Endowments Investment.

One of the best presents that you can make your child for Christmas, New Year or Birthday, is an eight year endowment certificate in the Mechanics' and Investors' Union of Raleigh.

A certificate for \$500 with insurance benefit will cost only eleven cents per day. It can be issued to either parent as trustee, and should death occur to the trustee, no further payment is required.

A Savings Bank certificate of this kind, with monthly payments, is one of the best financial educators for a child, and it can be made to provide the means for a college education. Try it. For further particulars address George Allen, secretary, Raleigh, N. C.

Everything in short ends to be found in a dry goods store can be seen on our remnant counter, and this is the place for ladies to secure genuine bargains. To sell this lot of remnants out quickly we have made the price on them way below original cost. A few moments spent at this counter and a very small amount of money will prove profitable to you. **D T Swindell.**

Telegraph News.

We received a telegram today from our toy factory, located at Patterson, New Jersey, stating that a part of the goods would be ready for shipment next week. The people of Raleigh and surrounding country have seen a so-called stock of toys, but nothing has ever been shown in the toy line that will at all compare with the mammoth stock we will have this season. In quality, quantity and variety it will cause every one to look on in wonder; in moderation of price we are sure it will cause every one to buy with lightning-like rapidity. **D T Swindell.**
