

ENJOY BARBECUE AT FAIR GROUNDS

Council Entertains the Visiting Delegates

A BUSINESS SESSION

Was Held This Morning and the Work of the Council Concluded—Next Meeting Takes Place in Winston-Salem—Officers Elected Yesterday Afternoon for Easing Year.

The last business session of the Grand Council of the Royal Arcanum was held this morning and this afternoon the delegates as well as the members of the local council are enjoying themselves at a barbecue at the fair grounds given by the local council complimentary to the visitors. The delegates assembled at the Confederate monument a little before two o'clock, where special cars had been provided to carry the party to the fair grounds. Raleigh is noted for its hospitality and Raleigh Council of the Royal Arcanum is by no means lacking in this respect.

A very important resolution was adopted by the Grand Council recommending to the Supreme Council that the age minimum for membership be reduced from twenty-one to eighteen years. The members of the Grand Council are of the opinion that this change would be the means of doing the order much good.

At the meeting yesterday afternoon it was decided to hold the next annual meeting at Winston-Salem. The Grand Council meets at the same time each year.

In the election of officers Raleigh was favored by the naming of two men from this city, Mr. A. M. Powell having been chosen as grand secretary, and Mr. J. M. Norwood as grand warden.

Officers elected were as follows:
 Grand Regent—S. M. Erinson, New Bern.
 Grand Vice Regent—H. E. Bonitz, Wilmington.
 Grand Orator—Dr. J. Howell Way, Waynesville.
 Grand Treasurer—A. M. Powell, Raleigh.
 Grand Guide—H. C. Chedester, Asheville.

Grand Chaplain—J. T. Hedrick, Lexington.
 Grand Warden—J. M. Norwood, Raleigh.
 Grand Sentry—W. S. Floyd, Reidsville.
 Grand Trustees—Rev. John B. Wood, Wilson; T. W. Sloumb, Goldsboro; A. J. Evans, Statesville.
 Representatives to Supreme Council—H. C. Dockery, Rockingham, (re-elected); D. M. Miller, Salisbury.
 State Medical Examiner—Dr. J. Howell Way, Waynesville.
 Following the election these officers were installed by Mr. C. E. Hoadley, of Hartford, Conn., deputy supreme regent.

ALL HANGINGS TO BE PRIVATE

A Special Act Relating to the Matter

CUMBERLAND COUNTY

Got Special Act Passed in 1905, But Says Hangings Must be Private—Announced That Execution of Tom Walker at Fayetteville is to be Public.

When Tom Walker, the negro who killed two policemen at Fayetteville some weeks since and dangerously wounded another officer, was tried and sentenced to be hanged on the fifteenth of this month, it was announced that the execution would be public, something that sounded strange to many just at this time as there has been no public execution in North Carolina in several years past. A doubt existed as to whether there was any special act in regard to the matter, some being of the opinion that each county could pursue whatever course was desired in this respect. It is found that there is a law which provides that an execution shall not be public, and during the legislature of 1905 a special act was passed for Cumberland county—that county getting ready for a hanging—giving the commissioners power to have the execution take place anywhere in the county that they might desire, provided it was private.

Section 3285, of the Revisal of 1905, reads as follows:
 "Capital Executions Private.—As the ends of justice, public morals and the preservation of order demand that the execution of all capital offenders should be private and invested with the solemnity appropriate to the final act of penal law, any sheriff on whom shall devolve the execution of a sentence of death on a public offender shall be required to provide for the execution of such criminal within the jailyard inclos-

ure, and as much removed from public view as the means within his control will allow."

The special act relating to Cumberland county was passed during 1905. Chapter 480 reads as follows:
 "An act to empower the commissioners of Cumberland county to regulate the execution of criminals."
 "The General Assembly of North Carolina do enact:
 "Section 1. That the board of county commissioners of Cumberland county shall have the power, in their discretion, to prescribe the place within said county for the execution of criminals in capital cases: Provided, that no such execution shall be public."
 "Sec. 2. That all laws and clauses of laws in conflict with this act are hereby repealed."
 "Sec. 3. That this act shall be in force from and after its ratification."
 In the general assembly read three times and ratified, this the 4th day of March, 1905.

