

WILL HEAR PROPOSITION
Special Committee on Car
Line Extension Today

Citizens of Raleigh Very Anxious
That the Proposed Extension Be
Made—Chamber of Commerce Has
Been at Work on the Matter for
Some Time Past.

There is to be a meeting of the special committee, composed of the members of the street committee, Mayor Johnson and Alderman Cooper, this afternoon, to receive a proposition from the Raleigh Electric Company in regard to making certain extensions of the city car line. This matter has been agitated for some time past, and the chamber of commerce has been at work on the proposition. Mention was made a few days since of the fact that if any extension whatever was made, the line would be extended to the southwestern section of the city, to the Soldiers' Home and Oakwood Cemetery. President Brown of the chamber of commerce appeared before the aldermen at the meeting held Friday night and asked that a special committee be appointed to take the matter up with the Raleigh Electric Company.

An extension of the car line would be a great benefit to the city of Raleigh, and would enhance the value of property lying on the edges of the city. The proposition that the company desires to make will be submitted to the committee, and it will in turn report to the board. In a few weeks the street car company expects to begin the work of removing the light rail on the city line and supplying it with 70-pound "T" rail. The rail for this work has already been ordered, and within the next thirty days it will be decided what is to be done in regard to making an extension of the lines.

EASTERN TRAINING
SCHOOL PROPOSITION.

(Special to The Evening Times.)
Washington, N. C., April 7.—At a very large and enthusiastic meeting of the chamber of commerce the Eastern Training School proposition was brought up, and what advantages Washington could and would offer for the establishment of this institution in this city. This matter was referred to a committee for a special report at a meeting to be called at the instance of this committee. A committee was also appointed with Hon. John H. Small as chairman to have Washington and Beaufort county properly represented at the coming Jamestown Exposition, with exhibits and advertising booklets, etc.

Rev. I. M. Mercer, D. D., the former pastor of the First Baptist church in this city, has gone to Rocky Mount, where he accepted a call to the Baptist church in that city. Dr. Mercer is a minister of the highest standing and possesses great ability. While in this city he has made many friends who regret to see him leave.

Louisville's new theatre, which has been named after Mary Anderson, was opened on Monday evening with a performance of "Happyland," by De Wolf Hopper.

WAS THE CHILD OF
MR. ADAMS MURDERED

(Special to The Evening Times.)
Durham, N. C., April 8.—Information has reached here from Cluster Springs, Virginia, in which there are suggestions of a bloody crime. These suggestions are in connection with the burning of the feed barn at the home of Mr. Samuel L. Adams, Cluster Springs, on Thursday, at which time his oldest son, Stanford, four years of age, lost his life.

The evidence that murder has been done is so strong that Mr. Adams has employed a detective who is now at work on the case. The story is, that just as the flames burst out a strange man was seen walking from the barn towards the railroad. It is known that recently Mr. Adams received two threats and warnings that he would be done violence if he did not desist in activity about the granting of licenses for distilleries. There were several hot whiskey fights, in which three or four applications were made by parties who wanted to run distilleries in Virginia, after these parties had been driven from North Carolina by the Watts law. Mr. Adams, who is a lawyer, was employed to fight the application made and it was while in these fights that the threats were made against him.

Envroned by Flames
and Crashing Walls

(Continued from first page.)
leading a number of men in efforts to get cars out of the burning barn when a section of wall fell, burying him under a mass of bricks and girders.

Timothy McConnel, driver for Deputy Chief Mackin, saw the accident and rushed into the debris while the bricks were still falling and managed to seize Mosha and drag him out. Mosha sustained a fractured skull and internal injuries and was taken to the hospital in a critical condition.

McConnel received a number of bruises.

The men of engine companies No. 67, 68 and 69 were fighting the fire from the rear windows of the third and fourth floors of the flathouse at 2520 Seventh avenue when a fire started in the building under them. They were trapped for a time by the flames shooting up the stairway and had to reverse their hose and fight their way through the smoke and flames.

Several of the men were overcome by the smoke but were dragged out by their companions. One man was sent to the hospital.

Men Blown to the Street.
When the fire started in the guage room, fifteen men under Thomas Campbell were at work in the room. The floor was soaked with oil and the flames spread rapidly, but under orders from Campbell the men manned three lines of hose. They fought the fire there until there was an explosion that blew out the front doors and they were practically blown to the street.

One of the men, Larry Dorreals, fell and was unable to reach the street. The others missed him and rushed back to the room and dragged him out just in time to escape the flames. He was badly shaken up but not seriously hurt.

THE FIRE A MYSTERY
Discharge of the Negro Ar-
rested for Arson

Newman, the Copper King of Wall Street, Heads the Eureka Consoli-
dated Copper Company of Rowan,
a Ten Million Dollar Corporation.

(Special to The Evening Times.)
Sallebury, N. C., April 8.—The negro Charles McCormick, who was caught in the burning house of Mrs. M. C. Quinn, Thursday night, and held for arson, has been discharged on account of insufficient evidence. He was caught there, but it appears that there was no enmity towards anybody connected with the household and the fellow happened to have gone into the room when he was detected. There was no proof that he applied the fire.

Rev. Dr. Fred D. Hale, of the Baptist church of Wilmington, is here and will conduct a revival in the First Baptist church throughout the week. Baptists under the leadership of Rev. R. E. Neighbour, are going to have a large thousand dollar tent under which they purpose holding great gospel meetings. It is understood that the grand climax to the religious events will be a wet and dry election at some undetermined date.

