WEATHER FORECAST.

(By the Associated Press.) Washington, April 9.—Forecast for North Carolina for tonight and Tuesday: Rain tonight, cooler in west portion; Tuesday fair, cooler; fresh to brisk southwest to northwest winds.

Weather Conditions.

The predominant feature of this morning's map is the storm area central over Lake Michigan, having moved there from the west, and attended by moderately heavy rains, and high winds especially on the Lakes. The temperature has risen somewhat in the front of, and has fallen in the rear of this storm. In the extreme northeast, the pressure is high, and in the south and southwest it is moderately high. The weather is generally clear west of the Mississippi river except in the north, and along the gulf. East of the Mississippi river it is cloudy with rain along the lakes, in the middle states, and in Virginia. The storm over Lake Michigan will cause rain tonight, and as it advances to the east will cause the pressure to rise and the wind to change in this vicinity producing cooler weather. Tuesday will be fair and cooler.

IMPORTANT TO RALEIGH.

Profit by This and Find Safeguard Against Many Ills.

Nothing is more important to Raleigh than the good health of her people. How can they fill their place in this busy town unless they are well?

No one trouble is responsible for more nervous ills, sleeplessness, general debility, weakness, backaches, rheumatic pains, even ill-temper and peevishness, than indigestion.

Fortunately, a combination of remedies, called MI-O-NA stomach tablets, has been discovered that absolutely cures indigestion and restores to health and strength the whole digestive system.

So reliable is MI-O-NA in curing all forms of stomach weakness and troubles that W. H. King Drug Co. give a signed guarantee that the remedy will cost nothing unless it cures. MI-O-NA sells for 50 cents, and is invaluable to anyone who suffers with indigestion, nervousness or weak stomach.

MR. TRENT SUFFERS PAINFUL BRUISES.

Mr. J. H. Trent, secretary and treasurer of the Raleigh Milling Company, met with a painful, but not serious, accident Saturday afternoon while unloading a car near the mill. He was knocked down by a bump of the train and bruised. He is now confined to his home on Firwood avenue.

Accidents will happen, but the best regulated families keep Dr. Thomas' Electric Oil for such emergencies. It subsides the pain and heals the hurts.

The Berwanger Spring Styles...

Every garment we show is fashionably correct. Coats of the right length of skirt and breadth of shoulder—trousers that are of the right width of hip and knee and of shapely cut. And they're model garments in more ways than one. They reach the ideal of fashion and they are absolutely perfectly made up—good workmanship, good finish, good linings, good trimmings, and in the case of novelty fabrics the patterns are exclusive.

AND THE GARMENTS FIT

We have exploded that old notion that fit is impossible in ready-to-wear by demonstrating its fallacy to every man who comes here. We carry styles enough to meet the individual requirements of every man, while the garments are so gracefully cut and draped and so well made up that they lend much of their aid toward perfecting fit and achieving good appearance. See the men's top coats at \$15. Men's Spring Suits, \$10, \$12, \$15, \$18 and up to \$25. See the youth's suits \$7.50, \$10, \$12 up to \$20. See the men's Trousers \$3 up to \$7.50. See our Boys' short pants suits \$2.50 to \$8.

No trouble to fit yourself and Boys for Easter in our store, in Clothing, Furnishing or Hats.

FIRE ON MAJOR GRANT'S GOLDSBORO FARM.

News is received from Goldsboro of the burning of the superintendent's house on the farm of Major H. L. Grant last Friday, the loss being \$1,000 partially insured. Superintendent A. S. Williams also lost his household goods and P. T. Dennis, superintendent of the brickyard, who roomed in the house, lost considerable personal property.

The fire is thought to have started from a spark from the smoketack of the Enterprise Lumber Company. There was a hammock on the front porch and the sparks are thought to have caught in this and the blaze was blown against the house under the window sill. It was only by the most strenuous effort of a large number of workmen that the farm barn was saved.

ANNIVERSARY OF SHERMAN'S ENTRANCE.

"Do you know what anniversary this day is?" asked Mr. C. Ringgold Harris as he greeted a Times reporter on the street today. Mr. Harris is one of Raleigh's confederate veterans and served in the famous Manly battery. He never fails to recall that April 9, forty-one years ago today, Sherman's army entered Raleigh.

William H. Harrison was then mayor of the city and he bore to the advancing army a letter from Governor Vance asking the invaders to protect the property, especially the public buildings, the charitable institutions, the library and the archives of state. Today Prof. George D. Meares showed a reporter a copy he had in his pocket of this letter written by Governor Vance.

MRS. SARAH E. DAVIS DIED THIS MORNING.

Mrs. Sarah E. Davis died this morning at her home, 109 west North street, after an illness of several days. Mrs. Davis is survived by one son, Leslie Davis, who holds a position in the Martin hosiery mill. Mrs. Davis was a good woman, a devout and faithful member of the First Baptist church.

The funeral of Mrs. Davis will take place from the First Baptist church tomorrow, Tuesday, at 10:30. Mrs. Davis and her son were both members of this church.

A NEGRO ENTERED THREE RESIDENCES.

A negro sneak thief or thieves made quite a raid Saturday night on south Dawson street. The residence of Capt. Thomas W. Davis was entered and his overcoat was stolen from the rack in the hall. The negro walked through the residence of Mr. E. S. Dunn on the same street and carried off a coat. He then went to the house of Mr. William H. Rand, 226 west Hargett, and was trying to enter through a window when he was discovered and an officer was phoned for. Mr. W. A. Wynne went from the Raleigh telephone exchange, but the negro escaped. However, he dropped the stolen articles in running away, and all was recovered except the overcoat belonging to Capt. T. W. Davis. He seems to have made away with the overcoat.
