BURGLARS ON NEW BERN AVE

Residence of D. T. Moore Entered

WATCH, MONEY TAKEN

No Other Articles of Value Missed.
Edwin Moore of Birmingham, Ala.,
Lost Watch and Cash—Pockets of
D. T. Moore, Sr., Emptied of
Money—No Clue to Intruder.

The residence of Mr. D. T. Moore, Sr., on Newbern Avenue, was burglarized early this morning and a valuable watch and some money taken. The burglar seems to have been looking especially for money and jewelry, as nothing else was taken, although there was silver tableware and other small articles of considerable value in all the rooms that were entered.

The burglary must have been committed some time between midnight and 3 a. m., as members of the family were up as late as 12 o'clock. Mr. Moore woke up at 3 o'clock and discovered the burglary.

An investigation developed the fact that the room occupied by Mr. Edwin Moore had been entered and his watch and several dollars taken from his pockets. Mr. D. T. Moore, Sr., had placed his trousers near the head of the bed in his room and the pockets were rifled and emptied of money, the amount being four or five dollars.

There was no one in the room generally occupied by Mr. V. C. Moore, he being out of the city, but it was found that this room had been examined. Nothing was missed. The burglar had taken a seat on the bed, evidently after he found that the room was unoccupied.

Mr. and Mrs. Moore both assert that they believe chloroform was used, else at least Mrs. Moore would have been awakened by the presence of the intruder, as she is a light sleeper and usually any little noise about the house awakes her.

The burglary was reported to the police this morning and Officer Thompson was detailed by Chief Mullins to investigate the case and do what he could toward discovering the guilty party. Thus far, however, there seems to be no clue.

There seems to be nothing to show even how the burglar effected an entrance to the house as the doors were locked and had evidently not been tampered with. Some of the first floor windows were up and most probably he went in through one of these.

Mr. Edwin Moore, who lost a watch and money, is a nephew of Mr. D. T. Moore and is here from Birmingham, Ala., on a visit. He is on his way to Greenville, S. C., to visit relatives.

BRYAN TO MAKE AN AUSTRALIAN TOUR.

(By the Associated Press.)
Paris, August 14.—William J. Bryan confirms the report from Melbourne that he intends to visit Australia. He says he will start immediately after the November election, sailing from San Francisco and making a tour of New Zealand as well as Australia. He will be gone two weeks and travel alone. His itinerary is not yet definitely decided upon.

It was expected that Mr. Bryan would see President Fallieres today, but the foreign office sent him a most courteous note saying that the president deeply regretted the fact that Mr. Bryan's stay in Paris was so short that it did not permit the time for M. Fallieres to return from Rambouillet in order to receive such a distinguished citizen.

COLORFUL ODD FELLOWS IN SESSION AT NEW BERN.

(Special to the Evening Times.)
New Bern, N. C., August 14.—Colored Odd Fellows began their grand lodge sessions here today. They will continue until Thursday night. There are upwards of 200 negro members of the order present this summer from other states.

One of the features of the sessions will be a visit to the home for aged Odd Fellows and orphans of the order located here. It consists of a farm of 50 acres, all under cultivation and paying a good dividend on the investment. W. W. Lawrence of New Bern is grand master.

THE RAILROADS PLAN WAR ON RATE BILL

(By the Associated Press.)
New York, Aug. 14.—A dispatch to a morning paper from Atlantic City, N. J., says: There are rumors here of a coming railroad rate bill. Last night nearly a hundred lawyers, so it is said, known to represent railroad interests, arrived here, and there are a score or more of railroad officials here who have arrived lately.

CZAR QUILTS PALACE

Goes to Krasnoye-Selo to Camp of the Guards

Every Precaution Taken At St. Petersburg Looking To His Safety
And All Travelers Are Detained
Until Their Character Is Known.

(By the Associated Press.)
St. Petersburg, Aug. 14.—Despite the attempt on the life of the Grand Duke Nicholas on August 10 at Krasnoye-Selo, the emperor, accompanied by his entire family and the major portion of the court, has gone to Krasnoye-Selo to spend a week at the guards camp. Six of the guard regiments have gone to the camp from St. Petersburg, and the most rigid precautions have been taken to protect the safety of the emperor during his stay at Krasnoye-Selo.

The railroad station at St. Petersburg is heavily guarded, and no civilians are allowed to leave there for Krasnoye-Selo except after being fully identified. A grand review is scheduled for August 19 after which the imperial family will go to Tsarskoe-Selo instead of returning to Peterhof, although some of the papers report that it is the intention of the imperial family to immediately go by sea to Livadia, in the Crimea, and spend the autumn there.

WHO'LL BE GOVERNOR?