Bullock Craig Esq., of this city, now has in hand the deeds to the Eureka Consolidated Copper Company, a new corporation to do business in Rowan and Cabarrus counties. Walter George Newman, the copper king of Wall Street, is manager for the present and entire owner. It is capitalized at ten millions and has behind it the man who has kept the mining industry alive when it had gone dead. Mr. Newman was until last year, president of the Gold Hill Copper Company, and it is now on its feet doing a handsome business. That section has turned into the mints at Charlotte, more than seven millions and it appears now that this record is to be duplicated. Mr. Newman will be down to look over it this week.

The Coney Island United Shows after giving an exhibition of a week, pulled up stakes Saturday night. They intend to show at Spencer this week. The feature of the fair was the contest for the diamond ring which went to Miss Bessie Shaver after \$4000 had been spent. The rivalry was keen Saturday afternoon, Miss Shaver winning with 1519 votes and Miss Gertrude following with 1209. The ring was a profit maker to the company.

All entries for the municipal positions have been made and next week will witness the close of the majority fight. Mayor Borden and Chairman Thomas H. Vandorfer of the Eight Congressional District are the central figures of the fight, lifelong friends and the fiercest of political foes in this contest. There has not been half the heat so far that was expected, the fight of 1905 having been one that stirred the state. The issues of wet and dry do not enter into this campaign and the personal popularity of the men will largely determine the issues. A record-victory will be voted upon and Mr. Vandorfer opposes while Mr. Borden favors it. The various wards have their factions and the agony will end quietly but not without inward feeling. There are fifteen candidates for the nine positions.

The Tenth District will hold a meeting tomorrow evening at Spencer and Salisbury-Spencer Pythians will be out in heavy numbers. A splendid program has been arranged and there will be work in the third degree. Some of the most noted speakers of the state will be present. Rev. Mr. W. B. Dutton will preside.

THE FUNERAL OF MRS.
ELIZA JUDSON CHAPEL.

(Special to The Evening Times.)
Wake Forest College, April 8.—The funeral services of Mrs. Eliza Judson Chapel, who died Friday afternoon, were conducted from the home of the deceased at Forestville, one mile south of here, yesterday afternoon and the interment was in the Forestville graveyard.

Mrs. Chapel was the wife of Dr. L. Chapel, and she is survived by her husband and two sons, Rev. Lee Roy Chapel, who is pastor of a church in South Carolina, and Mr. Arthur Chapel, who makes his home with his father at Forestville. The deceased was seventy-five years old, and death was probably due to old age. Dr. Chapel's family is one of the oldest families of Forestville. Mrs. Chapel was an exceedingly good woman and wielded great influence for good in her community. She was a member of the Forestville Baptist church and was well known throughout the community.

ARREST OF NEGRO ON
SUSPICION OF MURDER.

(By Leased Wire to The Times.)
Chattanooga, Tenn., April 8.—A negro believed to be Joyce Poe, who murdered Chief of Police Charles Russell of Indianapolis, on the night of December 30, 1906, was arrested here this morning and is being held at the police station. The negro answers the description of Poe exactly. There is a reward of \$1,500 for Poe's arrest.

Bitten by a Spider.
Through blood poisoning caused by a spider bite, John Washington, of Bosqueville, Tex., would have lost his leg, which became a mass of running sores, had he not been persuaded to try Buckle's Arnica Salve. He writes: "The first application relieved, and four boxes healed all the sores." Heals every sore. See at all druggists.

"MAKES YOU WELL ALL OVER."
RHEUMACIDE goes right to the seat of the disease, sweeps all the germs and poisons out of the blood, cleans up all the plague-spots in the body and sets all the organs to work again in Nature's way. Purely vegetable, non-alcoholic, it is yet the most powerful of cleansing medicines, and at the same time regulates the liver, tones up the stomach and builds up the entire system. RHEUMACIDE is the only remedy that cures rheumatism to stay cured.

There shall be six ballot boxes at each election precinct, labeled, respectively, as follows: "For mayor," "for police justice," "for city clerk," "for city tax collector," "for police commissioner," and "for aldermen." In which the ballots cast for each respective candidate shall be deposited. The polls at each precinct on the day of the election shall be opened by sunrise and closed at sunset. At the close of said polls the registrars and judges of election shall count the ballots cast in said election for the various candidates for office and shall record the vote received by each respective candidate on blanks and shall sign the names they shall appoint one of their number to attend a meeting of the board of canvassers and shall deliver to him the returns made out and signed by them; the members so appointed to bring in the returns shall meet at 12 o'clock M. on May the 7th, 1907, in the police justice's room and shall constitute the Capital Board of City Canvassers; they shall, after duly organizing according to law, open, canvass and judicially determine the vote received by the various candidates for each respective office and shall declare the candidate elected in said election to each municipal office; they shall record the vote canvassed and determined by them on duplicate blanks one of which they shall deliver to the city clerk, and the other they shall cause to be posted in front of the city hall.

A Straight Path
From the cotton field to prosperity, and a large, constantly growing bank account awaits you if you plant, fertilize and cultivate your crop with system. The most important thing is to apply to your soil, about ten days before seeding, a plant food in the shape of 400 to 1000 pounds of high grade Virginia-Carolina Fertilizers per acre on fewer acres. If you follow this advice, your cotton will be waist high by the time many of your "extensive culture" neighbors are hoeing over their crop the first time. Then too they may have used a poor grade fertilizer. Insist upon having only VIRGINIA-CAROLINA FERTILIZERS—accept no substitute.
