Are you interested in Low Prices?

THE GRANDEST OPPORTUNITY AWAITS YOU.

Tremendous MARK DOWN on Certain Lines.

Our Prices Gladdens the Hearts of Economic Buyers.

Our Fall and Winter stock was never better. Sales larger or values of such intrinsic worth as now. Our advertisements are as good as treasury notes for our promises. Purchases are equal to a savings bank deposit. Unreliable goods never find a place on our counters. Money refunded at any time if so desired. With these facts before you what are you going to do about it?

WHO EVER BUY

\$25 Seal Plush Capes for \$9.75?
\$22 Columbia Coats for \$8.75?
\$20 Worth Jackets for \$7.61?

We answer, nobody does this.

WHO EVER SOLD

Burt & Packard's \$5 shoes \$2.98?
Blacker, Gerstle & Co. \$3.50 Kid Boots for \$1.81?
Harris' \$2 Wool Cassimeres for 73c?

We answer, nobody does this, yet many adopt this style of advertising. It is a statement.

The fact that an article is reduced in price is self-evident that it is not worth any more. A straight tin, square deal and honest treatment satisfies all.

Our prices, stock through and through, are lower than others. Think a moment, compare expenses, figure a little, the advantage you readily see is ours. We have the nerve to mark low. Nothing pleases the people so well, gains their confidence or holds their trade as the foundation principles upon which we rest our claim for public patronage.