Close Race Between Campbell and Colquitt

Interest in Texas Is Intense—The Democratic Convention Opens At Dallas—Nomination For Governor Will Not Be Made Before Tomorrow.

(By the Associated Press.)
Dallas, Tex., Aug. 14.—One of the largest political gatherings ever assembled in Texas was called to order here today when the democratic state convention met in the new auditorium.

Interest in the nomination for governor is intense. Hon. T. M. Campbell, who received the largest vote in the recent primary, will go into the convention with a strong following, but the friends of O. B. Colquitt of Palestine claim that Colquitt will lead on the second ballot. Temporary organization was affected by the selection of Howard Templeton as temporary chairman. The nomination for governor will not take place before tomorrow. Nominees for other state offices, who were selected in the primaries, will be ratified by the convention.

JOSEPH HADDICK, Susquehanna, Pa., hand mashed.
MRS. JOSEPH HADDICK, arm cut and back injured.

HUGE RAILROAD SCHEME AFLOAT

New York to Chicago by Electric Locomotives

THE ROUTE SURVEYED

Consolidation of Several Roads to Form Part of This Short Line Already Begun—This Double Track Line Involves an Expenditure of About \$150,000,000.

(By the Associated Press.)
Pittsburg, Pa., Aug. 14.—Papers of consolidation of three railroads in different parts of Pennsylvania will be filed at Harrisburg this week which will constitute the formal announcement of a project of prominent foreign bankers, associated with Joseph Ramsey, Jr., former president of the Wabash Railroad, to build a low grade double track railroad from New York to Chicago by way of Pittsburg, which will cost about \$150,000,000.

Complete surveys have already been made, and it is expected that the work preliminary to actual grading and construction next spring, will begin this fall. It is expected that the road will require three years to construct. It is contemplated to operate it with electric locomotives from the beginning. It will be known as the New York, Pittsburg & Chicago Air Line, and will be sixty-five miles shorter to New York than the Pennsylvania and 108 miles shorter than the shortest line between New York and Chicago.

The new Keystone Air Line will traverse the important bituminous coal fields of central Pennsylvania, now controlled by the Pennsylvania Railroad and will also pierce the anthracite region throughout its length. It will not only be the shortest line through Pennsylvania, but it will cross the summit of the Allegheny mountains 400 feet lower than the Pennsylvania and will have very easy curves and remarkably low grades for a mountain line.

Mr. Ramsey confirms the above in a telegram to the Pittsburg Dispatch. The telegram says the information is correct. The cost of the line between Pittsburg and New York, Mr. Ramsey says, is estimated to be between \$75,000,000 and \$100,000,000, all of which has been pledged, the bulk of it by foreign capitalists.

FINED FOR HISSING STARS AND STRIPES

(By the Associated Press.)
Bayonne, N. J., August 14.—James Piere, an Englishman, was fined \$25 in police court for hissing the American flag during the performance at a theatre last night. The judge who imposed the fine was a member of the audience. Piere's action in hissing the stars and stripes as they were waved by a performer at the conclusion of a song almost caused a riot in the audience.

SLAIN BY ITALIANS. FEARS OF LYNCHING.

(By the Associated Press.)
New Castle, Pa., Aug. 14.—Justice of the Peace William Duff, a well known farmer, aged eighty years, died today from the effects of a gunshot wound received last evening in an altercation with four Italians. Search for the foreigners was continued throughout the night and is yet in progress. The feeling runs high and there are fears of lynching in case Dominick Ferrone, whom Justice Duff accused of assaulting him, is caught.

JOHN OLIVER HOBBS, THE AUTHORESS, DEAD.

(By the Associated Press.)
London, August 14.—The inquest on the body of Mrs. Pearl Mary Teresa Craigie (John Oliver Hobbs) will be held tomorrow. The burial will take place in the Catholic cemetery at Kensal Green.

At the time of her death, Mrs. Craigie was engaged in adapting her play "A Time to Love" for publication as a novel. Her last novel, "The Dream and the Business," is ready for issue, the publishers awaiting a cable dispatch from America to say that the United States copyright has been secured.

THE STEAL GIGANTIC Depositors May Get Only Twenty-Five Per Cent.

It Is Now Practically Certain That Large Amounts of Collateral Given As Security for Notes in Looted Chicago Bank Have Been Stolen.

(By the Associated Press.)
Chicago, Aug. 14.—The belief that large amounts of collateral given as security for notes in the Milwaukee Avenue State Bank have been stolen practically became a certainty last night when a note for \$9,000 known to be genuine was found in President Stensland's house at Byron street and Lawndale avenue. Search was made for the collateral security, but it could not be found.

