**MR. ROBT. DOBBIN DEAD**

**Had Lived in Raleigh For Past Sixty-One Years**

He Was the Father of Mr. Theodore Dobbin of the Firm of Dobbin-Ferrall Co.—Funeral Will be Held Tomorrow Afternoon at 3 O'Clock From the Residence.

Mr. Robert Dobbin, one of Raleigh's oldest and most respected citizens, passed away this morning at 9 o'clock, after an illness extending over a period of about two weeks. He was in his eighty-second year.

Mr. Dobbin was a native of Ireland, having been born in Antrim county, where he lived until nine years of age, when his parents moved to this country. They first settled in New York, but later moved to Richmond and then to Petersburg, Virginia. At the age of twenty-one Mr. Dobbin married and decided to move further south. He started to Charleston but stopped over in the town of Raleigh. He was so pleased with the town that he remained here and at the time of his death had been a resident of this city for the past sixty-one years. Mr. Dobbin conducted a shoe-making establishment and was at his place of business until he became ill two weeks ago.

He is survived by his wife and two sons, Mr. Theodore W. Dobbin, of the well known firm of Dobbin & Ferrall, this city, and Mr. James C. Dobbin, of Savannah, and one daughter, Miss Emma Dobbin.

The funeral will take place tomorrow afternoon at 3 o'clock from the late residence on West Davie street and will be conducted by Rev. R. P. Rumpas, pastor of Edenton Street Methodist Church. The interment will be in Oakwood cemetery, and the following will act as pall-bearers: Messrs. J. G. Brown, C. B. Edwards, J. R. Ferrall, M. W. Woodard, W. B. Mann and A. H. Green.

**Thaw Eager for the Real Fight**

(Continued from First Page.)  
well as into the circumstances standing up to the shooting of the Stanford White. The report today that Assistant District Attorney Marshall has induced Miss Ida Fitch of Pittsburgh to promise to come to New York and give evidence for the prosecution was taken as further evidence of the extreme thoroughness with which District Attorney Jerome is preparing his case.

**Not to Put Thaw on Stand.**

Official denial was made today of a published report that it has been definitely decided to have Thaw go on the stand in his own defense. A Russell Peabody, of Thaw's counsel, said the report was not borne out by facts

and that an opinion on that point, one way or the other, has yet been reached. He said there is, of course, a possibility that the defendant may become a witness, but whether or not he will do so probably will depend largely upon the course taken by the prosecution. Mr. Peabody said he could hardly believe that the prosecution's case will be completed during the opening session, on Monday, as announced by Mr. Jerome. He said, however, that if this is done, the defense is ready to proceed with its case at any time. He declined to make any statement concerning the plans of the defense.

Mr. Peabody had a long conference with Thaw in the Tombs today.

After the conference Mr. Peabody said that Thaw and his relatives are delighted with the jury and that his counsel will oppose any further effort to make changes in it. He added: "The prosecution of our side of the case probably will consume three weeks. We have a raft of witnesses—about fifty in all. How many we shall call depends on the development of the trial."

**The Case of Ida Fitch.**

Pittsburg, Pa., Feb. 2.—Assistant District Attorney Hartford T. Marshall, of New York, who was here looking up early Thaw's record is reported to have left last night for home. Before leaving he is said to have visited District Attorney Jerome that Miss Ida Fitch of Williamsport, Pa., will go to New York to testify against Thaw.

An information was made against William Robinson in 1905 before Justice Crocan charging him with enticing a minor, Miss Fitch, to elope to have been the minor. The charges were withdrawn and the allegation made that Thaw was Robinson, and that he gave the name of Robinson to avoid publicity. This has been denied by Thaw's detectives who investigated the matter. They declared it was not Thaw and that he had nothing to do with the case.

**CURIOSITY**

**Leads to Investigation and Truth.**  
What shall we do to be saved? was the title of one of Robt. Ingeroll's lectures. People of faith and of no faith flocked to hear it, thousands are asking, "What shall we do to get rid of dandruff?" The answer is, "Kill the germ that causes dandruff, falling hair and finally baldness; and the only thing that will do it is Newbro's Herpicide, that is the very latest discovery of the laboratory, and it is the only preparation that claims to, or that will, kill the pestiferous dandruff germ. It also is a delightful hair-dressing, free from oil or grease or sticky substances. Try it and be convinced of its actual merit. Sold by leading druggists. **THE DIXIE KNOCKED OUT WORLD'S RECORD.**

(By the Associated Press.)  
Palm Beach, Fla., Feb. 2.—An official statement issued today declares that the world's record for the motor boat nautical mile was broken by the Dixie in yesterday's competition here. The best previous time recorded for the distance was 2 minutes 22 seconds. The Dixie's mean corrected time for the distance yesterday is given in the regatta committee's official statement at 2 minutes 11.31 seconds.

A man who is in perfect health, so he can do an honest day's work when necessary, has much for which he should be thankful. Mr. L. C. Rodgers, of Branchton, Pa., writes that he was not only unable to work, but he couldn't stoop over to tie his shoes. Six bottles of Foley's Kidney Cure made a new man of him. He says, "Success to Foley's Kidney Cure."—O. G. King.

**Simple Prescription For Home Made Kidney Cure**

**A BLESSING TO MANY**

Makes the Kidneys Act and Overcomes Rheumatism and Bladder Troubles.

To make up enough of the "vegetable treatment," which is claimed to be relieving nearly every sufferer who uses it for backache, kidney complaint, soft, weak bladder and rheumatism; get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Extract Kargoa and three ounces Compound Syrup of Sarsaparilla. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

Those who have tried it claim that it acts gently but thoroughly on the kidneys, relieving backache and bladder trouble and urinary difficulties almost instantly. Many cases of rheumatism are known to have been relieved within a few days, the pain and swelling diminishing with each dose.

A well-known local druggist, who is in a position to know, asserts that this prescription, wherever it becomes known, always ruins the sale of the numerous patent medicine rheumatism cures, kidney cures, etc. It is a prescription which the majority of patent medicine manufacturers, and even certain physicians dislike to see published. Few cases, indeed, which will fall to fully yield to its peculiarly soothing and healing influence. Being composed of common every-day vegetable ingredients, which can be gotten from any druggist, it makes up a good, honest and harmless remedy and at small cost.

**MESSRS. MARTIN & EMERY'S**  
**MAJESTIC PRESENTATION OF THE GREAT MYSTIC FESTIVAL DRAMA**

**PARSIFAL**

**THE MOST NOTED PRODUCTION OF THE CENTURY**  
Based on the Legends of the Holy Grail. Produced at an Enormous Cost and Enacted by a Cast of Noted Players.

In connection with the Raleigh engagement of Richard Wagner's festival play, "PARSIFAL," your attention is respectfully called to the unusual hour of commencement.  
It was the custom during the New York Metropolitan engagement to divide the performance into two parts, commencing the first part at 5:30 p. m. and giving a two hours' intermission for dinner. This custom has been altered for the trans-continental tour. The dinner intermission having been eliminated permits giving the play at one sitting, but owing to the extreme length of the performance the curtain will rise promptly at 7:45 p. m., and carriages may be ordered for 11:15 p. m.
