RALEIGH, FRIDAY, FEBRUARY 16, 1894.

NO. 97

CITY IN BRIEF.

Locals Piled Up Here and There and Boiled Down.

Drummers with spring samples are getting numerous.

See notice of sale of valuable house and lot by B F Montague, Mortgagee.

See notice of Mrs Guy, Hairdresser in this issue.

The attendance at the New Berns fair will beat the record.

Are we to have the best of winter in early spring?

There was a dearth of news at the capitol today.

Last night was a cold one and no mistake.

The cold spell has operated as a decided boom to the oyster business.

The increased length of the days is now observed very perceptibly.

Reports from a reliable source are to the effect that Collector Simmons will be confirmed.

The cold spell will have one good effect. It will check the budding of the fruit trees.

The Supreme court is fast progressing on appeals from the second district.

Samuel E Westray, one of the wealthiest men in Edgecombe county, died at his residence last Wednesday.

With good butter at 15 to 20c and eggs at 10c from the carts, the average family ought to be contented.

Easter Sunday this year occurs on the 25th of March. Only three have been earlier during the nineteenth century.

Ruth Lodge D of R, will hold their regular meeting in Odd Fellows hall tonight at 8 o'clock. Every member requested to be on hand.

The cold snap has checked the visits of our country friends somewhat. There was very little cotton brought to market today.

The Lyon Racket Store announces that it is still in the lead. Read the advertisement and it will explain what this means.

There is a case or two of scarlet fever reported at Cary, but, as the greatest precaution is being taken there seems to be no danger of its spread.

The docket for the coming civil term of the Superior Court is not a very large one. Many cases of long standing were disposed of by referees & some years since.

About sixty convicts were sent from the penitentiary to the Roanoke farms today. This will leave about eighty only in the prison and one thousand on the farms.

It is said that the first present a young bridegroom gave his wife, was an alarm clock, so that she should wake in time to cook breakfast.

The prospect of a regeneration of the electric street railway is received with delight by all of our progressive citizens. It will go very far towards rescuing the city from the inactive appearance of the past three months.

We hear that the contemplated purchasers of the Electric Street Railway franchise, propose to make the system much more extensive than heretofore. The want of this, in our opinion, is the main difficulty that has existed heretofore. A generous outlay will bring its proper reward to the stockholders as well as convenience to the public.

We notice several students of the Winston graded schools were expelled for attending the hanging of the murderer DeGraff. It is true that such spectacles are unfit for the youthful mind, but at the same time the county commissioners should come in for a full share of blame in allowing such scenes to be made public. We hope never to see them carried out in any like county.

Personal Mention.

A H Galloway has been nominated as postmaster at Reidsville.

Col Julian S Carr is to deliver the memorial address at Wilmington on the 10th of May.

Mr W Dallas Haywood, who has been very sick, is much improved.

There is still a gradual improvement in the condition of Hon Edwin G Reade.

Reports today are to the effect that Mr A F Page is no better. Serious results are feared.

Mr Richard Sewell, who has been quite sick, is out again.

Dr Lodge is confined to his bed and not able to be out on the streets, as was reported yesterday.

The Horse Sale a Success.

Capt Williamson says it was the most satisfactory sale he has made. That speaks well for Auctioneer Thomason.

Mrs Guy who is stopping at Mrs Evans, No 114 North McDowell street, has a complete line of hair goods, such as switches of first quality of hair and of the different shades, waves and bangs all of which are of natural curls.