The discovery opened up a field for almost unlimited speculation as to how far the looting proceeded before Stensland disappeared. If the real estate and other securities in the bank have been stolen or are found to be worthless, the amount of money left to pay the depositors probably will be reduced to as low as 25 per cent.

Clash Between Courts Expected.
Interest in the investigation into the affairs of the suspended Milwaukee Avenue State Bank was stimulated today by anticipation of a clash between the circuit and superior courts of Cook county. Judge John Gibbons, of the former tribunal, yesterday appointed the Chicago Title & Trust Company receiver for the bank and today preparations were made to oust Receiver John C. Feizer acting under authority of Judge Brentano of the superior court. Besides this complication there is still to be settled the status of Receiver W. C. Niblack, named by Referee in Bankruptcy Eastman, to collect the personal estate of President Paul O. Stensland.

The official report of the condition of the defunct institution is to be given to the state auditor today but Bank Examiner C. C. Jones has decided to withdraw the contents of the report from the public in Chicago in order to protect those most vitally interested in the bank's affairs. He may, however, he says, decide to give extracts from the report.

SEE GOLD IN COOLIES Many Anxious to Supply Workers for the Canal

Scores of Applications For Information Concerning Proposed Contract For 2,500 Laborers Dropping In On Canal Commission—Bidders Must Be Well Backed Financially.

(By the Associated Press.)
Washington, Aug. 14.—Scores of applications for information concerning the proposed contract for 2,500 Chinese laborers have already reached the Isthmian canal commission and indications are that hundreds of persons are planning to make bids for this contract in the hope of realizing a small fortune from it as several bidders did on the recent issue of Panama canal bonds. But prospective bidders without extensive financial backing will be much disappointed when the specifications for furnishing the Chinese are made public. It will be required by the commission that a large certified check will probably not be less than \$50,000 and bids not accompanied by such a guarantee of good faith will not be considered.

Advertisements for proposals to supply the Chinese laborers must be published for thirty days and consequently no proposals will be opened before September 15 at the earliest. Several months will be required to get the Chinese to this country after the contract has been awarded. Consequently the commissioners do not expect to have the Chinese labor on the Isthmus before January first, 1907.

RISE TO THE AID OF THE CHURCH

The Pope Says His Life is Threatened in France

CALLS ON THE BISHOPS

Urges Them To Organize For Salvation of the Church Against Which He Declares An Atrocious War—Has Been Waged in the French Republic.

(By the Associated Press.)
Rome, Aug. 14.—The text of the pope's long expected encyclical to the archbishops and bishops of France concerning their future conduct in view of the enactment of the law providing for the separation of church and state, appeared in the Observatore Romano today.

After approving the recommendations of the French hierarchy disapproving of the law, the encyclical says: "Therefore, concerning cultural associations, such as the law prescribes, we decree absolutely that they cannot be formed without a violation of the sacred rights which are the life itself of these associations which our conscience forbids us to approve. It is opportune to examine if some other kind of organization, both legal and canonical, can avert the threatened dangers to the church."

The encyclical then examines at length the other forms of organization. The pope says nothing causes him greater agony than the actualities menacing the church in France, and therefore he hopes to find some other kind of associations not endangering divine rights.

A Call to the Bishops.

The document urges the bishops to adopt all means within the law to organize their forces, assuring them papal cooperation and support. "It is difficult," the encyclical says, "to foresee the recombinations which the exigencies of the church will make against our present decree. They will seek to persuade the people that we do not seek the salvation of the church, but that the form of republic in France is odious to us. We denounce with indignation such insinuations as false. The malice of this law have not sought separation but oppression. While affirming their desire for peace they have made atrocious war against religion. They had a brand of the most violent discord, thus arraying one citizen against another to the great detriment of public welfare. We have supported patiently in justice after justice the love of the French nation, and are asked to overstep the last limits of our apostolic duty, and we declare our inability to overstep them. Let the responsibility rest with those whose hatred has gone to such extremes."

The pope counsels against violence or violent action, and says firmness united action, he says, can be learned from those who have imposed the stigma of this criminal law upon the nation.

In conclusion the encyclical says: "In the hour of hard trial for France if all united in defending the supreme interests of the country the salvation of the church is not far from despatch. On the contrary it is to be hoped that her dignity will be raised to its former prosperous height."

The German and Austrian ambassadors were among those who assembled at the railroad station to see the king off.

THE DOUBLE FARE WAR

Resumption of Fights and Ejections Expected

(By the Associated Press.)
New York, Aug. 14.—The difficulty between the Brooklyn Rapid Transit Company and its patrons, which arises over the efforts of the company to collect a double fare from New York to Coney Island, was continued today. Application was made to District Attorney Clarke in Brooklyn for several warrants for the arrest of employees of the Rapid Transit Company on charges of assaulting passengers on the Brooklyn Rapid Transit—Police Warned Not to Assist the Company.

