A Poison Eater.

There is now living at Constantinople a very extraordinary character, known throughout that city by the name of "Solyman, the eater of corrosive sublimate," says a quotation from the Times of 1806. He is now 106 years old, and in his youth he accustomed himself, like all the Turks, to take opium, but after increasing the dose to a great extent, without the wished effect, he adopted the use of sublimate, and had taken daily, for upward of thirty years, 60 grains.

He some time since went into the shop of a Turkish Jew, to whom he was unknown, and asked for a Economy, however, meant for such drachm of sublimate, which he diservice as the Union Star Line at luted in a glass of water and swal-Union Star Line made profits which in should be accused of poisoning the that day were thought fabulous.