TEN SAID TO BE DEAD IN WRECK

(By Leased Wire to The Times.)
 Winnipeg, Man., April 11.—A dispatch from Chaplin says that ten persons were killed and forty seriously injured in an accident on the Canadian Pacific Railroad this morning.

SHE SAW HER DEATH IN A PAPER AND DIED

A special to the Chicago Tribune from Evansville, Ind., says:
 "Thrown into a state of nervous prostration by reading an account published in a newspaper of her supposed death, Mrs. Louise Duley, aged forty-five years, expired last night."
 Through an error the death of a woman of the same name is reported to have occurred in Mrs. Duley's home and as she read she fell from her chair to the floor. A physician was called, but was unable to learn the reason for Mrs. Duley's collapse.
 She recovered later and talking a few minutes began to cry: "I am dead, I am dead, I saw it in the paper," and died in hysterics.

THE RALEIGH BUILDING AND LOAN ASSOCIATION.

ORGANIZED OCTOBER 4, 1905.

The objects of this association are to enable and encourage its members to build and own their homes by the payment of small weekly or monthly amounts, and to afford to those of them who do not wish to build an opportunity for investing small amounts at the highest rate of interest.

The officers and directors, with the exception of the secretary and treasurer, whose salary is a nominal one, serve without compensation and give their time and talent for the good of the common weal.

Persons of the age of twelve years and upwards carry shares in their own names. Children under twelve carry shares in the name of trustees.

The par value of a share of stock is \$100.00 and the weekly payment is 25 cents per share. If preferred, payments may be made monthly on the first Saturday in the month.

The amounts received from the payment of installments are loaned on real estate security in Raleigh township at 6 per cent interest, which interest is payable weekly or monthly in advance with installments.

Shareholders may be of any age, sex, color, vocation or habitation.
 A membership fee of 25 cents per share is charged each and every shareholder.

When the installments paid on a share with interest and profits added equal \$100.00 the share has reached its par value and is declared matured and is a draft on the Association for \$100.00.

Shares generally mature with 330 to 332 weeks, or about six and one-third years. The par value is made up of the weekly dues plus the net profits.

Shareholders pay in from \$82.00 to \$83.00 per share, and the interest on the installments makes the share worth \$100.00.

The net profit at maturity figures from 6 1/2 to 6 7-10 per cent per annum on weekly payments and is distributed to all alike.

All taxes are paid by the Association.
 A fine of five cents per share for every week in arrears is imposed on all alike, investor or borrower, said fine going into the common profit account.

Amounts paid in may be withdrawn at any time upon thirty days' notice.
 Application for loans may be filed when stock is taken.

Loans must not exceed two-thirds of the value of the real estate security, as determined by the Committee on Investigation and the Board of Directors, or 90 per cent of the amount paid in on the stock.

The Board of Directors meet monthly and pass upon all applications for loans, but the borrower must take his turn—first to apply, first to get loans.

Loans are made without partiality or favoritism.

The payments are in easy installments and there is no danger of a foreclosure if the payments are made. Loans do not have to be renewed from year to year, and in case of a stringency in the money market they cannot and will not be called in.

Loans convert rent money into homes, and every shareholder is a partner in the Association.

EXAMPLE FOR INVESTOR, 10 SHARES.

| | |
|-------------------------------|------------|
| Value at maturity, 6 1-3 year | \$1,000.00 |
| Actual Cost | |
| Entrance fee, 25c. per share | \$2.50 |
| 332 payments at \$2.50 | \$830.00 |
| Net profit | \$107.50 |

The above represents the maximum net and the minimum profit, and nets the investor 6 1/2 per cent—taxes paid. Where else can you safely invest small weekly or monthly surplus funds to earn so handsomely?

EXAMPLE FOR BORROWER, 10 SHARES.

| Would have paid for rent-house at \$12.50 per month for 332 weeks | \$537.00 |
| Net cost of home | \$230.98 |
