ENVOYS SAIL FOR RUSSIA

M. Witte and Baron Rosen Left Yesterday for St. Petersburg

WERE CHEERED WHILE GOING ON BOARD SHIP

The Chief Envoy Said That Never Before Had He Been So Forthrightly Impressed With the Mightiness of the Pen.

(By the Associated Press.) New York, Sept. 12.—The Russian commissioners who successfully concluded a treaty of peace with the envoys of Japan at Portsmouth, N. H., started on the return to St. Petersburg yesterday, sailing on the Kaiser Wilhelm II. Before leaving the city, Mr. Witte and Baron Rosen made a farewell call upon the Japanese diplomats. Baron Komura was unable to see the Russians because of his illness, but through Minister Takahira he sent them a cordial message of farewell.

A big crowd gathered at the dock of the Kaiser Wilhelm in Hoboken to see Mr. Witte and there was much cheering and handclapping as he went up the gang plank, to which he bowed acknowledgments. He received the newspaper men cordially in his rooms on board the steamer, and through Baron Rosen made a statement to those whom he had met, thanking them and saying that never in his life before "had it been so forcibly impressed upon him that the pen is mightier than the sword."

Shortly before the ship sailed Major Lynch, of the United Societies of New York, and 40 members of the Irish Club of New York, were received by Mr. Witte. Each member of the Irish Club presented to the peace envoys tiny Russian, American and Irish flags.

"We take this opportunity of thanking a country which has been a friend of our adopted country in time of need."

Before Mr. Witte left his hotel for the steamer he had a conference with Isaac N. Seligman and Oscar Strauss, of this city, and Adolph Kraus, of Chicago. Mr. Seligman said after the conference:

"Mr. Witte allowed us to foresee the emancipation of the Jews in Russia, and their participation in the government of the empire in the same degree and proportion that other Russian subjects are allowed to participate.

"Mr. Witte made no official pledges engaging his government; he spoke for himself as an individual but it is well known that while at present he is not in power he soon will be. With him at the helm the Jews will again enjoy civic and national recognition. We have Mr. Witte's word for it that as far as he himself may be able, everything will be done to give to the Jews of Russia their full constitutional rights. Discrimination prejudicial to them, the injustice of which he admits freely, will be ended and they will be placed on an equal footing with the rest of the Czar's subjects."

SAFE CRACKERS ON TRIAL

Lieutenant Governor Winston Will Not Interfere—Fisher and O'Day May Go to Roads.

Wadesboro, N. C., Sept. 12.—Fisher and O'Day, the alleged safe-crackers, dressed in their Sunday clothes and looking quite spry and span, considering their four months' confinement and the desperate illness of O'Day, appeared in court yesterday morning and pleaded guilty to the charge of carrying concealed weapons. A hitch came in the proceedings just here, however, for during the night previous Solicitor Henry, of South Carolina, came on the scene and demanded that the men be turned over to the South Carolina authorities to answer to the charge of robbing a safe at Heath Springs.

Judge Neal suspended sentence and pressure is again to be brought on the powers that be in North Carolina for extradition papers. The prisoners, through their attorneys, Messrs. Bennett & Bennett, claim their rights to dismissal or sentence

on the charge to which they plead guilty and are fighting hard against removal.

Lieutenant Governor Winston has telegraphed that he will not interfere. Unless Governor Glenn honors the requisition before Solicitor Henry's departure the case will remain as it is until his return or Judge Neal will send Fisher and O'Day to the roads.

"WASN'T A BIT SCARED"

Even if the Chief of Police Did Have Her by the Arm.

(Special to The Evening Times.) High Point, Sept. 12.—Deputy Sheriff Parrish had two "distinguished" prisoners in charge Monday taking them to jail in Greensboro. They were a wing of the Burning Bush crowd, who have been giving the people of High Point so much trouble of late and who were arrested here and sent to jail for refusing to give bond for their appearance at court and who stubbornly refused to desist from their annoying can-can worship. In their worship they beat the Indians or the Philippine Bontoc head-hunters in their most savage state, beating on pans and boards and every conceivable article that can make a deafening noise. Their services generally last till after midnight and are of very frequent occurrence. When arrested one of the women was heard to remark, "Chief Gray took hold of my arm and I wasn't a bit scared, thank Jesus." To them the palm is yielded.

