STATE TEXT BOOK COMMISSION

Names of Sub-Commission of Seven

RESOLUTION ADOPTED

Publishing Houses Must Furnish List of Employes in This State—Send in Written Briefs as to the Merits of the Books Offered the State.

The North Carolina Text Book Commission which will have the selection of the books to be used in the North Carolina public schools for the next five years held its first session here today and mapped out its work.

This commission is composed of Governor Glenn, Lieutenant Governor F. D. Winston, Secretary of State J. Bryan Grimes, State Auditor B. F. Dixon, State Treasurer B. R. Lacy, Attorney General R. D. Gilmer, and Superintendent of Public Instruction J. Y. Joyner. The commission decided to appoint a sub-commission of seven members, all educators of this state, to study the books submitted and make recommendations. The names of the members of this sub-commission have not been announced, although it is understood that they have been agreed upon.

The commission passed this significant resolution: "Resolved, That all publishing companies offering books for adoption by the sub-text book commission shall file with the secretary of the commission a list of the names of all agents, attorneys and others representing in any way their books and interests in North Carolina."

The publishers may submit written briefs with the secretary of state for both commissions as to the merits of the books offered. The commission decided that there must be no discussion by members of the commission regarding the books with agents or outsiders until they have made an examination of the works offered.

The State Board of Education, which is also the commission, today passed upon loans amounting to \$24,000 for districts in various counties. These loans range from \$100 to \$3,000.

A PIERCE PISTOL DUEL AT HAMLET.

(Special to The Evening Times.) Hamlet, N. C., July 2.—About 3:30 yesterday afternoon Arch Lander was shot by a man named Carter, a carpenter of this place. It seems that the two men had quarreled before and had determined to settle it in this way. The shooting took place in Lander's front yard, he being on the inside and Carter on the outside.

Before the shooting Carter hired a buggy from the livery stable and, hitching the horse around the house a little way out of sight, he went up to the fence and shot several times at Lander, two shots taking effect, one in the stomach and the other in the leg, neither of them being fatal. Lander shot back at him once, the ball taking effect in the fleshy part of Carter's leg. After doing his part of the shooting Carter went to his buggy and drove away as fast as he could, but was overtaken by a policeman and carried to a doctor's office to have his wounds dressed. Lander was the more seriously wounded to the two.

CANADIAN CREW WINS AT HENLEY.

(By the Associated Press.) Henley, Eng., July 2.—The Argonauts (Canada) beat first Trinity, Cambridge, today in the first heat for the grand challenge cup.

The Argonauts won after a magnificent race by a bare length. Time, 7 minutes, 20 seconds.

The Canadians who had the bucks station, went off with a lively stroke of 41 to the minute and drew away immediately. First Trinity hung on bull-doggedly, but were a length and a half behind at Fawley court, which was reached in three minutes 23 seconds. Here the Cambridge crew sputtered and knocked off some of the intervening distance, but although First Trinity sputtered again and again they were unable to get their boat's nose beyond level with the stern of the visitors' shell.

SUMMER VISITORS ARE FLOCKING TO ASHEVILLE.

Asheville, N. C., July 2.—Summer visitors are flocking to Asheville and other resorts of western North Carolina, and reports from the various points indicate that the crowds this year at this time are larger than usual. Every train into Asheville is crowded with summer visitors. Asheville's real estate men say that more furnished cottages have been rented this summer than ever before, indicative that visitors from the lowlands will spend the summer and keep house.

CLOSE CALL FOR LIFE

Thrilling Rescues Through Fire and Smoke

Many People Injured Today in New York While Escaping From Third Floor of a Burning Building—Heroic Work of Firemen.

(By the Associated Press.) New York, July 2.—Many persons were painfully injured and several others had a close call from being burned to death in a five story tenement house fire in Lewis street in the Eastside early today. Two police rescued the tenants on the first and second floors without mishap, but the occupants of the third floor had to run a gauntlet of smoke and flame to reach the street. They were all lightly clad and suffered burns on their hands and feet. No one was fatally hurt.

Thirty occupants of the fourth and fifth floors, chiefly women and children, ran to the roof to escape, but found the door leading to the roof fastened with a padlock. When this was wrenched off and the door opened the half choked people reached the roof on the adjoining building.

OFFICERS AND MINERS FIGHT

Drunken Guards Attack the Striking Miners

THREE FATALLY SHOT

Wives and Children of Miners Flee for Their Lives—Seven Wounded in Hospitals Severely Injured—Situation at the Mines Now Worse Than Since Strike Began.

(By the Associated Press.) Dillonville, O., July 2.—Investigation by the authorities of the miners' fight at Bradley yesterday shows that one man is dead, two are fatally injured, while seven others are seriously wounded as a result of the encounter.

At noon yesterday guards employed at Plum Run marched into Bradley and engaged in drinking at one of the company houses. Subsequently five of them came out and fired their guns in the air.

The guards stationed across the ravine imagined that miners were attacking the guards, and fired upon the strikers, who upon a matter of defense the strikers retaliated.

The firing continued for nearly three hours. All but two houses in the settlement were struck by bullets from the guards' Winchesters, and the only store not controlled by the coal company was almost shot to pieces.

The wives and children of the strikers fled from their homes to the cellar, and the unarmed miners took refuge behind the buildings. The guards then crossed the ravine and attacked the strikers with fearful results.

Those shot were James Hartman, shot through left leg; James Fiske, a paralytic, shot through head and eye shot out; William Williams, wounded in right shoulder; Mike Smith, shot through the stomach and will die; Frank Ostreski, shot through stomach, died at 7 o'clock this morning.

Farmers in the vicinity of Bradley appealed to Sheriff Vorhees today for protection against the guards claiming that their stock is shot down in the fields and other depredations committed by the non-residents.

NOTORIOUS "JUDGE" ON TRIAL AT LAST.

(By the Associated Press.) Bontyville, Ky., July 2.—The trial of former county Judge James Hargis, B. Fulton French, an attorney, former Sheriff Edward Callahan and others on the charge of assassinating Lawyer James B. Marcus in Jackson three years ago, began today before Judge Dorsey. It is expected that considerable difficulty will be experienced in securing a jury, the report being current that Hargis and Callahan and their friends have made a personal canvass of all men available for jury service.

J., July 2.—Among the important business transactions by the delegates to the 21st national Saengerfest of the northern Saengerbund last night was the decision to hold the next festival in New York three years hence. Wilkesbarre, Pa., Jamestown, Va., and Washington were also mentioned for the honor. The invitation from Jamestown was sent by the Norfolk board of trade which also wired a message of good wishes.
