RALEIGH, WEDNESDAY, FEBRUARY 14, 1894.

NO. 95

## CITY IN BRIEF.

Locals Piled Up Here and There and Boiled Down.

Mr A G Blanchard, of Varina, is in the city.

A E White, of Lumerton, is stopping at the Central Hotel.

Turnip salad in abundance on the market today at ten cents a peck.

It is said Raleigh will know her new postmaster before many days.

The cold wave has reached us and brought with it both hail and snow.

The health of ex Gov T M Holt, who is now in Florida is said to be most excellent.

Wm L Marshall, of Wadesboro, has been appointed a notary public by the governor.

Sheriff J M Spell, of Sampson county, has settled in full with the state treasurer—\$5,799 10.

Miss Maggie Bunn, of this city, left today to visit her uncle, in the western part of the State.

The prettiest valentine of the season, little Ethel Lyon with golden curls. She is just seven years old today.

The dirt from the large hole on Fayetteville street is fast disappearing and the erection of the building will soon commence.

Mr Frank Gilroy from Mr J S Carr's farm near Hillsboro, N C., is in the city with a fine lot of horses which were in the parade today.

Secretary of State Coke will in about two weeks publish the annual report of the insurance companies doing business in North Carolina.

Mr Will's Sorrell, of Cary Township, aged 73 years committed suicide yesterday morning at 9 o'clock by shooting himself in the head with a pistol.

An alarm of fire was turned in last evening about 6 o'clock, but turned out to be nothing, as is usual the case in Raleigh, as our fire department are always on hand in time to prevent a fire.

It is now known that we will have the Baptist Female University. We learn that the school will be opened next September in the Adams and Pullen buildings. To make sure of this the citizens of Raleigh have promised to raise \$25,000.

## Will Simmons be Confirmed.

The Washington correspondent of the Charlotte Observer says: Collector Simmons is here. His confirmation was not considered by the finance committee today. Reports emanating from here, purporting to give precise division on the Simmons matter of the committee, are probably without foundation. Whether Mr Simmons receives a majority or not, a future event not yet clear enough to speculate intelligently about, it is pretty certain that he will have a majority of democrats in the senate and perhaps some republicans. If the republicans and populists all vote against him he will not be confirmed.

## Spring Time.

Has winter left us? You would think so if you could have seen the fine tender lettuce Mr O O McDonald has been selling for the past two weeks. It is elegant and the very thing you have been longing for. Call on him as he wants to dispose of all he has by Saturday. He will have some on sale at Mr Long's stall in the market Saturday morning; if you want any before then send to his residence, 408 Oakwood avenue. He will interest you in his "Hobby" "Tomatoe and Tomato Plants" in an ad which you will find in our columns in a few days. Watch for it.

## Sick in Philadelphia.

Mrs Heck, widow of the late Col J M Heck, was unable to attend the funeral, but is at Philadelphia with two of her daughters, Misses Fannie and Susie, who are quite sick.

## Appointments.

Mr John C Scarborough, State Superintendent of Public Instruction, has made the following appointments for public speeches in the interest of public education: Four miles from Smithfield, Feb 24; at Aulander, April 12; at Republican church, Bertie county, on the morning of April 13, and at Windsor in the evening; at Ross church, Bertie county, April 14; at Salem, Forsyth county, April 28.

There will be a public auction of household and kitchen furniture at Mr Daniel Hortons on Franklin street tomorrow at 1 o'clock.

## Reynold's Shoes.

The celebrated Reynold's shoes that we have been handling for a number of years and which has given such entire satisfaction, will be included in the lot of shoes from the Durham Supply Co's stock we are selling at cost. Remember, every pair of Reynold's shoes now in stock will be offered at wholesale cost.

They are all now, fresh and clean stock, bought undervalued, in which our customers may share the advantages. These on a special table.

## Notice.

I have sold out my new saloon, No 75 Exchange Place, better known as the Mark's stand, to Nick DeBoy, Jr, but you will find me at old reliable No 11 Exchange Place, where I have been for the past six years, and where you can find the best and purest liquors in the city. I carry a full line of liquors, wines, champagnes, both imported and domestic. Also a nice line of imported and domestic cigars. Thanking you for past favors and asking for a continuance of the same I am respectfully,

JOHN U. SMITH,

No 11, Exchange Place.

## At Right Prices.

I am positive you would not waste money if you knew it. You would not pay two dollars for something you could buy for one dollar by stepping in next door. Hence, if you really knew how far a dollar would go at Swindell's store now while the Durham Supply Co's stock is being sold there, we are positive you would never go anywhere else. If you get money these days you work for it. And a little thought will save you many dollars. Forty eight thousand dollars worth of dry goods, clothing and shoes at wholesale cost.
