

The Saving of Money by the use of Royal Baking Powder is considerable. Royal is economical, because it possesses more leavening power and goes further.

THEATRICAL

COMING SOON

Adelaide Thurston—Wednesday. Gorton's Minstrels—Thursday. Lyman Twins—April 6th. Our New Minister—Friday. The Man on the Box—April 9th.

ADELAIDE THURSTON

Adelaide Thurston's supporting company the coming season is said to be the best that clever little artist has ever had. This is saying a great deal, as Miss Thurston's support has always been far above the average and as a usual thing generally receives a great deal of praise. Speaking to a friend recently, Miss Thurston said: "I took Pauline Phelps and Marion Short three years to complete the manuscript for 'The Girl From Out Yonder,' and it took me fully as long to determine who should essay the various roles. I feel sure that the majority of my audiences will agree with me after seeing my present company, when I say it is by far my best." Miss Thurston will be at the Academy Wednesday.

GORTON'S MINSTRELS

The clever comedians, Welby and Pearl, are with Gorton's Minstrels this season. Their laughable act, "Three Ages in Black," portraying the quaint humor and amusing peculiarities of the southern dark, displays to the best advantage their well known ability in character work. The sketch is said to be one of the strongest of its kind. They will be seen at the Academy April fourth.

"The Lyman Twins" on the 6th. A treat seldom offered the theatre-going public is in store for them when the famous comedians "The Lyman Twins Brothers" are seen here in their wonderful musical comedy success "The Rustlers," which they are appearing in this season, and which is said to be one of the funniest and most elaborate productions of its class yet produced, comprising a large company, a dainty chorus of pretty girls, a host of funny comedians, singers and dancers together with numerous novelties entirely new and original with this attraction.

"OUR NEW MINISTER"

The long-looked-for event will be the return of Donnan Thompson's and Geo. W. Kyer's Hardscrabble

Comedy, "Our New Minister," which comes back to the Academy on Friday. Rarely if ever, did a play catch the popular fancy of Raleigh as did this latest production of the authors of "The Old Homestead," for even since its presentation at the Academy recently it has been the topic of conversation in homes, on the street cars, in stores and on the streets. It is not very difficult therefore, to foresee the business that "Our New Minister" will do on its return date. It only behooves those who wish to avoid disappointment to make an early application at the box office for seats.

"THE MAN ON THE BOX"

Max Figman's first starring tour under the direction of John Cort will terminate April 29th at Plainfield, N. J., after a most successful season throughout the west and south in "The Man on the Box." Mr. Figman will be seen in his play at the Academy of Music Tuesday, April 9th.

"MAKES YOU WELL ALL OVER."

New Scientific Remedy That "Gets at the Joints From the Inside."

When you get up in the morning with a headache, pains in the joints and muscles, and a dark brown taste in the mouth, it is ample proof that your blood is in bad condition. Pills and stimulants may give you temporary relief, but they will not cure.

RHEUMACIDE goes right to the seat of the trouble, sweeps all the germs and poisons out of the blood, cleans up every "plague spot" in the body and "makes you well all over." RHEUMACIDE tones up the stomach, relieves indigestion and constipation, regulates the liver and kidneys and restores each organ to its natural functions.

By building up the entire system, RHEUMACIDE fortifies you against La Grippe, Pneumonia and winter Colds. Through its thorough cleaning of the blood it wards off Malaria and prevents Spring Fever.

No other medicine has yet been found that cures Rheumatism so easily cured. A remedy that is powerful enough to cure Rheumatism also removes the germs of all other blood diseases. Powerful as it is, RHEUMACIDE is a purely vegetable remedy that does not even harm through nature's channels. Your druggist sells and recommends RHEUMACIDE.

SUPT. JOYNER WILL SPEAK AT MOCKSVILLE TONIGHT.

Superintendent Joyner expects to return tomorrow from the western part of the state where he has been for the past few days. Friday night he delivered an educational address at Monbo, Catawba county, and tonight is to speak at Mocksville in the interest of the proposed graded school at that place.

EASTERN CAROLINA TRAINING SCHOOL

Bids are beginning to come in from the east Carolina towns for the training school, the establishment of which was provided for by the last legislature. It has been understood that a determined fight would be made by Elizabeth City to get the school, but other places are just as determined.

Among the towns that have already submitted an intention of entering into the contest or are expected to do so are, Elizabeth City, Wilson, Greenville, Edenton, Tarboro, Washington, Rocky Mount, Kinston, New Bern and Goldsboro.