ARRESTED IN OHIO

Negro, Who Claims Asheville, N. C., As His Home, Charged With Theft.

Cincinnati, Ohio, Sept. 12.—A negro, who gave his name as Sam Young, living near Asheville, N. C., was arrested here yesterday on a street car. When he was locked up in the police station he declared that he is wanted in North Carolina on the triple charge of having broken jail, grand larceny and burglary. He said that he had been sentenced to serve six years on the two last-named charges and that, after serving four years, he made his escape. The local authorities will communicate with the Asheville police regarding this feature of the case.

APPOINTED BY HEAD CONSUL

George C. Jackson, of Wilmington, Will Be Head Advisor of That District for the Woodmen.

(Special to The Evening Times.) Wilmington, Sept. 12.—George C. Jackson, of this city, is appointed head advisor of this district of the Woodmen of the World, by Head Consul W. H. Fairless, of the head camp. Mr. Jackson's jurisdiction is North Carolina, Virginia, West Virginia, District of Columbia, Maryland and Delaware.

CONDITION OF BARON KOMURA

Is Seriously Ill and the Return Trip to Japan Has Been Postponed.

(By the Associated Press.) New York, Sept. 12.—Physicians attending Baron Komura have decided that he has typhoid fever. The intended return trip to Japan tomorrow has been postponed and nurses hastily summoned to his apartments in the Waldorf Astoria. The Baron's temperature was 102 and he was said to be very ill, though only in the first stages of fever.

One of Baron Komura's physicians, Dr. Pritchard, announced later that he disagreed with the diagnosis that the Japanese statesman is suffering from typhoid fever. The typhoid diagnosis, he said, was made by Dr. DeLafield, who was summoned from Virginia to give an opinion on the case. Dr. Pritchard's diagnosis is that the Baron is suffering from inflamed gall bladder.

MEET ON BATTLEFIELD

And Will Arrange the Details of an Armistice.

(By the Associated Press.) Mukden, Manchuria, Sept. 12.—General Fukushima, representing Field Marshal Oyama, and General Ovanovski, representing General Linevitch, met at Shaboth, a station north of Chaatun, this morning. They will probably take several days to arrange the details of the armistice.

SIXTY PASSENGERS INJURED

By the Overturning of a Traction Car This Morning.

(By the Associated Press.) Pittsburg, Pa., Sept. 12.—Sixty passengers were injured, nine seriously, by the overturning of the trailer attached to a traction car on the Homestead division of the Pittsburg Railway Company, near Glenwood bridge. The brakes failed to work properly.

WILL GREATLY IMPROVE ROAD

Contracts for Improvement of Road Amounting to \$2,000,000.

Washington, Sept. 12.—The Southern Railway has awarded to the firm of Sands & Oliver, railroad contractors, of Roanoke, Va., a million dollar contract, which, with others let during the past six months, makes a total of \$2,000,000 which that road proposes to spend, and is already spending, on important and far-reaching improvements on the southern lines of road.

The contract awarded to the Roanoke firm calls for the double-tracking of the Southern from Morristown to Knoxville, Tenn., a distance of 75 or more miles, as well as the building of a line of road from Chattanooga, Tenn., to Stevens, Ala.

The new line which the Southern system now proposes building will cross the Tennessee river at Chattanooga and connect with the Memphis line at Stevenson, running down the northwest bank of the Tennessee instead of the southeast, which is occupied by the Nashville, Chattanooga & St. Louis tracks. This will give the Southern road a line of its own through the narrowest and most troublesome of the mountain passes around Chattanooga. It is said that a contract will soon be let for double tracking the Southern from Knoxville to Chattanooga.

OUR GOVERNOR MEETS IN NEW ENGLAND

The Chief Executive of North Carolina Will Make the Principal Address at the New Hampshire State Fair at Concord To-Day.

Concord, N. H., Sept. 12.—The Governor of North Carolina, after a fine trip from New York to Boston, was entertained in Boston by Mr. Leonard Tufts, of Pinehurst, N. C., at luncheon at the Boston Exchange Club. It was an elegant feast and Mr. Tufts was a host unequalled. Governor Glenn and Judge Kittrell vie with each other in stories. Governor Glenn charmed everybody he has come in contact with. The railroads have showed him many courtesies. He is to speak to-day at the Concord fair.

