certainly there's nothing so appropriate to give your wife or relative as a piece of furniture, a Rocking Chair, Writing Desk, Screen, Couch. In fact, it would be the nice thing to let us furnish a room out and out in your home. Such a present would make your wife doubly happy and add to your own pleasure.

at least by taking advantage of our great **REMOVAL SALE.**

We are building a new store, 112 Granby St., which will be ready about January next, and we will not move a single piano from our present store to the new one.

This is just sentiment with us. Everything must be bran-new, so we are making special low prices on some fine instruments, just to carry our "All New" point.

YOU WILL SAVE ENOUGH ON THE PIANO TO PAY FOR THE MUSIC LESSONS.

In addition to our own peerless pianos, we have a few of other makes taken in exchange to go at—well, \$40 and up. Better see about these.

REMEMBER WE MAKE THE STIEFF, "THE PIANO WITH THE SWEET TONE."
