Friday night of fair week will be the occasion of the greatest social gathering North Carolina has witnessed in many years. The list of subscribers tickets for the appearance of Madame Nordica contains the names of the most cultured people from many nearby towns as well as from Raleigh, and the list is growing each day, so that by next Monday, when the subscribers prices are withdrawn it is probable that every seat that the local management desires to be sold will have been taken. The seats are now selling at \$3 and \$2.50, but will sale of seats is again opened after being closed next Monday.

will be set aside for reservation of lows: seats by subscribers. After that the box sheet will be open to the public the subscribers' list is closed.

will reserve the seats for out of town people of Texas.

The subscribers 'list will positively close on next Monday, so all who papers, if any, which fail to publish desire seats should write Mr. Brown it, will be distributed in pamphlet at once.