(By the Associated Press.)
New York, Aug. 14.—The difficulty between the Brooklyn Rapid Transit Company and its patrons, which arises over the efforts of the company to collect a double fare from New York to Coney Island, was continued today. Application was made to District Attorney Clarke in Brooklyn for several warrants for the arrest of employees of the Rapid Transit Company on charges of assaulting passengers in jostling them from the cars after they refused to pay a second fare. The general manager of the company said today that if he was unable to collect the double fare he would suspend traffic on the surface lines to Coney Island.

Police Inspector Cross, who last night asked a passenger if he was not going to pay his fare, was today admonished by a deputy police commissioner for using his authority to help collect fares, and plans were made to station police under the charge of certain al along the lines where the employees of the company halt the ears to eject passengers. A resumption of the ejections and fights was expected with the rush to Coney Island this afternoon.

Through President Birl S. Coler of Brooklyn today called upon Sheriff Flaherty of Kings county to appoint deputies to prevent the agents of the Brooklyn Rapid Transit Company from assaulting its passengers who refuse to pay a double fare to Coney Island. Mr. Coler declared that the New York City police are standing by in idleness while such assaults take place.

Asks That Charter Be Annulled.

Albany, N. Y., Aug. 14.—There was received at the office of the state attorney general today a petition from William J. Foley of Brooklyn requesting that an action be commenced to annul the charter of the Brooklyn Heights Railroad Company (which operates the Brooklyn Tracton Lines) for charging ten cents fare on its lines to Coney Island. The petitioner alleges that he was ejected from one of the cars of the company for refusing to pay more than five cents.

SOLENCY OF THE BANK UNAFFECTED.

(By the Associated Press.)
Washington, Aug. 14.—The acting comptroller of the currency today received a telegram from the bank examiner at Birmingham, Ala., stating that the defalcation in the First National Bank of that place, will not exceed \$100,000 and that the solvency is not affected by the loss.

TO EXTERMINATE LEYTE OUTLAWS

Ide Confers With General Wood and Others

NATIVES PLEDGE AID

The Presidents Say They Will Furnish Information By Which the Americans Can Track the Pulajanes Down and Crush These Brigands Utterly.

(By the Associated Press.)
Manila, Aug. 14.—Governor Ide returned to Manila today after a conference at Tacloban, Island of Leyte, August 12, with Major General Wood, Brigadier General Lee, Governor Deveyra, fifteen presidents and Colonel Taylor of the constabulary. The presidents promised to support the American authorities and to furnish information having in view the extermination of the Pulajanes.

There are causes for the present conditions of Pulajanes in the island of Leyte dating back to Spanish times. The disarming of the municipal police by Governor Deveyra, his political opponents assert, caused the recent disturbances. It is declared that had the late First Lieutenant John F. James, of the eighth infantry, had possessed correct information he would not have gone out with a small force August 9. The fight occurred in the darkness and the troops were the victims of a bold rush of superior numbers, during which their rifles were of no use. The bodies of Lieutenant James, Contract Surgeon Calvin D. Snyder, Private William J. Gillick, and Mathias Zeck have been buried at Tacloban.

Governor Ide has decided to appoint a commission consisting of Governor Deveyra, Brigadier-General Lee, Colonel Taylor and three presidents to visit the disaffected districts and hold meetings of the own councils to impress the people with the necessity of co-operation and support in exterminating the Pulajanes. The outlaw band numbers about 100 and is being greatly increased by the leaders forcing peaceful farmers to participate in raids, threatening them with death if they refused. These recruits are armed with bolos. The real Pulajanes do not trust them with guns.

A special term of the court has been ordered at Tacloban to try the prisoners. It is understood that the leaders will get the extreme penalty of the law but that the misguided natives will be dealt with leniently.

PROSECUTION OF BROKERS BEGINS.

(By the Associated Press.)
Birmingham, Ala., Aug. 14.—The books of Gilbert & Clay, the local brokers, with whom Alexander R. Chisolm, the defaulting paying teller of the First National Bank is alleged to have squandered \$30,000 of the bank's funds in speculation, have been taken over by Assistant United States District Attorney Steele, who is prosecuting this firm and another for their alleged connection with the defalcation, by which the bank is the loser of \$97,000.

A warrant is out for P. G. Smith, manager of Foster & Company, brokers, charging him with aiding and abetting Chisolm's embezzlement. Chisolm is alleged to have squandered \$71,500 of the bank's money, with this firm. Chisolm is reported to have said today that his shortage at one time amounted to almost \$150,000, but he made several winnings recently, one amounting to \$30,000, which reduced his shortage to a little below \$100,000.
