Democratic Minority Report

The Democratis members of the house committee on territories presented a minority report today in opposition to the Hamilton joint statehood bill. After reviewing the resources of the four territories of Arizona, New Mexico, Oklahoma and Indian Territory, and declaring in favor of joint statehood for Oklahoma and Indian Territory, the report says there is no more reason for joining New Mexico and Arizona than there would be for

joining Alaska and Porto Rico. Mann, also a first class man and an "The manifest purpose of the majorappointee of President Rocsevelt. ity is to unjustly keep Oklahoma out of the Union unless they can with a United States army who died from greater injustice force Arizona in," says the report. "We regret that we wounds and exposure received in the
