

INDUSTRIAL CLUB MEETS

President Watkins Robards Presides First Time

Meeting of Special Interest—Club Takes Up Especially Work For Y. M. C. A. Country Club, Auditorium, Boulevard and Extension of City Limits—Want Vagrancy Law Enforced.

The Young Men's Industrial Club last night adopted a resolution to the effect that for the next year the efforts of the club shall be directed especially toward the establishment of a Y. M. C. A. for Raleigh, a country club, an auditorium, a boulevard and the extension of the city limits.

A resolution was adopted also endorsing the movement by the city press and the city officials for the enforcement of the vagrancy law without fear or favor and another congratulating the club on the success which is attending the Raleigh Building and Loan Association established by the club a year ago.

There was some comment on the progress being made in the matter of the auditorium for Raleigh and it was found that this is at a stage where there is every indication that the company will be amply financed within a few months and an auditorium provided that will be in every way adequate to the needs of the city.

STATE AUDITOR RETURNS.

Spoke At Southport Monday—Scores New Hanover Delegates.

State Auditor B. F. Dixon returned this morning from a trip into eastern Carolina after delivering campaign speeches, the last one having been at Southport Monday night. He says he had fine crowds and found the interest and enthusiasm very great wherever he went.

He expressed surprise and disgust at the turn things have taken in New Hanover, where, after Geo. H. Bellamy of Brunswick was nominated in the New Hanover primaries to represent the two counties in the state senate the New Hanover delegates in the convention, when it came to declaring the nomination of Mr. Bellamy, refused to go into the nomination and withdrew from the convention. He thinks that the opponents of Mr. Bellamy should have made their fight in the primary and not presented the spectacle of flying into the teeth of the wishes of the party as expressed in the primary, as they did by their action in the convention.