The following are the rules adopted by the state board of education and are to govern the selection of the site:

1. All bids will be received and all representatives heard in open meeting Wednesday, June 5, 1907, in Raleigh.

2. Under section 13 of the law, bids for less than \$25,000 for the construction equipment of buildings cannot be considered. The site is not included in this amount.

3. No bid will be considered that does not offer, in addition to the minimum of \$25,000 for building and equipment, a site containing at least twenty-five acres. It is desirable to secure as ample grounds as possible.

4. As soon as possible after June 5, 1907, the state board of education will visit and inspect all sites offered in the bids.

5. The election on bonds by any town or county may be held before or after the consideration of the bids and the selection of the site.

HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average baldheaded man is to show such solicitude for the welfare of others, that he neglects himself. A germ causes baldness. Prof. Sabouraud, of Paris, France, inoculated a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Hairdip.

"Destroy the cause—you remove the effect."

Sold by leading druggists. Send 10c. in stamps for sample to The Hairdip Co., Detroit, Mich. Two sizes, \$1.00 and 50c. (Henry T. Hicks & Co., Special Agents.)

ENGAGE WELL KNOWN TENOR FOR THE MUSIC FESTIVAL.

Mr. George Hamlin, the well known American tenor, who has been engaged for the music festival May 1st, 2nd and 3rd, made two concert appearances in New York city this week. Monday afternoon he gave a song recital in Mendelssohn Hall and Mr. H. E. Krehbiel, the foremost critic of New York, in an extended review of the concert in The Tribune, says:

"Mr. Hamlin's recital yesterday might well have been taken as a lesson by some of the many professional singers scattered through his appreciative audience, for in respect of program making and of interpretation, the American tenor was of signal merit and interest. There was remarkable intelligence in Mr. Hamlin's interpretation of what he sang as in the program's design. The mood of the text as the composer had seized it, was published with intuition and eloquence by the singer, in terms of clear enunciation, good phrasing and well chosen vocal color. Mr. Hamlin is an artist always worth while."

Mr. Hamlin was also chosen as the solo singer by the New York Oratorio Society for the first performance in America of Sir Edward Elgar's new oratorio, "The Kingdom," which was given last Tuesday night under the direction of the composer. Mr. Hamlin is one of the greatest concert tenors in America and his engagement for the solo part in the music festival, the second evening of the festival in Raleigh, was a wise move on the part of the executive committee. He has never been in the south before but is also engaged for the festival in Richmond in May.

Only One "BIBINGO QUININE" That is LAXATIVE STIMULO Quinine. Stimulatory mixed containing sometimes Quinine. The red and original Quinine Tablet is a WHITE PACKAGE with black and red lettering and bears the signature of E. W. BISHOP, 254

WEATHER FORECAST.

Washington, D. C., March 30.—Forecast for North Carolina for thirty-six hours to 3 p. m. Sunday: Fair, cooler tonight; Monday, fair except in extreme western portion.

The low pressure area central in the upper Mississippi valley yesterday has moved quickly to the northeast, and has been followed by an area of high pressure now central over North Carolina. These barometric changes resulted in a general rise in pressure to nearly all sections of the country and a consequent fall in temperature. The drop in temperature has been greatest in the central valleys and along the lakes. The lowest temperature is 4 degrees at Hamarck, N. D. There was considerable rain in eastern Texas and Louisiana yesterday. The following heavy precipitation, in inches, has been reported: Galveston, 1.2; Palestine, 1.9; and Taylor, 1.5. At Galveston the wind is now quite high and a maximum wind of fifty-two miles per hour has been recorded. During the next twenty hours' rising pressure will cause fair and cooler weather tonight with fair Sunday in the vicinity. A. H. THIESSEN, Section Director.

Tutt's Pills

FOR TOILET USE. A world-famous laxative that cleans the system and produces SWEEPER HEADACHE.

Dyspepsia, Constipation, Biliousness, Sallow Skin and Flabby Features, are common results of the LAXATIVE TOTT'S PILLS, as a trial will prove. Take as Substitute.

CONTRACT FOR NEW DEPOT AT SPENCER

(By Special Wire to The Times) Spencer, N. C., March 29.—The Central Carolina Construction Company of Greensboro has been awarded the contract for the erection of a new passenger station for the Southern Railway Company at Salisbury. The cost of the new depot is not known, but it will be one of the largest on the system and will be modern in all respects. Frank P. Milburn, of Columbia, is the supervising architect.
