Cramp & Sons ship and engine buildwith the machinery as prescribed by the navy department. The department plans for machinery will probably be accepted by the navy department in preference to plans of bidders as submitted in other proposals. The bids for the prescribed machinery were known as class one bids, and the Cramps offered to build a ship of this type for \$3,540,000. The New York Shipbuilding Company offered the next bid in this class \$3,585,000. As one firm is allowed to build only

In class 2 there were a great variecording to the plans of the various ship yards for machinery. Under entering the packing houses, saying the turbine type and many of the that it gives a police supervision that specified turbine engines. He suggested that the provision Fore River Shipbuilding Company should be made to read so as to make for \$3,489,000. This bid is on a ship it unlawful to transport from one state equipped with turbines.

As it is generally believed that the department will award the contract He contended that the provision as in class 1 for both of the snips, interit stands is not so worded as to make est centered chiefly in the bids of that

Speaking of the three candidates for state chairman, Col. Nichols dismissed one because he lived too far west, and ther because he was a candidate for congress, and urged that the third, who lived in the central part of the state and was not a candidate for any office, be recommended by this convention, He then offered the following resolutions, which were adopted without discussion:

Adams Endorsed.

"Whereas, at the republican state convention, to be held in the city of Greensboro, on the 10th day of July. next, a chairman of the republican Will King. state executive committee will be elected! and,

"Whereas, it is important that a man of learning, executive ability and po-litical sagacity and who is thoroughly imbued with the principles of the republican party be elected to that important position; and,

Whereas, We believe the present incumbent to be possessed of these essential qualifications; be it, therefore,

"Resolved, That the delegates to the state convention this day elected by the republican convention of Wake any good republican go to the convencounty be instructed to cast their votes for Hon. Spencer B. Adams of Guilford county for chairman of the republican state executive committee for the term of two years next ensuing."

The next business was the election of were at a disadvantage. delegates to the state, judicial and consional conventions. It appeared that the county was entitled to twelve ter.
