

**DOUGLASS OLDS DEAD**

**Passed Away at Southern Pines This Morning**

**Remains Brought to Raleigh—Was Youngest Son of Col. F. A. Olds—Had Been Brought from Texas in Hope That His Health Would Improve There—Funeral Announcement.**

Douglass Olds, youngest son of Col. F. A. Olds, died this morning at Southern Pines. Telegrams to this effect were received from Col. Olds early this morning and brought deep sorrow to a wide circle of friends in this city, and the news will be learned with sincere sympathy by friends of the family throughout the state. The end came this morning about 1:30 o'clock and Col. Olds and Mrs. R. E. L. Bunch were at the young man's bedside.

The remains were brought to Raleigh on the Seaboard Air Line fast train No. 66 which being one hour and a half late, did not arrive here until 1:15 this afternoon. At the depot were numerous friends in waiting to extend their sympathy to the bereaved father and sister.

From the depot the remains were conveyed to the residence of Mr. J. F. Ferrall on Hillsboro street, where they will remain until the funeral service, which will probably be held tomorrow at an hour to be announced later. The pall-bearers who served this afternoon were James I. Johnson, Jr., Dan Allen, Jesse Primrose, Tom West, Walter Newsum and Ben Johnson.

Douglass Olds was just eighteen years old and was a boy of exceptional promise. For about two years he had been with his older brother, Mr. Fred C. Olds at Waco, Texas. For nearly a year the young man had been in falling health, but his condition was not thought to be serious until some three months ago, when in his weakened physical condition it was found that tuberculosis had developed, affecting his lungs, but more especially his throat.

Col. Olds went to his bedside and everything that loving hands and the very best medical skill could do was done for him. Col. Olds accompanied him to various points in Texas and elsewhere in the west where altitudes and climatic conditions were such as were best suited for those afflicted as was Douglass, but without any perceptible benefit. Then it was decided to bring him back to North Carolina and try the famous Southern Pines resort. They arrived here last Thursday and went on Saturday to Southern Pines, where they were when the end came, having followed a few hours after the sudden collapse of yesterday as reported in The Evening Times of yesterday.

Douglass Olds is survived by his father, Col. F. A. Olds, one brother, Mr. Fred C. Olds, of Waco, Texas, and two sisters, Mrs. R. E. L. Bunch of New York, Mrs. Thomas J. Deupree of Memphis, Tenn. Mrs. Bunch is now in the city and Mrs. Deupree has left Memphis for Raleigh, being expected at 5 o'clock tomorrow afternoon. Up to 3 o'clock this afternoon Mr. Fred C. Olds had not wired whether he would come for the funeral or not, but it would hardly be possible for him to reach Raleigh in time anyway.

The funeral will be held either tomorrow afternoon or Friday morning, most probably Friday morning, in view of the late hour for the arrival of Mrs. Deupree tomorrow afternoon.

**Women Obtain Mrs. Pinkham's Advice and Help.**

**She Has Guided Thousands to Health.—How Lydia E. Pinkham's Vegetable Compound Cured Mrs. Alice Berryhill.**

It is a great satisfaction for a woman to feel that she can write to another telling her the most private and confidential details about her illness, and know that her letter will be seen by a woman only. Many thousands of cases of female diseases come before Mrs. Pinkham every year, some personally, others by mail. Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham and for twenty-five years under her direction and since her decease she has been advising sick women free of charge.

Mrs. Pinkham never violates the confidence of women, and every testimonial letter published is done so with the written consent or request of the writer, in order that other sick women may be benefited as she has been.

**Free Alcohol Bill.**  
Washington, March 28.—The free alcohol bill was presented to the ways and means committee today by the sub-committee, and soon will be introduced in the house. The full committee decided that further consideration of the bill should be had before final action is taken. The bill carries an appropriation of \$250,000 for the additional force necessary in the internal revenue bureau to administer the new regulation.

**Dear Mrs. Pinkham—**  
"Three years ago life looked dark to me. I had ulceration and inflammation of the female organs and was in a serious condition. My health was completely broken down and the doctor told me that if I was not operated upon I would die within six months. I told him I would have no operation but would try Lydia E. Pinkham's Vegetable Compound. He tried to influence me against it but I sent for the medicine that same day and began to use it faithfully. Within five days I felt relief but was not entirely cured until I used it for some time.

"Your medicine is certainly fine. I have induced several friends and neighbors to take it and I know more than a dozen who had female troubles and who today are as well and strong as I am from using your Vegetable Compound."

Just as surely as Mrs. Berryhill was cured, will Lydia E. Pinkham's Vegetable Compound cure every woman suffering from any form of female ills.

If you are sick write Mrs. Pinkham for advice. It is free and always helpful.

(By the Associated Press.)

She was loaded at a Long Island Sound port with something like 1,300 tons of garbage tankage, and sailed for Norfolk, along with the barges Annie E. Embrey and Norfolk, in town of the tug Margaret. When the Margaret went ashore in the fog the barges anchored, but the Dendron was in shoal water and pounded severely in the gale. Fearing that she would pound to pieces, her master, Captain Orter, slipped his anchor and let the Dendron go on the beach.

**OUR SILK SHOWING.**

Fancy silks—Its in the air, everybody wants it. Dress makers are besieged with it. Gowns are everywhere seen in fancy silks. When we learned that fashion was demanding, insisting and having fancy silks, we opened the doors wide, but to only the best. You hardly get a chance to see them late in the day. There are so

many people doing the same thing. So it behooves you to call early in the day to see this great showing. While in "blacks" the indispensable black is always in demand but when any one wants a black silk they are very careful to see that the quality is the best, for nothing is more disappointing than a black silk dress made up of unworthy fabric. We take great pride in the black silks we sell because we are sure that no store anywhere can sell you better grades at more moderate prices.
