An Elevated Train Coach Plunges to Street, Killing Several Persons MOANS AND CRIES OF INJURED FILL THE AIR

Elevated Train on Ninth Avenue, New York City, Runs Into Open Switch --- One Car Falls Into Street, Killing Many.

(By the Associated Press.) New York, Sept. 11.-Eight persons were killed and more than 20 injured by the derailment of an ele- the motorman. vated train at Fifty-third street and Ninth avenue. The train was a New York, Sept. 11 .- 3:30 P. M. south-bound Ninth avenue local and The corrected list of dead is as folthis open switch the first car of the Ninth avenue train took the switch,

The switchman, it is alloged, when he saw his blunder, turned the switch back again as if to send the switch back again as it to be down train on the straight track down Ninth avenue. As soon as this was The Death Under Wheels of His and car got around the turn, but

its was not banked and to be taken slowly first car of the train made the The first car of the train made the inverse is safety, but the second left like tails at the curve and the weight of the train behind fill ewing if around and for and, while still on the storghed structure, then it rolled over bashest up and plunged through the filmer guard ralling and dropped and first into the street. As it went, There to Best Tin Pass, Scecaminto the street some of the passes-pers jumped from plaiforms and win-dows, either into the slevaled structure or haip the street. Some saved their lives in that fashion, but others wree killed by their own fall to the pavement. Then the trucks of the pavement. Then the trocks of the car behind fail upon the aiready wrecked car and helped to crush its imprisoned passengers to death. More than fifty persons who were in the second car were hurled to a heap into the lower end of it where many of them were kiled. One of those badly hurt was a thief who attempted to rob one of the victims. The policeman who caught him was too busy too arrest him, but left him

unable to get away. Switchman Charles A. Jackinson and five members of the train crew were arrested but motorman Paul Kelly disappeared. The switchman stoutly ascated by the train signals. He blamed are very patient in such cases, but patience has ceased to be a virtue.

Official List of Dead.

SUICIDED AFTER SHOOTshould have continued on the lows: Jacob M. Auspaugh, a mershould have continued on the chant and member of the Newark straight track, instead of being Board of Trade; Ernest P. Schelble, switched to the curve by which the electrician: Theodore Morris, col-sisth avenue trains proceed on Fifty-ored; John Corcoran, Solomon Neuthird street from Ninth avenue to gus, employed by the Mutual Chemi-Sixth avenue. The Sixth avenue cal Company; Cornelius McCarthy, a cause his 16-year-old sweetheart pertrain had just passed and the switch to the curve was open. Owing to er, and an unidentified woman. Protests His Innocence.

Cornellus A. Jackinson, the switchjust barely staying on the ralls, and man, biamed for causing the disaster, turned into Fifty-third atreet, in- was arrested at his home later. He stead of going down Ninth avenue. maintained that he had set the switch right.

# UNUSUALLY LARGE NUMBER OF DEATHS

Yellow Fever Report for Sunday Was a Very Unfavorable One, But the Situation in the Country Districts is Much-Improved.

(By the Associated Press.) New Orleans, L&, Sept. 11 -- Lack of faith on the part of some of the ent from every State in the Union, authorities in the mosquito, as the and Great Inchonee Cherry, of Nor- only transmitter of yellow fever, is folk. Va., in the chair. Reports show | given as one of the causes of the row, a total memberchip of 382,121 and which has resulted in Dr. Tichenor's withdrawal from Tallulah, whither he had been sent by the State Board of Health. Efforts are being made to send Dr. Ezdorf to Tallulah. The situation here is regarded as most excellent and it is universally belleved that while the fever may not be wiped out by October first, it will be in a declining state at that time. ers in the matter of asking the Board The conditions in the country are more acute, because people of prominence are beginning to fall victims. Among the deaths at Lake Provito bring the aldermen before some dence, are division foreman Houx, of the railroad at that point and Captain V. H. Purd, a Confederate veteran, who was landing keeper. The disease at St. Rose has been esthe morning and the matter will pecially malignant, there having been seventeen deaths out of 35 Smithifield, but this has not be fully cases. Many parishes have exhausted the available funds in an enforcement of the quarantine regulations and are appealing to Governor Blanchard, who is extending financial aid, wherever he can ..
