Encampment closed today. It has been a success as there was quite a large attendance.

The scenery at the Academy of Music is being rapidly put in position. All new, bright and beautiful.

Rev Dr Carter being absent Rev Dr Thos E Skinner will fill the pulpit at the First Baptist church tomorrow.

It is now said that the Senate finance committee has agreed to the unconditional repeal of the Sherman act.

Mayor Badger has gained over eight pounds by his trip. He looks rosy and healthy as all good feeders should.

James H Jones, one of our colored citizens who has been engaged at the Atlantic hotel in Morehead, has returned to the city.

Some splendid companies are booked for the coming season. Raleigh will not be without entertainments, although the times are hard.

We expect that several new advertisements of our prominent business men will grace our columns in a few days. They realize the benefit of it.

The historic old town of Fayetteville will put on its best appearance next week. The hospitality of its people is proverbial and all who attend will have a grand time.

The Winston Sentinel says there is to be a new cigarette company formed composing some ninety manufacturers with the modest capital of \$100,000.00. The object is to freeze out the American Tobacco Company.

Work continues on the capitol square and the place is daily being made more attractive. It is a pity that the appropriation is not sufficient to make this lovely park what it should be. The old arsenal building is, however, ought to be removed. It is a complete eyesore.

The Southern Red and Brownstone Co of Sanford, have been given the contract for furnishing stone for the building of the Warden Manufacturing Co, of Philadelphia. The contract is for \$9,000,000. and \$20,000 for stone trimmings alone. This is a high compliment to our state.

Send in your applications for space at the fair grounds.

The Person County Courier has entered upon its tenth volume.

The nights are now lovely and a ride on the street cars is the correct thing

Clean up the back lots. This is a dangerous season to have filth around the premises.

We are going to have a "Midland Palsance" at our State Fair and a pretty one too.

The large number of excursions in different sections is remarkable in view of the stringency of the times.

President Holloday, of the Agricultural and Mechanical College, has returned from his vacation much improved.

There will be some nice little ponies at the horse show which will please the children. Remember that children under eight years old will be admitted free.

A merchant today informed us that notwithstanding the money pressure, he found trade about as good as usual in the month of August, it being between the two seasons.

VERSE TWO.

The second verse we are unable to proceed with for two reasons.