Special Exhibits of Southern Products at Fairs.

Boston, Sept. 12.—Governor R. B. Glenn, of North Carolina, arrived in Boston yesterday in a private car attached to the Federal express. The Governor primarily will make an address at the New Hampshire State fair at Concord to-day, and during his brief visit he will be the guest of Governor McLane. Accompanying Governor Glenn is Judge Norman Kittrell, a prominent citizen of Texas, who represents the Chief Executive of that State on this visit. Yesterday afternoon Governor Glenn and suite were given a luncheon at the Paritan Club. Later the gubernatorial party boarded a train for the New Hampshire capital. Special exhibits, including cotton, sugar and other products from the Southern States, are to be a feature at the New Hampshire State fair this week and later, at other New England State fairs.

Gen. L. P. Graham Died at Washington To-Day.

Washington, Sept. 12.—Gen. Lawrence Pike Graham, retired, is dead. He was an officer in the celebrated Second Dragoons and served in the Seminole wars in Florida, in the Mexican war and in the civil war. His death was the result of an injury received last July in a fall at Warm Springs, Va.

Greensboro, N. C., Sept. 12.—The Gate City Guards are preparing to attend the State Fair at Raleigh the day that President Roosevelt is to be there. Competent judges of military matters regard this company as one of the best in North Carolina.

FARMERS MEET SATURDAY

Mr. A. C. Green, President of Wake County Division Southern Cotton Growers' Association, Calls Meeting for Next Saturday.

At the last meeting of the Wake County Division of the Southern Cotton Growers' Association, the meeting adjourned to meet at the call of the president some time after the meeting of the executive committee of the national association, which was held in Asheville September 6th to discuss the action of the committee in fixing the price of cotton for the coming season. In accordance with that resolution Mr. A. C. Green, the president of the Wake County Division, has sent out the following notice:

C., and to discuss other matters of importance. Every farmer and business man is respectfully urged to attend promptly without fail. Don't forget the benefits of the past meetings, and fail to attend.

Also the dairymen of the county are requested to meet after the farmers' meeting, for the purpose of forming a dairymen's association.

A. C. GREEN, President. Wake County Division Southern Cotton Association.

MEETS IN NEW QUARTERS

Proceedings of Chamber of Commerce Last Night—Testimonial to Be Presented Mr. George Allen—Should Ladies Become Members?

The reorganized Chamber of Commerce held its first monthly meeting last night in the new quarters in the Holleman building. The room has been handsomely papered in dark cherry and with the furniture presents a pleasing appearance.

The evening was consumed in hearing the reports of committees and the discussion as to whether ladies could become honorary members. Mr. Joseph E. Pogue advocated this new feature and Col. Charles E. Johnson opposed it. The matter was quickly settled for a time by a motion offered by Mr. W. J. Peele that the matter go over for a month to give the members time to think about it. Mr. Joseph G. Brown, the president, informed the body that this matter arose by one of Raleigh's most progressive ladies offering \$10 a year to the chamber.

When Mr. R. N. Simms read the report of the committee on by-laws a beautiful tribute was paid to the valuable services of Mr. George Allen, the retiring secretary, and upon motion of Mr. Joseph E. Pogue, who spoke of the ten years' service of Mr. Allen and the invaluable work he had done, the chamber, by a rising vote, directed the president to name a committee of three to purchase some suitable gift as a testimonial of the appreciation of the chamber of the work of Mr. Allen.

Reports of Committees.

Col. Charles E. Johnson reported for the committee on manufactures, and recommended the establishment of small industries, and Mr. J. H. Cutler spoke of the enlargement of the electric-light plant, and said that power now available would meet the needs of any factory.

Mr. John W. Thompson resigned as chairman of the committee on immigration.

Mr. F. H. Briggs, chairman of the committee on banks and other finan-

cial institutions, reported that Mr. Eugene Armburgh had been made secretary of the committee.

Mr. Joseph E. Pogue, chairman of the committee on taxation, reported that Mr. Lee D. Beardi had been made secretary of that committee.

