Richardson is Jam-Up Against Government Ownership-The Eminent Tennessee Statesman Partial to Judge Gray With Daniel for Vice-President-Bryan Would be Handicapped as Candidate This Time.

(By Leased Wire to The Times.) Washington, June 7 .- State rights as an issue and some candidate other than W. J. Bryan will, in the opinion of Representative William Richardson of Alabama, place the democratic party in the next campaign in a position offering every prospect of victory at the polls.

"In my judgment," said Judge Richardson, "the indications all point to the re-nomination of President Roosevelt, and I truly believe that with a well-founded democrat for presidential candidate and with issue of state rights, as made the by Mr. Roosevelt, we have better chance to defeat him and the third term incubus than any other republican.

"I suggest Judge George Gray, of Belaware, as an admirable candidate two days of friendly interrogation by for the presidency, and Senator Daniel of Virginia, is certainly a suitable man for the vice-presidency. I am not committed to either, for there are other able and distinguished democrats, such as Mr. Har-

mon of Ohio. But it is time for democrats not to hesitate to speak their sentiments. I am no advocate of government owngrship of railroads, present or ultimately, and I believe that such in the sentiment of the annihilate it completely. Here, description is assailing his testimony, attemptdoctrine is absolutely undemocratic from every standpoint, and southern democrats will never follow the he made the nominee of the party.

"It is a mistake to assume," continued Judge Richardson, "that the state of Alabama, for instance, is that committed to Mr. Bryan or any other candidate. We are all great admir-

### CAN'T ACCEPT STATEMENT BRITISH CHAMBER COMMERCE

(By Leased Wire to The Times.) Washington, June 7 .- The secreary of state has decided that it will not be possible to accept the statements of British chambers of commerce as prima facie evidence of the value of goods exported from that country to the United States, as will "Gentlemen: The Board of Agricul- be done in the case of similar organiture, after thoroughly considering the zations in Germany under the new regulations announced in connectio with the recently perfected tariff agreement with Germany. There ar indications that this decision will cause still further annoyance to British exporters, and it is probable that it will be made the basis of early diplomatic representations. It is explained that in Germany the chambers of commerce are quasi-official organizations, while this is not true of the British chambers. It is understood that the French chambers also have a semi-official charac-

party. socialism is spreading throughout ing his trade of murder. We realize that a frenzy our country and that it will require positive action on the part of the conservative element to check it. I will act according to real convictions, ficient inducement. good judgment and common sense, we have the best opportunity to win since the civil war.

"If the federal government can say the states have no right to regu-Inte railroad traffic within the state limits, then it can just as well say he is entirely sane. we have no right to regulate schools Lombroso might find the key to this or form police regulations, etc. My opinion is that this, will be the pre-son can understand him. The state attorney made no attempt opinion is that thus the president is valing question. The president is to bring out the motives or impulses that actuated the assassin. Every-lead the railroads along the line that the federal government alone has the right to regulate commerce, not that gives imagination a clew to his merely interstate commerce, but in-trastate commerce, which means con-softdation mid control by the poworn at Washington. - It means the elimi-nation 'of state lines. nation 'of state lines.

"That is why I say that if the democratic party will firmly stand
