sayety With Case Ont Crussing on Pilot Mill Bond and the Peach Street Instrud-Scalourd Agrees to Other Change on This Could-

The authorities of the county and the city have been demanding for some time that an underground crossing be made at what is known as the Pigere Mouse Branch on the Scubon ! Air Line truck, just north of Raleigh. This is considered one of the most dangurous crossings on the road. There has hardly passed a year since the road was built that two or three fatal antidents have not coursed to a county officer re-

The county commissioners at their last meeting appointed a committee, composed of Mr. L. H. Adams, the chairman of the board, and Mr. H. E Norris, we country attorney, to confer with the Scaboard authorities and arrange some compromise in the matter and have work done to remedy the present danger.

Mr. Norris and Mr. Adams had a onference with Judge T B. Womack and Mr Seaton of the Seaboard today, and it was agreed that he railroad would make this crossing unas to enter the city on Peace street.

This change will eliminate two grade crossings, both of which are considered dangerous. The Pilot Mill road, after this change is adopt. and shoulders, and the second, which ed, will enter Peace street and go was fired as he fuffder the railroad track just north entered his breaof Johnston street station, at the ossing already constructed.

This compromise will have to be depted bytae county commissioners and the railroad before it becomes
