# INSIST!!!

SODA FOUNT

When you step up to a fountain or into a place where bottled drinks are sold tell the man you want Coca-Cola. Close your ears to the "just as good" argument because there is nothing just as good as Coca-Cola. INSIST. You have asked for Coca-Cola because you are convinced that

is what you want-don't let a smooth-tongued salesman rule your judgement. If the man insists go to a place where they give their customers what they ask for. Imitations are made to deceive you, not to please you. THE REASON-Coca-Cola not only quenches thirst and pleases the palate but it relieves fatigue, and is the only beverage that

has vim and go to it. 5c.-EVERYWHERE-5c. Guaranteed under the Pure Food and Drugs Act,
