YALE-PRINCETON GAME TODAY.

(By the Associated Press.) Princeton, N. J., June 9.—Princeton and Yale will meet this afternoon in the second of their annual series of baseball games.

FOUR OR FIVE MUTUAL OFFICIALS CONVICTED

(By the Associated Press.) New York, June 9.—The Evening Post today publishes the following: "Instead of resulting in the indictment of only one or at most two of the moderately prominent former officers of the Mutual Life Insurance Company the special grand jury's work, according to an excellent authority, will include the indictment of four, or possibly five, of the most prominent officers of the old order. The jury will complete its work next week, probably on June 15. The notion that the indictments were to be few in number has been quietly spread abroad, and there is reason to believe that the report of those granted 'immunity' was exaggerated. The net result will be to insure a genuine surprise when the jury actually does finish up its work and make public its finds."

BLACKBURN IN GORMAN'S PLACE

Made Chairman of Democratic Conference

HONOR FOR KENTUCKIAN

Senator Bacon Offers Resolution Commending the Dead Leader and Then Congratulates Party That It Has An Able Man to Succeed Him. Action Was Unanimous.

(By the Associated Press.) Washington, June 9.—At a meeting of the democratic senators today Senator Blackburn of Kentucky was elected chairman of the democratic conference to succeed Senator Gorman. Senator Bacon presented the following resolution which was adopted unanimously.

"The democratic senators at their first meeting in conference subsequent to the death of their former honored and loved chairman, the late Senator Gorman, obey their unaffected impulse in the expression of their profound sorrow for his loss to them as their personal friend and their sagacious, faithful political guide in their official relations.

"A faithful friend, zealous and wise party leader, considerate and conciliatory and careful of the interests of all, he greatly endeared himself to his party associates by whom his memory will ever be most fondly cherished."

Senator Bacon also presented the following which was adopted without dissent.

"The democratic senators in selecting as the chairman of this conference Senator Blackburn of Kentucky, congratulate themselves and their several constituencies upon the fact that they have among their number one so well fitted by his marked capacity, his great acquirements and his large experience in congressional work and especially by his power as an orator and as a debater, to render to his party associates the most signal and valuable service as their chosen official leader in the great forum of the senate of the United States."

The appointments for the most important of the vacancies have been agreed upon tentatively. Senator Tallaferra will go on the finance committee; Senator Clay on appropriation; Senator Culberson on customs, and Senator Newlands on District of Columbia. Senator Clay will resign from the committee of commerce and Senator Simmons will be appointed, giving up public buildings and grounds, which will be taken by Senator Overman.

Senator Blackburn thanked his colleagues for the honor conferred upon him in a brief speech.

The caucus instructed the steering committee to meet next week and the committee places made vacant by the death of Senator Gorman. The committee was instructed to place Senator Culberson on the committee on inter-oceanic canals, but was left free as to the other appointments. The vacancies are on the appropriations, District of Columbia, finance, inter-oceanic canals, irrigation, library and printing committees.

EX-SENATOR JONES DECLARES FOR BRYAN

(By the Associated Press.) Washington, June 9.—Former Senator James K. Jones of Arkansas, two times chairman of the democratic national committee and one of the closest friends of William J. Bryan called on the president today. Afterward he declared for Bryan's nomination by the democracy for the presidency.

"I believe Bryan is the logical candidate of the democratic party, and in my judgment he will be the nominee and will make the race under the democratic standard for the third time. If he makes the race I think he will be elected.

"I am inclined to doubt whether Bryan wants the nomination. Two races for the presidency ought to be enough to satisfy any man, but if the convention should nominate him I do not think he would refuse to run. I believe he would stand for any other candidate who espouses the same principles he espouses."
