the low record of the past few days, because it is to be expected that some days there will be sharp contrasts in the figures. Only four of the new cases are above Canal street. Algiers, three, among them a lady in McClellanville, previously reported as suspicious, but whose death removed all doubts of the nature of her illness.

The surgeon general has ordered another of Dr. White's officers to Mississippl to help out on the Gulf coast, where the situation is far from promising. No cases were brought into the city from the country, nor were any reported by the Marine Hospital service for the right bank of Jefferson Parish, but the situation in Willeswood, where eleven cases were discovered Monday, has resulted in the light for Diamond Shoals, the Italian establishment of an emergency hos-