Mr. H. W. Jackson, chairman of the committee on publication, reported that Mr. John Pearson had been made secretary of that committee, and that a pamphlet would be published setting forth Raleigh's advantages along all lines.

Mr. J. W. Bailey, of the committee on city improvements, stated that Mr. Jesse G. Ball had been elected secretary of that committee.

Dr. E. H. Lewis, of the committee on public health, reported that Dr. F. L. Stevens had been made secretary. Mr. Charles J. Parker said that the committee on hotels and accommodations had met and sub-committees on convention (F. B. Arendell, chairman), on hotel (Col. Alfred Williams, chairman), and on public amusements (Mr. Wade R. Brown, chairman), appointed. A country club was recommended. The committee also urged plans for entertaining fair week visitors.

Mr. James H. Poo, Mr. Joseph E. Pogue, Col. C. E. Johnson, President George T. Winston and Mr. John C. Dewry discussed the matter and plans were laid for enlarged accommodations.

Mr. W. P. Batchelor urged the necessity of good roads, and this work was placed on a committee.

Mr. C. J. Hunter, of the committee on education, reported that Mr. W. H. Pace was elected secretary. The committee on unclassified industries, through Chairman J. H. Poo, reported that Mr. Garvin Dortch was elected secretary. The committee recommended that the expenses of a man be paid to go to New England to investigate bringing a certain industry here, and the motion was carried.

No permanent secretary to the chamber was elected.

LARGE NUMBER OF STUDENTS.

Have Already Enrolled and it is Expected This Year's Attendance Will be Greater Than Ever.

(Special to The Evening Times.)

Chapel Hill, N. C., Sept. 12.—Considerably over 300 men have registered at the University up to the time the office closed yesterday, which was the second day of registration. This is an unusually large number, as most of the students are accustomed to wait until the third and last registration day, before coming to Chapel Hill. This year, however, the students have been coming in exceedingly fast and this year bids fair to be a record breaker in regard to attendance. No doubt to-day will bring in over two hundred more men, and when the professional department opens next week there is good reason to believe that the largest number in the history of the institution will be in attendance.

PETITION FOR RECEIVER.

On Grounds of Rumors of Sale of Company's Assets.

(By the Associated Press.) Chattanooga, Tenn., Sept. 12.—The McGee Cotton Company of Rome, Ga., filed a petition in the Chancery Court, asking that the Chattanooga Southern Railroad, between here and Gadsden, Ala., be put in the hands of a receiver. The bill alleges that there are rumors of a sale of the railroad company's assets. The complainants are holders of several of the Chattanooga Southern's reorganization certificates. The road is owned by Russell Sage.

YELLOW CLOUD GROWS DIMMER

Health Officials in New Orleans Have Situation Under Control

ANXIETY OF THE PEOPLE IS DAILY GROWING LESS

Although the progress of the deadly Plague in New Orleans Has Been Checked, Great Alarm is Felt in Other Places.

(By the Associated Press.)

New Orleans, La., Sept. 12.—Doctors Chassignac, Anderson, Bass, and Von Esdorf and half dozen trained nurses are now at Tallulah and immediate improvement in the conditions is expected. Dr. Von Esdorf reports about every square in town infected. Better news comes from the country, though it is occasionally mixed with information of panicky conditions in some of the non-infected points. Prof. Boyce of England, sailed to-day for Belize. He expects to supplement there, the information gathered here. Lake Providence has passed an ordinance closing all places of business except from ten o'clock to one, in order to restrict the spread of the infection.

To-Day's New Cases.

New cases to-day were fourteen, a total of 2,384. Deaths, two; a total of 321.

Dr. White of the United States Marine Hospital corps, feels sure that yellow fever in New Orleans is under control and has been for some time, but has refrained from giving publicity to his opinion, fearing it would cause some of the citizens to relax from their efforts towards eradicating the disease and would prolong the battle. He hopes to have the fever stamped out before frost. The situation in New Orleans is practically unchanged, with the weather clear and warm. Three or four cases reported in Hamburg, Miss., have been diagnosed as yellow fever.

Tuesday's Fever Record.

New Orleans, Sept. 12.—The official report of the yellow fever situation in this city to six o'clock Tuesday afternoon was as follows:
