CURES ALL SKIN TROUBLES

Sulphur the Accepted Remedy for a Hundred Years.

Sulphur is one of the greatest remedies nature ever gave to man. Every physician knows it cures skin and blood troubles. HANCOCK'S LIQUID SULPHUR enables you to get the full benefit in most convenient form. Take sulphur "tablets" or "wafers," or powdered sulphur in molasses. HANCOCK'S LIQUID SULPHUR is pleasant to take and perfect in its action. Druggists sell it.

A well known citizen of Danville, Pa., writes: "I have had an aggravated case of Eczema for over twenty-five years. I have used seven 50-cent bottles of the LIQUID and one jar of your HANCOCK'S LIQUID SULPHUR OINTMENT; and now I feel as though I had a brand new pair of hands. It has cured me and I am certain it will cure any one if they will persist in using HANCOCK'S LIQUID SULPHUR according to directions."

A DOUBLE OF MISS**ETHEL ROOSEVELT**

By Leased Wire to The Times.

Washington, July 3.—The white house employees who still remain in the city were thrown into a flutter yesterday by a girl who was inspecting the historic building. The visitor was Miss Dorothy Mercer of New York. She was accompanied by her father, R. S. Mercer, a business man. When Miss Mercer entered the white house the ushers stepped back in astonishment. They bowed low and remained.

"Why, Miss Ethel, why did you come back without letting us know?" The girl said she was 11 years old and was puzzled, and her father was at a loss to understand.

In the blue room and other parts of the executive mansion the employes and servants approached Miss Dorothy and murmured their surprise, calling her Miss Ethel.

It finally dawned upon Mercer that they had mistaken his daughter for Miss Ethel Roosevelt. It was not until he explained to them and they had taken another good look that they realized the mistake.

SENATOR CLARK MUST TELL ALL THE STORY.

By Leased Wire to The Times.

New York, July 3.—By a decision of Judge Amend, in special sessions of the supreme court, former Senator William A. Clark must account for all the dealings of the United Verde Copper Company, involving the sum of more than \$260,000,000. The decision comes after eight years of litigation as the result of a suit brought by George A. Treadwell for the minority stockholders.

According to Charles W. Demond, counsel for Mr. Treadwell, the investigation which the court orders will show that Senator Clark now derives an income of \$25,000,000 a year from United Verde, much of which, Mr. Demond says, should have been turned over to Treadwell.
